Disclosures and Recusals

Members of the body should make any required disclosures or recusals under the City's Ethics Code.

New Business

2. [85170](#) WIMR East Wedge Cyclotron & Expansion

Discussion and potential recommendation to UW Design Review Board (DRB).

Note: The JCAC recommended approval of a proposed Campus-Institutional (CI) District Master Plan amendment to the Plan Commission at its December 11, 2025 meeting. The amendment is necessary because the current Master Plan does not include the project. On January 12, 2026 the Plan Commission recommended approval of the amendment to the Common Council (see Legistar #90540). However, the Common Council will not consider the amendment until its January 27, 2026 meeting. Therefore, staff recommends any motion to the UW DRB endorsing the project should be contingent on Council approval of the CI District Master Plan amendment.
