To whom it may concern:

I am writing to register my opposition to the application for a liquor license by Singh & Son LLC at 1937 Monroe Street for the following reasons:

- (1) There already exist two alternative venues to purchase alcohol within two blocks from this location;
- (2) There is a women's shelter directly across the street, which seems inappropriate;
- (3) It is in the heart of an overwhelmingly family-oriented neighborhood, which is currently trying to deal with excessive alcohol consumption by students from the Edgewood campus.

Thank you
