6. Subject to Declaration of Conditions and Covenants for the Development/Plat of Certified Survey Map No. 13286, recorded August 28, 2014, as Document No. 5094549.
7. All lots created by this Certified Survey Map are individually responsible for compliance with Chapter 37 of the Madison General Ordinances in regard to storm water management at the time they develop.
8. No changes in drainage patterns associated with development on any or all lots within this CSM shall be allowed without prior approval of the City Engineer.
9. Lots/buildings within this subdivision/development are subject to impact fees that are due and payable at the time building permit(s) are issued.
10. Notes per CSM #13286:
 - 10.1. **Creation of Easement Rights:** Permanent easements are created over the area designated as "3 Foot Wide Permanent Limited Easement for Public Street and Public Utility Purposes" as follows: A permanent easement over, across, and within such easement area is hereby granted to the City of Madison and to Public Utilities for the purposes hereinafter set forth. The easement area may be used by the City of Madison for public street purposes, and by any public utility for the installation, maintenance, repair and replacement of underground utilities. The City of Madison shall have the right to construct, install, maintain, operate, repair, replace and reconstruct the public street within the easement area. Each public utility shall have the right to construct, install, maintain, operate, repair, replace and reconstruct underground public utilities within the easement area. Each holder of an easement granted hereunder shall have the right of ingress and egress to and from the easement area in order to exercise its rights hereunder, and to cut and remove trees, vegetation and other impediments in the easement area which may obstruct or interfere with the exercise of its easement rights hereunder.
 - 10.2. **Property Restoration:** Each holder of the easements granted hereunder shall repair any damage caused to the easement area and neighboring property as a result of the exercise of its easement rights hereunder. Following an excavation work by any easement holder, such easement holder shall promptly restore the area affected by the work to the original grade and vegetation or surface condition, including repair and replacement of fences, pavement and concrete.
 - 10.3. **Limitations on Use of Easement Area:** The Owner of the property shall have the right to use the easement area for any purpose, provided such use shall not interfere with the easement rights granted hereunder. The Owner shall not construct any buildings, structures or fences within the easement area, or change the grade within the easement area, without the written consent of the City of Madison's Engineering Division City Engineer and all other easement holders that have installed improvements within the easement area. All utilities shall be located underground.
 - 10.4. **Binding Effect:** This easement shall run with the land described herein and shall be binding upon the Owners of the property, the City of Madison, and their respective successors in interest.
 - 10.5. **Release/Amendment:** This easement is for the benefit of the City of Madison and may be released by the City of Madison. This easement may be amended by an Amendment executed by the City of Madison and the Owners of the property
