

Dear Madison Representatives,

My name is Kate Servais, and I am writing in support of Double S BBQ's request for a Beer and Wine license.

When moving back to Madison last year, I chose Monroe Street over the new apartment complexes because of the walkable neighborhood. Moving from downtown Chicago, I still wanted a neighborhood that included grocery stores, cafes, shops, restaurants and bars. I also convinced my sister to move to the neighborhood last month for the same reasons.

I am very excited that Double S BBQ will be moving into the empty storefront on Monroe. I live right next door to Brasserie V and am very excited to have another restaurant/bar to frequent. I love to have a beer with my BBQ ribs, and hope that you grant Double S a Beer and Wine license.

Thank you for your consideration,

Kate Servais
