Kevin Burow
Knothe & Bruce Architects, LLC
7601 University Ave. Suite 201
Madison, WI 53562

RE: Approval of demolition and removal permits and conditional uses for a multi-family building greater than 8 units in a TSS (Traditional Shopping Avenue) zoning district and exceeding the rear yard transition height increase ratio requirement adjacent to a residential district at 2901 Atwood Avenue. (ID 51953; LNDUSE-2018-00061).

Dear Mr. Burow;

At its July 16, 2018 meeting, the Plan Commission found the standards met and **approved** your client's demolition permit and conditional use requests to demolish a five-unit apartment building and build a three-story, nine-unit multifamily apartment building at 84 North Bryan Street. The conditions of approval in the following sections shall be satisfied prior to issuance of building permits for the project.

Please contact my office at (608) 243-0455 if you have any questions regarding the following two (2) items:

1. Add additional brick and masonry cladding along the east and west facades to create a more cohesive design appearance, with details to be approved by staff.
2. A ground floor window, glazing, or other architectural treatment shall be added along the left side of the Atwood Avenue primary entrance, in front of the interior stair well and aligned beneath the upper floor window.

Please contact Jenny Kirchgatter, Assistant Zoning Administrator at (608) 266-4429 if you have any questions regarding the following thirteen (13) items:

3. Verify the size of the lot and lot coverage with the final submittal. The lot size noted on the proposed site plan is 5,238 sq. ft. and the lot size noted on the proposed CSM is 5,160 sq. ft. The lot coverage maximum is 85%. Lot coverage is defined as the total area of all buildings, measured at grade, all accessory structures, and all paved areas as a percentage of the total area of the lot, with the following exceptions: sidewalks or paved paths no wider than five (5) feet, pervious pavement, green roofs and decks.
4. Section 28.185(7)(a)5. requires that if a demolition or removal permit is approved, it shall not be issued until the reuse and recycling plan is approved by the Recycling Coordinator, Bryan Johnson (608-266-4682).
5. Section 28.185(10) Every person who is required to submit a reuse and recycling plan pursuant to Section 28.185(7)(a)5. shall submit documents showing compliance with the plan within sixty (60) days of

completion of demolition.

6. Section 28.185(9)(a) A demolition or removal permit is valid for one (1) year from the date of the Plan Commission.
7. Parking requirements for persons with disabilities must comply with Section 28.141(4)(e). Final plans shall show the required van accessible stall. A van accessible stall is a minimum of 8 feet wide with an 8 foot wide striped access aisle or 11 feet wide with a 5 foot wide access aisle. Show the required signage at the head of the stall.
8. Bicycle parking shall comply with City of Madison General Ordinances Sections 28.141(4)(g) Table 28I-3 and 28.141(11). A minimum of nine (9) resident bicycle stalls are required plus a minimum of one (1) short-term guest stall. NOTE: A bicycle stall is a minimum of two (2) feet by six (6) feet with a five (5) foot wide access area. Submit a detail showing the model of bike rack to be installed.
9. Screening is required adjacent the Zoning district boundary along the south property line. Screening shall be provided along side and rear property boundaries between commercial/ mixed-use districts and residential districts. Screening shall consist of a solid wall, solid fence, or hedge with year-round foliage, between six (6) and eight (8) feet in height. Submit a detail of the screening fence with the final plans.
10. Verify how refuse will be managed at the site. All developments, except single family and two family developments, shall provide a refuse disposal area. If the refuse disposal area is located outside the building, it shall be screened on four (4) sides (including a gate for access) by a solid, commercial-grade wood fence, wall, or equivalent material with a minimum height of six (6) feet and not greater than eight (8) feet. Submit a detail of the trash enclosure if provided outside the building.
11. Provide details showing that the primary street façade meets the door and window opening requirements of Section 28.060(2)(d). For residential uses at ground level, a minimum of fifteen percent (15%) of the ground level of residential facades or side and rear facades not fronting a public street shall consist of windows and door openings. On upper stories, window or balcony openings shall occupy a minimum of fifteen percent (15%) of the upper-story wall area.
12. Submit a rooftop plan showing the location of any proposed rooftop mechanical equipment and screening. All rooftop equipment shall be screened from view from adjacent streets and public rights-of-way per Sections 28.060(2)(f) and 28.142(9)(d). Screens shall be of durable, permanent materials that are compatible with the primary building materials.
13. Verify whether new site lighting will be installed. New site lighting must comply with City of Madison General Ordinances Section 10.085 outdoor lighting standards. If exterior site lighting is provided, submit an exterior lighting plan and fixture cut sheets with the final plan submittal.
14. Per Section 28.186(4)(b), the property owner or operator is required to bring the property into compliance with all elements of the approved site plans by the date established by the Zoning Administrator as part of the site and building plan approval. Work with Zoning staff to establish a final site compliance date.
15. Signage approvals are not granted by the Plan Commission. Signage must be reviewed for compliance with Chapter 31 Sign Codes of the Madison General Ordinances. Signage permits are issued by the Zoning Section of the Department of Planning and Community and Economic Development.

Please contact Brenda Stanley of the City Engineering Division at (608) 261-9127 if you have any questions regarding the following ten (10) items:

16. This site accepts stormwater runoff from a large area, and currently has a small enclosed depression within the parking lot. The new plan shall show how this water runoff shall be passed through the site to the Public ROW.
17. Prior to approval, the owner or owner's representative shall obtain a permit to plug each existing sanitary sewer lateral that serves a building which is proposed for demolition. For each lateral to be plugged the owner shall complete a sewer lateral plugging application and pay the applicable permit fees. The permit application is available on line at <http://www.cityofmadison.com/engineering/permits.cfm>. (MGO CH 35.02(14))
18. All outstanding Madison Metropolitan Sewerage District (MMSD) charges are due and payable prior to Engineering sign-off, unless otherwise collected with a Developer's / Subdivision Contract. Contact Mark Moder (608-261-9250) to obtain the final MMSD billing a minimum of two (2) working days prior to requesting City Engineering signoff. (MGO 16.23(9)(d)(4))
19. The Applicant shall submit, prior to plan sign-off but after all revisions have been completed, a digital CAD file (single file) to the Engineering Division with any private storm and sanitary sewer utilities. The digital CAD file shall be to scale and represent final construction. The CAD file shall be in a designated coordinate system (preferably Dane County WISCRS, US Ft). The single CAD file submittal can be either AutoCAD (dwg) Version 2013 or older, MicroStation (dgn) V8i Select Series 3 or older, or Universal (dxf) format and shall contain the only the following data, each on a separate layer name/level number:
 - a. Building Footprints
 - b. Internal Walkway Areas
 - c. Internal Site Parking Areas
 - d. Other Miscellaneous Impervious Areas (i.e. gravel, crushed stone, bituminous/asphalt, concrete, etc.)
 - e. Right-of-Way lines (public and private)
 - f. Lot lines or parcel lines if unplatted
 - g. Lot numbers or the words unplatted
 - h. Lot/Plat dimensions
 - i. Street names
 - j. Private on-site sanitary sewer utilities (including all connections to public sanitary)
 - k. Private on-site storm sewer utilities (including all connections to public storm)

All other levels (contours, elevations, etc) are not to be included with this file submittal.

NOTE: Email CAD file transmissions are preferred to: bstanley@cityofmadison.com (East) or ttroester@cityofmadison.com (West). Include the site address in the subject line of this transmittal. Any changes or additions to the location of the building, sidewalks, parking/pavement, private on-site sanitary sewer utilities, or private on-site storm sewer utilities during construction will require a new CAD file.

20. The applicant shall submit, prior to plan sign-off but after all revisions have been completed, digital PDF files to the Engineering Division. Email PDF file transmissions are preferred to: bstanley@cityofmadison.com (East) or ttroester@cityofmadison.com (West). The digital copies shall be to scale, and shall have a scale bar on the plan set. (POLICY and MGO 37.09(2)) PDF submittals shall contain the following information:
 - a. Building Footprints

- b. Internal Walkway Areas
- c. Internal Site Parking Areas
- d. Other Miscellaneous Impervious Areas (i.e. gravel, crushed stone, bituminous/asphalt, concrete, etc.)
- e. Right-of-Way lines (public and private)
- f. Lot lines or parcel lines if unplatted
- g. Lot numbers or the words unplatted
- h. Lot/Plat dimensions
- i. Street names
- j. Stormwater Management Facilities
- k. Detail drawings associated with Stormwater Management Facilities (including if applicable planting plans).

21. For Commercial sites < 1 acre in disturbance the City of Madison is an approved agent of the Department of Commerce and WDNR. As this project is on a site with disturbance area less than one (1) acres, and contains a commercial building, the City of Madison is authorized to review infiltration, stormwater management, and erosion control on behalf of the Department of Commerce. No separate submittal to Commerce or the WDNR is required.
22. The construction of this project will require that the applicant shall enter into a City / Developer agreement for the required infrastructure improvements. The applicant shall contact City Engineering to schedule the development of the plans and the agreement. The City Engineer will not sign off on this project without the agreement executed by the developer. Obtaining a developer's agreement generally takes approximately 4-6 weeks, minimum. (MGO 16.23(9)c)
23. The approval of this zoning approval does not include the approval of the changes to roadways, sidewalks or utilities. The applicant shall obtain separate approval by the Board of Public Works and the Common Council for the restoration of the public right of way including any changes requested by developer. The City Engineer shall complete the final plans for the restoration with input from the developer.. (MGO 16.23(9)(d)(6))
24. The Applicant shall provide the City Engineer with a survey indicating the grade of the existing sidewalk and street. The Applicant shall hire a Professional Engineer to set the grade of the building entrances adjacent to the public right of way. The Applicant shall provide the City Engineer the proposed grade of the building entrances. The City Engineer shall approve the grade of the entrances prior to signing off on this development. (POLICY)
25. The Applicant shall Construct Sidewalk to a plan approved by the City.

Please contact Jeffrey Quamme of the City Engineering Division Mapping Section at (608) 266-4097 if you have any questions regarding the following four (4) items:

26. The pending Certified Survey Map application for this property shall be completed and recorded with the Dane County Register of Deeds (ROD) prior to issuance of any building permits for new construction. When the recorded CSM image is available from the ROD, the Assessor's Office can then create the new Address-Parcel- Owner (APO) data in GEO so that the Accela system can upload this data and sign off permitted by Engineering Mapping.
27. The required 0.42' Public Sidewalk Easement along Atwood Avenue shall be granted by the pending Certified Survey Map.

28. Submit a Floor Plan in PDF format to Lori Zenchenko (lzenchenko@cityofmadison.com) that includes a floor plan for each floor on a separate sheet for the development of a complete interior addressing plan. The Addressing Plan for the entire project shall be finalized and approved by Engineering (with consultation and consent from the Fire Marshal if needed) prior to the application submittal for the final Site Plan Approval with Zoning. The approved Addressing Plan shall be included in the final application.

For any changes pertaining to the location, deletion or addition of a unit, or to the location of a unit entrance, (before, during, or after construction), a revised Address Plan shall be resubmitted to Lori Zenchenko to review addresses that may need to be changed and/or reapproved. The final revised Addressing Plan shall be submitted by the applicant to Zoning to be attached to the final filed approved site plans.

29. The address of 2901 Atwood Ave will be retired with the demolition of the apartment building. The new proposed apartment building is assigned an address of 2905 Atwood Ave. The site plan shall reflect a proper street address of the property as reflected by official City of Madison Assessor's and Engineering Division records.

Please contact Sean Malloy of the Traffic Engineering Division at (608) 266-5987 if you have any questions regarding the following eight (8) items:

30. The applicant shall dedicate the appropriate Right of Way to allow for a eleven (11) foot sidewalk/terrace (five (5) foot terrace, five (5) foot sidewalk and one (1) foot from back of sidewalk for maintenance) adjacent the Atwood Avenue property line.
31. The applicant shall submit one contiguous plan showing proposed conditions and one contiguous plan showing existing conditions for approval. The plan drawings shall be scaled to 1" = 20' and include the following, when applicable: existing and proposed property lines; parcel addresses; all easements; pavement markings; signing; building placement; items in the terrace such as signs, street light poles, hydrants; surface types such as asphalt, concrete, grass, sidewalk; driveway approaches, including those adjacent to and across street from the project lot location; parking stall dimensions, including two (2) feet of vehicle overhang; drive aisle dimensions; semitrailer movement and vehicle routes; dimensions of radii; and percent of slope.
32. The Developer shall post a security deposit prior to the start of development. In the event that modifications need to be made to any City owned and/or maintained traffic signals, street lighting, signing, pavement marking and conduit/handholes, the Developer shall reimburse the City for all associated costs including engineering, labor and materials for both temporary and permanent installations.
33. The City Traffic Engineer may require public signing and marking related to the development; the Developer shall be financially responsible for such signing and marking.
34. All parking facility design shall conform to MGO standards, as set in section 10.08(6).
35. The applicant(s) shall maintain a 5 foot wide, Americans with Disabilities Act (ADA) compliant, pedestrian walkway for the duration of the project on all street frontages classified as a collector or higher. The applicant shall also maintain a 5 foot wide bicycle lane for the duration of the project on all street frontages with existing bicycle facilities. Exceptions to this requirement may be granted by Traffic Engineering on a limited term basis if and when the applicant can show a public safety concern and they

also provide a clear date when the pedestrian/bicycle facilities are to be restored. All closures shall be designed by the applicant, in accordance with the Manual on Uniform Traffic Control Devices (MUTCD), to be submitted and approved by Traffic Engineering.

36. Per Section MGO 12.138 (14), this project is not eligible for residential parking permits. It is recommended that this prohibition be noted in the leases for the residential units.
37. The applicant shall adhere to all vision triangle requirements as set in MGO 27.05 (No visual obstructions between the heights of 30 inches and 10 feet at a distance of 25 feet behind the property line at streets and 10 feet at driveways.). Alteration necessary to achieve compliance may include but are not limited to; substitution to transparent materials, removing sections of the structure and modifying or removing landscaping elements. If applicant believes public safety can be maintained they shall apply for a reduction of MGO 27.05(2)(bb) - Vision Clearance Triangles at Intersections Corners. Approval or denial of the reduction shall be the determination of the City Traffic Engineer.

Please contact Bill Sullivan of the Fire Department at (608) 261-9658 if you have any questions regarding the following one (1) item:

38. The fire access plan shall include the hose length to the exterior portions of the building from the fire lane. The maximum length is 250-ft for buildings with fire sprinkler protection.

Please contact Adam Wiederhoeft of the Water Utility at (608) 266-9121 if you have any questions regarding the following four (4) items:

39. A private well may have served this parcel prior to the municipal water service connection. Any remaining unused/unpermitted private wells existing on this parcel must be properly abandoned according to Wisconsin Administrative Code NR 812 and Madison General Ordinance 13.21 prior to the demolition of the property. Please contact water utility staff at (608) 266-4654 to schedule an on-site private well survey prior to demolition, otherwise for additional information regarding well abandonment procedures and potential well abandonment reimbursement programs.
40. The Madison Water Utility shall be notified to remove the water meter at least two working days prior to demolition. Contact the Water Utility Meter Department at (608) 266-4765 to schedule the meter removal appointment.
41. A Water Service Application Form and fees must be submitted before connecting to the existing water system. Provide at least two working days notice between the application submittal and the requested installation or inspection appointment. Application materials are available on the Water Utility's Plumbers & Contractors website (<http://www.cityofmadison.com/water/plumberscontractors>), otherwise they may be obtained from the Water Utility Main Office at 119 E Olin Ave. A licensed plumber signature is required on all water service applications. For new or replacement services, the property owner or authorized agent is also required to sign the application. A Water Meter Application Form will subsequently be required to size & obtain a water meter establish a Water Utility customer account and/or establish a Water Utility fire service account. If you have questions regarding water service applications, please contact Madison Water Utility at (608) 266-4646.
42. Madison Water Utility will be required to sign off as part of the approval review associated with this Land

Use Application/Site Plan Review prior to the issuance of building permits for the proposed development.

Please contact Sarah Lerner of the Parks/Forestry Division at (608) 261-4281 if you have any questions regarding the following two (2) items:

43. Park Impact Fees (comprised of the Park Infrastructure Impact Fee, per MGO Sec. 20.08(2)), and Park-Land Impact Fees, per MGO Sec. 16.23(8)(f) and 20.08(2) will be required for all new residential development associated with this project. This development is within the East Park -Infrastructure Impact Fee district. Please reference ID# 18136 when contacting Parks about this project.
44. Additional street trees are needed for this project. All street tree planting locations and trees species within the right of way shall be determined by City Forestry. Please submit a site plan (in PDF format) to Brad Hofmann – bhofmann@cityofmadison.com or 266-4816. Tree planting specifications can be found in section 209 of City of Madison Standard Specifications for Public Works Construction

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

Please now follow the procedures listed below for obtaining permits for your project:

1. After the plans have been revised per the above conditions, please file **ten (10) sets** of complete, fully dimensioned, and to-scale plans, the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator, 126 S. Hamilton Street. **This submittal shall all also include one (1) complete digital plan set in PDF format.** The sets of final revised plans or documents will be circulated by Zoning staff to the City department staff listed above for their final approval.
2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
3. A demolition or removal permit is valid for one (1) year from the date of the Plan Commission. Where the plans have not been altered since issuance of the demolition or removal permit and the permit has expired, the Director of Planning and Community and Economic Development may, after consultation with the Alderperson of the District, approve an extension for up to 24 months from the expiration date.
4. A conditional use approval is valid for one (1) year from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted.
5. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.

6. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at 243-0455.

Sincerely,

Colin Punt
 Planner
