..Body

PREAMBLE

That portion of the Lake Edge Neighborhood, north and east of Coldspring Avenue was the recipient of commuter traffic generated by the Monona Grove High School, 4400 Monona Drive. In this instance preferred arterial routes are readily available through the use of CTH BB (Monona Drive and Cottage Grove Road) and CTH AB (Buckeye Road.)

Traffic diverters were installed on Jerome Street at Coldsprings Ave and on Coldsprings Avenue at Bainbridge Street with the authority provided by resolution RES-05-00335 passed by the Common Council on March 29, 2005. After a trial of the diverters, residents in the area were polled in order to determine if there exists support to make the diverters permanent. One-hundred-two (102) ballots were sent to the property owners on Coldspring Avenue, Jerome Street, Bainbridge Street, Winnequah Road and Lakeview Avenue. Seventy-six (76) ballots were returned with fifty-four (54) supporting the permanent installation of the diverters, or seventy-one (71) percent. Twenty-two (22) of the ballots returned did not support the diverters, or twenty-nine (29) percent.
