Support Services

- Vehicles

New Engine 4 & Engine 9 are now in service

Smaller chase that is more maneuverable

Better fuel consumption with an idle reduction system

Old Engines 4 & 9 are moved into a reserve status

Two of the old reserve engines will be auctioned

This is a part of our replacement program with Fleet Services. Vehicles are on a 12-14 year cycle this is based on engine hours. Front line for 8-10 years, Reserve status for 4-5 years and then sold at auction from anywhere between 7,000 ~ 25,000 based on condition and market price.
