Good morning,

I am writing as a concerned citizen who lives at [REDACTED] Glenway St, just several properties away from the proposed apartment/retail building on the corner of Monroe St. and Glenway St. I want to make it known that my husband and myself, along with many neighbors that we have talked to, are not in favor of this project. We moved to the Dudgeon Monroe neighborhood because it is a historic, desirable place to live, with a sense of community and safety. This proposed building would change the whole feel of our community. The developers do not have the best interests of the neighborhood in mind. Parking, street traffic, aesthetics- all of this would be negatively impacted by this building. Please, before making any decisions, take the opinion of those who live and own property in this neighborhood, who love it and invest in it.

Thank you,  
Sarah Hughes
