Event details:

Overview

Ride the Drive is a community event that turns a 6-mile loop of Madison's signature streets (John Nolen Drive, East Washington Avenue and the Capitol Square) into a public promenade that is closed to cars and opened to bikers, walkers, rollerbladers, and those out to share in the experience and fun atmosphere. The free event draws thousands of people to ride, walk and skate on the route, enjoy live music, food, and participate in various public art projects.

History

Ride the Drive was inspired by the Ciclovía in Bogotá, Colombia, where city streets are closed to car traffic to allow people to participate in all kinds of free health and community-oriented events. In celebration of Madison's commitment to bicycling and healthy lifestyles, Madison hosted its first Ride the Drive in 2009. This event has grown in popularity each time - from 20,000 participants in 2009 to close to 75,000 participants for our August 2010 event.

Goals

Ride the Drive has four goals:

- Encourage cycling, walking, and alternative transportation
- Increase health and wellness of the participants
- Increase neighborhood awareness and raise acceptability of bicycling and walking as modes of travel
- Expanding the opportunities to connect individuals to neighborhoods, neighborhoods to commerce and commerce to the entire Madison community

Route

The route will feature a six mile loop downtown that will include a beautiful view of capitol on John Nolen Drive, the bustling State Street, and other highlights. There is no beginning or ending point of the route; participants enter at any point along the 6 miles. The route features "villages" with activities, vendors, and stopping points along the way.
