MEMORANDUM

Date: February 27, 2023

To: Water Utility Board

From: Dan Rodefeld, Operations Manager
Krishna Kumar, General Manager

Subject: Monthly Operations Report

BACKGROUND

Board governance policy requires that Madison residents will receive water which is consistent in its availability and quality. Accordingly, residents will:

- a. Experience minimal unplanned service interruptions
- b. Receive adequate notice of planned service interruptions
- c. Receive adequate notice of planned maintenance work that would significantly reduce water flow or pressure, and/or cause water discoloration

The Operations Section of the Utility strives hard to meet or exceed the expectations laid out above. The attached Monthly Operations Report for January 2024 reflecting these efforts is attached.
