RE: Legistar 91283 & 91150; Accela 'LNDUSE-2025-00089' -- Approval of conditional uses and zoning map amendment at 1936 Tennyson Lane

Dear Dan Holvick:

At its February 2 meeting, the Plan Commission, meeting in regular session, found the standards met and approved your requests for conditional uses for a daycare center, multifamily dwelling, and an assisted living center at 1936 Tennyson Lane. At its February 10 meeting, the Common Council, meeting in regular session, approved your zoning map amendment to rezone 1936 Tennyson Lane from PD to SR-V2. In order to receive final approval of your requests, and for any other permits that may need to be issued for your project, the following conditions shall be met:

Please contact Jacob Moskowitz, Assistant Zoning Administrator at (608) 266-4560 if you have any questions regarding the following one (1) item:

1. Bicycle parking for the daycare center shall comply with the requirements of Sections 28.141(4)(g) and 28.141(11). Provide a minimum of 1 additional short-term bicycle parking stall per 5 employees located in a convenient and visible area on a paved or pervious surface. Bicycle parking shall be located at least as close as the closest non-accessible automobile parking and within one hundred (100) feet of a principal entrance. Note: A bicycle stall is a minimum of two (2) feet by six (6) feet with a five (5) foot wide access area. Provide a detail of the proposed bike rack.

Please contact Jeffrey Quamme of the City Engineering Division – Mapping Section at (608) 266-4097 if you have any questions regarding the following one (1) item:

2. Submit a site plan and a complete building Floor Plan in PDF format to Lori Zenchenko (lzenchenko@cityofmadison.com) that includes a floor plan of each floor level on a separate sheet/page for the development of a complete interior addressing plan.
The Addressing Plan for the entire project shall be finalized and approved by Engineering (with consultation and consent from the Fire Marshal if needed) PRIOR to the verification submittal stage of this LNDUSE with Zoning. The final approved Addressing Plan shall be included in said Site Plan Verification application materials or a revised plan shall provided for additional review and approval by Engineering.

Per 34.505 MGO, a full copy of the approved addressing plan shall be kept at the building site at all times during construction until final inspection by the Madison Fire Department.

For any changes pertaining to the location, deletion or addition of a unit, or to the location of a unit entrance, (before, during, or after construction), a revised Address Plan shall be resubmitted to Lori Zenchenko to review addresses that may need to be changed and/or reapproved.

Please contact Sean Malloy of the Traffic Engineering Division at (608) 266-5987 if you have any questions regarding the following two (2) items:

3. Applicant shall submit for review a drop off and pickup plan.
4. The applicant shall adhere to all vision triangle requirements as set in MGO 27.05 (No visual obstructions between the heights of 30 inches and 10 feet at a distance of 25 feet behind the property line at streets and 10 feet at driveways.). If applicant believes public safety can be maintained they shall apply for a waiver of MGO 27.05(2)(bb) - Vision Clearance Triangles at Intersections Corners. Approval or denial of the waiver shall be the determination of the City Traffic Engineer. Contact Jeremy Nash with Traffic Engineering at 608-266-6585 or jnash@cityofmadison.com to begin waiver process.

Please contact Tim Sobota of Metro Transit at (608) 261-4289 if you have any questions regarding the following two (2) items:

5. Metro Transit operates daily all-day transit service along Tennyson Lane adjacent this property - with trips at least every 60 minutes (every 30 minutes or less during the day on weekdays).
6. Metro Transit would initially estimate the following counts of potentially eligible trips towards US Green Building Council/LEED Quality Access to Transit points: 32 Weekday & 17 Weekend. Please contact Metro Transit if additional analysis would be of interest.

Please contact Trent Schultz of the Parking Utility at (608) 246-5806 if you have any questions regarding the following one (1) item:

7. The agency reviewed this project and determined a Transportation Demand Management (TDM) Plan could be required as part of approving the rezoning and proposed use. Please specify the expected number of parking stalls that will be assigned to the proposed use, and the square footage of the tenant space.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

Please now follow the procedures listed below for obtaining your conditional use and any necessary permits:

1. After the plans have been revised per the above conditions, please **one (1) complete digital plan set in PDF format** of complete, fully dimensioned, and to-scale plans; the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code; and any other documentation requested herein to the Zoning Administrator at SPRapplications@cityofmadison.com. (Note that that an individual email cannot exceed 20MB and it is the responsibility of the applicant to present files in a manner that can be accepted. Please email zoning@cityofmadison.com regarding questions or if you need alternative filing options) The sets of final revised plans or documents will be circulated by Zoning staff to the City department staff listed above for their final approval.
2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
3. The conditional use approval is valid for three (3) years from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted. Where the plans have not been altered from the Plan Commission's approval, and the conditional use has expired, the Director of Planning and Community and Economic Development may, after consultation with the Alderperson of the District, approve an extension for up to one (1) year from the expiration date.
4. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.
5. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 243-0455.

Sincerely,

Colin Punt
Planner

cc: Jacob Moskowitz, Asst. Zoning Administrator
Jeff Quamme, City Engineering Division – Mapping
Sean Malloy, Traffic Engineering Division
Tim Sobota, Metro Transit
Trent Schultz, Parking Utility

I hereby acknowledge that I understand and will comply with the above conditions of approvals.
