The principal of and premium, if any, on the Bonds shall be payable in lawful money of the United States of America at the principal corporate trust office of the bank, trust company or national banking association designated in Section 7 of this resolution. Interest on the Bonds shall be payable in lawful money of the United States of America on each interest payment date to the registered owners of record thereof appearing on the registration books maintained by the City for such purpose at the principal corporate trust office of the bond registrar, as of the close of business on the fifteenth day of the calendar month next preceding the applicable interest payment date. Interest on the Bonds shall be paid by check or draft mailed to such registered owners at their addresses appearing on the registration books.

The Bonds maturing on or after October 1, 2031, are subject to redemption prior to maturity as a whole or in part at the option of the City upon notice as herein provided, in any order of maturity at the discretion of the City and by lot within a single maturity, on October 1, 2030, and on any date thereafter, at a redemption price equal to 100% of the principal amount thereof to be redeemed plus accrued interest to the redemption date and without premium.

In the event of the redemption, of less than all the Bonds of like maturity, the aggregate principal amount thereof to be redeemed shall be \$5,000 or an integral multiple thereof, and the bond registrar shall assign each Bond of such maturity a distinctive number for each \$5,000 principal amount of such Bond and shall select by lot from the numbers so assigned as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds to which were assigned the numbers so selected, provided that only so much of the principal amount of each Bond shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected.

Notice of the redemption of Bonds shall be mailed by the bond registrar not less than 30 days nor more than 60 days prior to the date fixed for such redemption to the registered owners of Bonds to be redeemed at their last addresses appearing on said registration books. The Bonds or portions thereof specified in said notice shall become due and payable at the applicable redemption price on the redemption date therein designated, and, if, on the redemption date, moneys for payment of the redemption price of all the Bonds or portions thereof to be redeemed, together with interest to the redemption date, shall be available for such payment on said date, then from and after the redemption date interest on such Bonds or portions thereof shall cease to accrue and shall become payable. If there shall be drawn for redemption less than all of a Bond, the City shall execute and the bond registrar shall authenticate and deliver, upon the surrender of such Bond, without charge to the owner thereof, for the unredeemed balance of the Bond so surrendered, Bonds of like maturity and of the denomination of \$5,000 or any integral multiple thereof.

The Bonds may be initially issued in temporary form and shall be exchanged for definitive printed Bonds as soon as possible. The temporary Bonds shall be executed as provided herein and shall be in substantially the form set forth in Section 5 hereof.

Section 3. Execution and Authentication of Bonds. The Bonds shall be executed in the name of the City by the manual or facsimile signatures of its Mayor and City Clerk and the corporate seal of the City, or a facsimile thereof, shall be thereunto affixed, impressed or otherwise reproduced thereon.

In case any officer whose signature, or a facsimile of whose signature, shall appear on any Bonds shall cease to hold such office before the issuance of the Bonds, such Bonds shall nevertheless be valid and sufficient for all purposes, the same as if the person whose signature, or a facsimile thereof, appears on such Bonds had not ceased to hold such office. Any Bond may be signed, sealed or attested on behalf of the City by any person who, on the date of such act, shall hold the proper office, notwithstanding that at the date of such Bond such person may not have held such office. No recourse shall be had for the payment of any Bonds against any officer who executes the Bonds.

The Bonds shall bear thereon a certificate of authentication executed manually by the bond registrar. No Bond shall be entitled to any right or benefit under this resolution or shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the bond registrar.

Section 4. General Obligations. The full faith and credit of the City are hereby irrevocably pledged to the punctual payment of the principal of and interest on the Bonds. The Bonds shall be direct and general obligations of the City, and the City shall be obligated to levy ad valorem taxes upon all the taxable property in the City for the payment of the Bonds and the interest thereon, without limitation as to rate or amount.

Section 5. Form of Bonds. The Bonds shall be issued as fully registered Bonds and shall be in substantially the following form, the blanks to be appropriately completed when the Bonds are printed:

Section 6. Transfer, Exchange and Registry. The Bonds shall be negotiable, subject to the provisions for registration of transfer contained herein. Each Bond shall be transferable only upon the registration books maintained by the City for that purpose at the principal corporate trust office of the bond registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the bond registrar and duly executed by the registered owner or his duly authorized attorney. Upon the surrender for transfer of any such Bond, the City shall execute and the bond registrar shall authenticate and deliver a new Bond or Bonds registered in the name of the transferee, of the same aggregate principal amount, maturity and interest rate as the surrendered Bond. Bonds, upon surrender thereof at the principal corporate trust office of the bond registrar, with a written instrument satisfactory to the bond registrar, duly executed by the registered owner or his attorney duly authorized in writing, may be exchanged for an equal aggregate principal amount of Bonds of the same maturity and interest rate and of the denominations of \$5,000 or any integral multiple thereof.

For every such exchange or registration of transfer of Bonds, the City or the bond registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. No other charge shall be made for the privilege of making such transfer or exchange.

The bond registrar shall not be required to transfer or exchange any Bond after notice of the redemption of all or a portion thereof has been mailed. The bond registrar shall not be required to transfer or exchange any Bond during a period of 15 days next preceding the mailing of a notice of redemption that could designate for redemption all or a portion of such Bond.

The City and the bond registrar may deem and treat the person in whose name any Bond shall be registered upon the registration books as the absolute owner of such Bond, whether such

Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of, premium, if any, or interest thereon and for all other purposes whatsoever, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sums or sums so paid, and neither the City nor the bond registrar shall be affected by any notice to the contrary.

In order to provide for the initial issuance of the Bonds in a form that provides for a system of book-entry only transfers, the ownership of one fully registered Bond for each maturity in the aggregate principal amount of such maturity shall be registered in the name of Cede & Co., as a nominee of The Depository Trust Company, New York, New York (“DTC”). In the event that the City determines that the system of book-entry only transfers through DTC (or a successor securities depository) is not in the best interests of the Beneficial Owners (as hereinafter defined) of the Bonds or is burdensome to the City, the City may notify DTC, whereupon DTC will notify the DTC Participants (as hereinafter defined) of the availability through DTC of Bond certificates. In such event, the City shall issue and the bond registrar shall authenticate, transfer and exchange Bond certificates as requested by DTC of like principal amount, series and maturity, in denominations of \$5,000 or any integral multiple thereof to the identifiable Beneficial Owners, in replacement of such Beneficial Owners’ beneficial interests in the Bonds. For the purposes of this paragraph, the term “Beneficial Owners” shall mean (a) those persons for whom DTC was created to hold their securities (“DTC Participants”), and (b) the persons for whom the DTC Participants acquire interests in the Bonds as nominees.

Section 7. Bond Registrar. The City has initially contracted with and designated U.S. Bank National Association, St. Paul, Minnesota, to serve as fiscal agent pursuant to Section 67.10(2), Wisconsin Statutes, and as bond registrar. The City covenants that it shall at all times retain a bank, trust company or national banking association to act as bond registrar with respect to the Bonds, that it will maintain at the designated office of such bond registrar a place where Bonds may be presented for payment and registration of transfer or exchange and that it shall require that the bond registrar maintain proper registration books and perform the other duties and obligations imposed upon it by this resolution in a manner consistent with the standards, customs and practices of the municipal securities business.

The bond registrar shall signify its acceptance of the duties and obligations imposed upon it by this resolution by executing the certificate of authentication on any Bond, and, by such execution, the bond registrar shall be deemed to have certified to the City that it has all requisite power to accept, and has accepted, such duties and obligations not only with respect to the Bond so authenticated but with respect to the Bonds. The bond registrar is the agent of the City and shall not be liable in connection with the performance of its duties except for its own negligence or default. The bond registrar shall, however, be responsible for any representation in its certificate of authentication on the Bonds.

The City may remove the bond registrar at any time. In case at any time the bond registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the bond registrar, or of its property, shall be appointed, or if any public officer shall take charge or control of the bond registrar or of its property or affairs, the City covenants and agrees that it will thereupon

appoint a successor bond registrar. The City shall mail notice of such appointment made by it to each registered owner of Bonds within 20 days after such appointment.

Section 8. Sale of Bonds. The sale of \$22,600,000 General Obligation Corporate Purpose Bonds, Series 2020-B, to Raymond James & Associates, Inc., at a price of \$23,833,395.00 and accrued interest to the date of delivery is hereby ratified and confirmed. A summary of the bids received and a copy of the successful bid are attached to this resolution.

Section 9. Borrowed Money Fund. The principal proceeds from the sale of the Bonds shall be paid into the City treasury and entered in a fund separate and distinct from all other funds, which fund shall be designated “General Obligation Corporate Purpose Bonds, Series 2020-B, Borrowed Money Fund.” Money in said fund shall be used solely for the purposes for which the Bonds were issued, including repayment of any temporary loan or reimbursement of any temporary advance made in anticipation of the issuance of said Bonds.

Section 10. Tax Levy. For the purpose of paying the principal amounts of the Bonds as the same shall mature, and to pay the interest thereon as the same shall come due, there is hereby levied, for each year in which any of the Bonds shall be outstanding, direct, annual, irrevocable taxes in amounts fully sufficient to pay such principal and interest, and the specific amounts levied for each year are as follows:

Year of Levy	Amount of Principal and Interest (\$)

Section 11. Extension of Taxes. The amounts of taxes levied pursuant to Section 10 hereof shall be carried onto the tax roll by the City from year to year and collected as other taxes are collected; and such amounts may be reduced in any year only by any amount of surplus money in the Debt Service Fund created pursuant to Section 67.11, Wisconsin Statutes.

Section 12. Debt Service Fund. There is hereby created a fund to be known as “General Obligation Corporate Purpose Bonds, Series 2020-B, Debt Service Fund” to be established and maintained in accordance with generally accepted accounting principles. Into this Debt Service Fund, there shall be deposited the following: (a) all premium and accrued interest from the sale of the Series 2020-B Bonds; (b) all money raised by taxation pursuant to Section 10 hereof allocable to the Series 2020-B Bonds; (c) any surplus in the Borrowed Money Fund created in Section 9 hereof for the Series 2020-B Bonds; and (d) such additional amounts as may at any time be necessary to pay the principal of and interest on the Series 2020-B Bonds as the same shall become due.

Section 13. Application and Investment of Bond Proceeds. Following the sale of the Bonds, the Mayor and City Clerk are hereby authorized and directed to cause the Bonds to be printed, and to execute and deliver the Bonds to the purchasers thereof upon payment therefor; and the principal proceeds from the sale of the Bonds shall be used only for the purposes and in the manner required by law and by this resolution. The proceeds may be invested in the manner permitted by law, subject to the restrictions contained in the next succeeding section.

Section 14. Tax Covenants.

(a) The City shall not take, nor omit to take, any action that is lawful and within its power to take, which action or omission would cause interest on any Bond to become subject to federal income taxes in addition to federal income taxes to which interest on such Bond is subject on the date of issuance thereof.

(b) The City shall not permit any of the proceeds of the Bonds, or any facilities financed with such proceeds, to be used in any manner that would cause any Bond to constitute a “private activity bond” within the meaning of Section 141 of the Internal Revenue Code of 1986 (the “Code”).

(c) The City shall not permit any of the proceeds of the Bonds or other moneys to be invested in any manner that would cause any Bond to constitute an “arbitrage bond” within the meaning of Section 148 of the Code.

(d) The City shall comply with the provisions of Section 148(f) of the Code relating to the payment of certain investment earnings at periodic intervals to the United States of America; provided, however, that such payment shall not be required to the extent the City receives an opinion of nationally recognized bond counsel (which opinion may be given in reliance upon a ruling or rulings of the Internal Revenue

Service) to the effect that such payment is not necessary to preserve the exemption from federal income taxes of interest on the Bonds.

Section 15. Continuing Disclosure. In connection with the sale of the Bonds, the Finance Director or his designee (an “Authorized Officer”) is hereby authorized to execute and deliver a Continuing Disclosure Undertaking (the “Continuing Disclosure Undertaking”) evidencing the City’s agreement to comply with the requirements of Section (b)(5) of Rule 15c2-12, adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934. Upon its execution and delivery on behalf of the City as herein provided, the Continuing Disclosure Undertaking will be binding on the City, and the officers, employees and agents of the City are hereby authorized to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of the Continuing Disclosure Undertaking as executed. Any Authorized Officer is hereby further authorized to amend the Continuing Disclosure Undertaking in accordance with its respective terms from time to time following its execution and delivery as said officer shall deem necessary. In addition, an Authorized Officer is authorized to make or cause to be made all future filings with the Municipal Securities Rulemaking Board with respect to any debt obligations, all in accordance with the provisions of Securities and Exchange Commission Rule 15c2-12(b)(5) promulgated under the Securities Exchange Act of 1934. Notwithstanding any other provision of this Resolution, the sole remedies for any failure by the City to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any applicable Bond to seek mandamus or specific performance by court order to cause the City to comply with its obligations under the Continuing Disclosure Undertaking.

Section 16. Defeasance and Payment of Bonds.

(a) If the City shall pay or cause to be paid to the registered owners of a series of Bonds the principal, premium, if any, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this resolution, then the pledge of taxes, securities and funds hereby pledged and the covenants, agreements and other obligations of the City to the registered owners and the beneficial owners of such Bonds shall be discharged and satisfied.

(b) Any series of Bonds, whether at or prior to the maturity or the redemption date of such Bonds, shall be deemed to have been paid within the meaning of this Section if (i) in case any such Bonds are to be redeemed prior to the maturity thereof, there shall have been taken all action necessary to call such Bonds for redemption and notice of such redemption shall have been duly given or provision shall have been made for the giving of such notice, and (ii) there shall have been deposited in trust with a bank, trust company or national banking association acting as fiduciary for such purpose either (A) moneys in an amount which shall be sufficient, or (B) ”Federal Obligations” as defined in paragraph (c) of this Section, the principal of and the interest on which when due will provide moneys which, together with any moneys on deposit with such fiduciary at the same time for such purpose, shall be sufficient to pay when due the principal of, redemption premium, if any, and interest due and to become due on said Bonds on and prior to the applicable redemption date or maturity date thereof.

(c) As used in this Section, the term “Federal Obligations” means (i) noncallable, direct obligations of the United States of America, (ii) noncallable and nonprepayable, direct obligations of any agency of the United States of America, which are unconditionally guaranteed by the United States of America as to full and timely payment of principal and interest, (iii) noncallable, nonprepayable coupons or interest installments from the securities described in clause (i) or clause (ii) of this paragraph, which are stripped pursuant to programs of the Department of the Treasury of the United States of America, or (iv) coupons or interest installments stripped from bonds of the Resolution Funding Corporation.

Section 17. Resolution To Constitute a Contract. The provisions of this resolution shall constitute a contract between the City and the owner or owners of the Bonds. Any pledge made in this resolution and the provisions, covenants and agreements herein set forth to be performed by or on behalf of the City shall be for the equal benefit, protection and security of the owners of any and all of the Bonds of a series. All of the Bonds of a series, regardless of the time or times of their issuance, shall be of equal rank without preference, priority or distinction of any of the Bonds over any other thereof except as expressly provided in or pursuant to this resolution. This resolution shall constitute full authority for the issuance of the Bonds, and to the extent that the provisions of this resolution conflict with the provisions of any other resolution of the City, the provisions of this resolution, as amended, shall control. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

Section 18. Notice. The City Clerk is authorized to publish a notice of the issuance of the Bonds as a class 1 notice pursuant to Section 893.77, Wisconsin Statutes.

Section 19. Effective Date. This resolution shall become effective immediately upon its passage, the public welfare requiring it.
