

Please refer the Baldwin Street Grill (1304 E Washington Ave) alcohol license application to your June 19 meeting. The applicant had not contacted the neighborhood association to schedule a meeting when I last spoke to him on May 10. When I spoke to representatives of the Tenney Lapham Neighborhood Association they expressed concern about issues related to the bar. The next regularly scheduled neighborhood meeting is June 13 at which time they will meet with the applicant and discuss the alcohol license application.

Thank you.
Ledell
