Hello, please forward the following message to the Madison Arts Commissioners:

Thank you for your support yesterday and listening to my needs as an artist. I appreciate your continued enthusiasm for the Metro project, while recognizing the impact of the delay and real limitations that the new re-siding project has posed for me.

Thanks for being thoughtful in your recommendation, to honor the integrity of the Metro art project and give me the support and flexibility I need to update the proposal in a way that makes sense for a 2026 timeline.

I am happy to provide you an update at a later date and look forward to chatting more then.

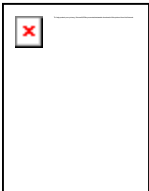

All the best,

Jenie
