**Subject:** To the ALRC re. Lakeside Street Entertainment License

ALRC members,

I'll be attending the ALRC meeting tonight but I wanted to send my thoughts ahead.

On Monday I hosted a very successful listening session with neighbors in Bay Creek to discuss the Lakeside Street Cafe Entertainment License. With the help of the excellent agreement created between neighbor Donna Page and owner Kate Burmeister (in mediation with Judge Moeser) we had a civil, detailed, and fully open discussion about the various factors involved. All of the (~20) people in attendance were in favor of the agreement or something more permissive, including Kate Burmeister, Donna Page, and many neighbors who were formerly opposed to the license. We went point-by-point through the agreement and I identified the few points which couldn't be added to the license for legal/enforcement issues, which were then discussed to the satisfaction of the group.

It is my firm belief that the following conditions represent a compromise that is not merely a middle-ground, but is acceptable to all. Further, through execution of the public deliberative process over the past months, and the restrictions and cautions recommended herein, I am satisfied that the applicant's violations of the Cease and Desist Order are brought to account.

I recommend the ALRC approve the license with the following conditions:

1. No live entertainment beyond 10PM.
2. No DJs.
3. Wed. & Thur. music limited to small amplification such as a small boombox/ipod dock.
4. Fri. & Sat. music allowed in any room, however music with ~~low~~ bass (e.g. bass guitars, drums, or electronic bass) must be held in the back "Lake" room.
5. Music for private parties must be held in the back "Lake" room.
6. This entertainment license will be separated when it comes up for renewal.
