Dear Matt,

I'm at home recovering from knee replacement surgery or I would be present at tonight's Plan Commission Meeting.

However, I wish to state my support to the Plan Commission for the proposed 8-unit apartment building by Goodwill at 4829 Anniversary Lane.

As you are aware, I've had 2 well attended meetings with residents from the immediate area to address their concerns and questions regarding the Goodwill Project. In addition I've met several times with the Goodwill people and have also toured 2 of their apartment properties. Goodwill is a class act and their properties are well maintained. The neighborhood has no problem with the proposed project and I feel comfortable as the alder for the area to give my support.

I urge the Plan Commission to adopt both the conditional use and the binding agreement for Goodwill Industries of South Central Wisconsin to construct the proposed project at 4829 Anniversary Lane.

Thank you.
