Hi Amy,

Please also forward to Lamdmarks Commission members and add to Legistar. Thanks, Shiva

Subject: FW: [Regent] 209 N Prospect Ave Proposal- Neighborhood Meeting Feb 24 at 6pm

Hi just a reminder I will not be at the neighborhood meeting tomorrow. Just want to once again voice my concerns regarding this project. I feel strongly it should remain a green space. If something is built I hope there is enough attention to all the details. Those of us who have renovated our homes held ourselves to a preservationists outcome. I hope this will be reviewed as thoroughly. Thank-you, Lisa Kisling
