City Engineer 
RE: November 29th Common Council meeting, items to be referred

Item #86, ID 02230: Approving plans and specifications and authorizing the Board of Public Works to advertise and receive bids for Wingra Creek Parkway Improvements – Phase I, Contract No. 5889.

This item requires referral back to the Board of Public Works. Issues that still need to be resolved include Chapter 30 permitting of the project by the DNR and negotiating the right of entry with Union Pacific Railroad.
