Safety and Security Plan**

Security Personnel at Concerts on the Square includes:

- 2 City of Madison Police Officers
- 2 State Capitol Police Officers
- 2 private Security Guards, 1 posted at the Beverage Booth, the other at the Corner of E. Wash and Pinckney to keep the intersection clear.
- 100+ Volunteers, 20 Crew members and WCO Staff.

How we help ensure Safety at Concerts on the Square:

- Staff is connected via 2-way, 4 channel Motorola radios with a 2 mile radius. Channel 4 is reserved solely for Emergency situations.
- Staff is connected to the City agencies and the Capitol via cell phones and through frequent personal contact throughout the event.
- WCO Staff, Crew and Volunteers follow set protocols for a variety of Safety and Security concerns.
- First Aid is available at the Information Booth. First Aid kits are located at the Information Booth, at the Stage and at the Crew home base.

We Care about Recycling!

Concerts on the Square[®]

- There are 55 locations where patrons can take their trash and recycling throughout the event grounds. It's easy to locate recycling containers; each trash barrel is paired with a clearly marked bright yellow recycling container.
- Recycling and trash container liners are changed out frequently; the crew changes bags when the container is half full. A container with plenty of room in it invites people to take the time to sort recycling from trash and makes recycling easy for even the youngest concert goers. It also ensures that the liner can accommodate the weight of its contents.
- Food vendors are encouraged to use recycled / recyclable packaging materials.
- The cups at the beverage booth are made of recyclable materials.
- Soft drinks sold at the beverage booth are packaged in recyclable materials.
- Cardboard boxes from the beverage area and food vendors are broken down flat and put with other materials being recycled.
- A pre-concert announcement reminds patrons to take their trash and recycling to the appropriate containers on the grounds.
- We act as a resource for other special events in Madison, sharing how we recycle and encouraging them to follow suit by providing information and contacts to make recycling accessible and easy.
- Our patrons are avid recyclers; each evening ends with as many recycling bags as trash bags!
