Hello Meghan ,

Thanks for the email and share information about the late night vending .

I m interested for participating as vendor New State St Night Vending Program .

One thing that I really interested it's the vending hours

From 4 pm to midnight .

Unlike the old late night vending hours usually started around After 9 or 10 pm and finished around 2-3 am or atleast After midnight . Thats very late and other reason because the safety issue when vending at late night .

But The new hours vending is like normal dinner hours or like night market hours .

My question is :

Whats The qriteria to become a vendor for night vending program

Do We have to participate for Food Cart review or no need ?

Does vendor its base on seniority point or not ?

How much The fee for this program ?

Can I participate for next Year season night vending program ?

I m looking to heard from you soon

Thank you
