2 DESCRIPTION OF SERVICES/COMMODITIES

2.1 Overview

The City is seeking proposals to manage the newly created Business Ready (“BizReady”) Program. This initiative is a part of the City of Madison’s ongoing effort to assist businesses led by owners who are diverse in terms of race, gender and other demographics typically underrepresented in the business community, and who provide needed goods and services to the local community. The BizReady program will recruit participants and provide a combination of training, technical assistance, mentoring, and micro-enterprise grants to help raise quality of life, increase wealth and jobs, and empower Madison’s communities of color. The City is seeking a BizReady Administrator with the skill and experience to manage the Program, including the micro-enterprise funding and the training/technical assistance components through strategic planning and partnerships.

2.2 Project Background

Over the last several years, the City of Madison has made strides in closing racial economic disparities in key categories such as unemployment and income levels. Further, numerous city-sponsored initiatives have improved conditions for Madison’s most vulnerable populations through programs focused on affordable housing, workforce training, food access, and transportation.

However, Madison still has progress to make in equalizing economic quality of life indicators between White residents and residents of color. In particular, Madison needs to do more to support diverse entrepreneurship. Data shows that while communities of color represent ~27% of the City of Madison’s population, business ownership rates for people of color tracks much lower (between 3-9% using varying metrics) within the City.

Entrepreneurship and business ownership is a vital pathway to economic empowerment. For Madison to truly embrace the goals of racial equity, the City must go beyond programs focused on addressing basic needs, and direct more resources and strategies toward building wealth and economic empowerment among communities that are not sharing in the City’s prosperity.

Further, retention of residents of color is a challenge within the City of Madison, and the State of Wisconsin at-large, as these community members often report feeling socially isolated within the City. Some of the contributing factors to this include a shortage of venues owned by people of color and venues where people of color regularly congregate.

The BizReady Program is designed to address these inter-related issues by identifying, and supporting entrepreneurship among communities of color and other under-represented populations.

2.3 The Purpose of the Business Ready (BizReady) Program

Enhancing opportunities for people to start successful businesses is a powerful force for upward mobility and financial independence for communities of color, immigrant communities, and low-income populations. Creating more stable and successful businesses in Madison that are owned by people of color can propel families into the middle class and create businesses that are statistically more likely to hire other people of color.

The complexity of regulation, permitting, financing, and licensing creates barriers to business ownership for communities of color, low-income populations, and immigrants. These systems favor business owners that may already know how to navigate these processes, have networks with attorneys and bankers, speak English as a first language, have access to other experts that can help them, and feel comfortable interacting with government officials. By improving business assistance services and focusing on breaking down these barriers, the BizReady Program will improve opportunities for more Madison residents to start businesses.

The BizReady Program will focus on developing entrepreneurs who are prepared to succeed as independent businesses operating within the City of Madison. It will emphasize recruiting participants from startup, small, and early-stage businesses that have an interest in additional support to help their business grow and succeed.

2.4 How the BizReady Program Will Work

The Madison BizReady Program is modeled after the Madison Public Market's MarketReady Program and will recruit and prioritize entrepreneurs with business concepts that reflect retail or service enterprises that benefit the Madison community. Like the MarketReady Program, BizReady will prioritize the selection of entrepreneurs that are historically under-represented among Madison's business owners. The BizReady program will offer direct business coaching, curated workshops and training, and access to grants and funding.

BizReady will be an 18-24mo long program that offers participants the ability to receive grant funds to cover startup costs related to securing licensure, creating a business entity, purchasing supplies, etc. At the end of the program, participants will be eligible to receive a completion grant to cover additional startup costs that could include renting space or purchasing equipment. The BizReady Program will be a training, technical assistance, and micro-enterprise grant program designed to help entrepreneurs who are ready to start or grow their business. The program will focus on preparing business plans, establishing any required permits or licenses, developing marketing plans, defining equipment needs, and participating in training and technical assistance programs.

The goal is for BizReady participants to complete the program and then start operating their business or take on activities to expand their existing business. It is expected that at least 25 entrepreneurs will participate in the BizReady Program and that at least \$75,000 (\$3,000/participant) in funding will be allocated for direct financial assistance to participants.

Within the larger BizReady Program cohort, the City of Madison also encourages the development of specialized cohorts that focus on particular business sectors such as childcare, arts and crafts, food service, etc. and areas such as Downtown to help recover from the pandemic.

2.5 Business Ready Administrators

Through this Request for Proposals (RFP) process, the City intends to engage a community partner to administer the BizReady Program. This administrator will be chosen based on their RFP response. The Administrator will coordinate all of the BizReady programming, manage BizReady grant funds, create a package of training, technical assistance, mentoring and micro-enterprise grants and manage the process. The ideal organization and/or team to serve in this role will have expertise and experience in managing micro-enterprise funding programs, experience with entrepreneurship, and experience providing training and technical assistance to diverse small businesses. Further, in accordance with our equity goals, the BizReady Program will emphasize supporting BIPOC populations, and other populations that face historic barriers to starting businesses. It is expected that at least 25 entrepreneurs will participate in the BizReady Program and that at least \$75,000 (\$3,000/participant) in funding will be allocated for direct financial assistance to participants.

2.6 Micro-Enterprise Grant Eligible Costs Examples

The City will work with the selected BizReady Administrator on the details of the program and eligible uses of BizReady grant funding. The following is a preliminary list of the types of activities the City envisions participants using the funding for:

- Training – Grantees could use BizReady funds for fees associated with workshops, classes, and other training programs that will support the growth and success of the participating business. Examples could include workshops or classes on business planning, financing, marketing, licensing, or any topic related to starting or growing a successful business. Grantees would be

eligible to use funds to take such classes from a variety of community providers. The BizReady Administrator will also likely develop custom training and technical assistance classes as part of the Program, and the Administrator can also help participants identify and enroll in other business supports programs as well.

- Marketing/Branding/Website – Grantees could use BizReady funds for costs associated with marketing and branding. This could include engaging professional services to develop a marketing plan, logo, product labels and supporting graphics. This could also include costs associated with creating a website and social media presence.
- Licensing/Permits – BizReady funds can be used for fees associated with any required local, state, or federal licensing or permits.
- Incorporation Costs – BizReady funds can be used for costs associated for establishing a new business enterprise, such as filing to establish an LLC.
- Trademark Filing – BizReady funds can be used for legal fees associated with filing for a Trademark.
- Product Testing – BizReady funds can be used for various product testing requirements.
- Supplies/Equipment – Funds can be used to purchase necessary supplies and equipment.

2.7 Scope of Work

The City is interested in retaining an administrator to oversee the BizReady program, including coordinating and providing the training/technical assistance and managing the micro-enterprise funding program. Agencies and organizations that are focused on providing capital and technical assistance to small businesses are encouraged to submit a proposal. Agencies and organizations that demonstrate a clear emotional intelligence and understanding of the target entrepreneur demographics (BIPOC, low-income, other historically marginalized populations) are encouraged to submit a proposal. The anticipated tasks for the BizReady Administrator include:

1. Task 1: Create the details of the BizReady Program - The first step would be to create the structure of the BizReady Program. This would include working with the City to organize the training and technical assistance programming, eligibility requirements for prospective participants, the application process for participants, the selection process, working with partners on programming, and setting up the fund.
2. Task 2: Recruiting Participation – Task 2 will focus on outreach to identify and recruit potential participants in the BizReady Program.
3. Task 3: Manage Application and Selection Process – Task 3 would be soliciting applications from BizReady program participants, creating a system to evaluate applications, and administering the selection process.
4. Task 4: Administer the Training and Technical Assistance Programming – Task 4 would be managing, coordinating, and directing the technical assistance and training elements of the BizReady Program. This would include designing classes and seminars, coordination of events, lining-up instructors, coordinating site visits, etc.
5. Task 5: Administering the BizReady Micro-Enterprise Grants Fund – Task 5 is managing the BizReady Micro-Enterprise Grants Fund. This would include setting up the fund, awarding grants to participants, processing payments, managing all reporting requirements, etc.
6. Task 6: One-on-One Assistance to Participants – Task 6 is focused on providing individual assistance and support to BizReady participants. The Administrator will have periodic meetings with each participant to help them plan their next steps, find resources, and make progress.
7. Task 7: Communication, Reporting, & Evaluation – This scope of work would be done in coordination with city staff. The chosen administrator will include in their scope of work a formal evaluation process that examines and analyze the challenges and successes of the program,

based on quantitative data (# of business plans completed, # of participating businesses, funding leveraged by participants, etc) and qualitative data (participant interviews on program impact). A robust pre/on-going/post participant surveying process is a base requirement for the selected administrator. The selected administrator would also be asked to provide a monthly report to the Economic Development Committee at their meetings. The Administrator will be asked to provide a final report at the completion of the program that summarizes the results.

2.8 Budget

The City's Budget for the BizReady Program is \$300,000. This funding includes costs needed to manage and administer the training and technical assistance work, as well as funds that would be packaged into the micro-enterprise grants. The City is very interested in partners who can leverage the City's funding commitment with additional outside resources. Overhead/F&A expenses are limited to 10% of total city funds for the BizReady Program.

2.9 Fund Administrator Requirements

Organizations with experience providing capital and technical assistance to small businesses are encouraged to submit a proposal. The City is particularly interested in organizations that have proven records of accomplishment successfully working with and empowering entrepreneurship among people of color, women, low-income populations, and immigrant communities.

2.10 Specific Preferred Experience and Expertise

- Experience with fund management, particularly micro-enterprise funding for small businesses.
- Experience providing technical assistance to small businesses including business planning.
- Experience empowering people of color and other historically marginalized populations in entrepreneurship.
- Experience implementing strategies that illustrate organizational awareness/possession of emotional intelligence and the ability to work with clientele of different backgrounds.
- Experience training and supporting entrepreneurs.

Recognizing that this is a wide range of expertise, the City would welcome applications from teams.

1. General. Throughout this document, "City of Madison," "City" and "Purchasing" shall be synonymous and mean the City of Madison. The words "bid" and "proposal" are synonymous, as are the words "bidder," "proposer" and "contractor." The phrases "request for proposal," "invitation for bids," "request," "invitation," and "solicitation" shall also be synonymous.

As applied to the winning or selected bidder, the words "bid," "proposal," and "contract" are synonymous.

2. Entire Agreement, Order of Precedence. These standard terms and conditions shall apply to any Purchase Order issued as a result of this Request for Bid/Proposal, except where expressly stated otherwise in the RFP or in a written instrument covering this purchase signed by an authorized representative of the City and the Contractor, in a form approved by the City Attorney (a "Separate Contract"). If such a separate contract is executed it shall constitute the entire agreement and no other terms and conditions, whether oral or written, shall be effective or binding unless expressly agreed to in writing by the City.

If a Separate Contract is not executed, these Standard Terms and Conditions, the City's request for proposals, the version of the vendor's bid that was accepted by the City, and the City's Purchase Order (if any) shall constitute a contract and will be the entire agreement.

Order of Precedence: If there is a conflict between this Section A and any terms in the vendor's accepted bid or proposal, this Section A shall control unless the parties expressly agree to another order of precedence, in writing. If there is a conflict between this Section A and a Separate Contract, the terms and conditions of the Separate Contract shall control.

I. TERMS FOR SUBMISSION OF BIDS: The following section applies to the bid/selection process only.

3. This invitation for bids does not commit the City to award a contract, pay any costs incurred in preparation of bids, or to procure or contract for services or equipment. The City may require the bidder to participate in negotiation and to submit such additional price or technical or other revisions to his or her bids as may result from negotiation. The bidder shall be responsible for all costs incurred as part of his or her participation in the pre-award process.

The City reserves the right to accept or reject any or all bids submitted, in whole or in part, and to waive any informalities or technicalities which at the City's discretion are determined to be in the best interests of the City. Further, the City makes no representations that a contract will be awarded to any offeror responding to this request. The City expressly reserves the right to reject any and all bids responding to this invitation without indicating any reasons for such rejections(s).

The City reserves the right to postpone due dates and openings for its own convenience and to withdraw this solicitation at any time without prior notice.

4. Addenda. Changes affecting the specifications will be made by addenda. Changes may include, or result in, a postponement in the bid due date. Bidders are required to complete the Bidder Response Sheet, acknowledging receipt of all parts of the bid, including all addenda.
5. Price Proposal. All bidders are required to identify the proposed manufacturer and model, and to indicate the proposed delivery time on the attached Proposal Form. Failure to do so may cause the bid to be considered not responsive. If desired, the bidder may include product literature and specifications. The price quoted will remain firm throughout each contract period. Any price increase proposed shall be submitted sixty (60) calendar days prior to subsequent contract periods and shall be limited to fully documented cost increases to the bidder which are demonstrated to be industry-wide.
6. Price Inclusion. The price quoted in any bid shall include all items of labor, materials, tools, equipment, and other costs necessary to fully complete the furnishing and delivery of equipment or services pursuant to the specifications attached thereof. Any items omitted from the specifications which are clearly necessary for the completion of the project shall be considered a portion of the specifications although not directly specified or called for in these specifications.
7. Pricing and Discount.
 - a. Unit prices shown on the bid/proposal or contract shall be the price per unit of sale (e.g., gal., cs., doz., ea., etc.) as stated on the bid/proposal or contract. For any given item, the quantity multiplied by the unit price shall establish the extended price. If an apparent mistake exists in the extended price, the unit price shall govern in the bid/proposal evaluation and contract administration.
 - b. In determination of award, discounts for early payment will only be considered when all other conditions are equal. Early payment is defined as payment within fifteen (15) days providing the discount terms are deemed favorable. All payment terms must allow the option of Net 30.
8. F.O.B. Destination Freight Prepaid. Bid prices must include all handling, transportation and insurance charges. Failure to bid FOB Destination Freight Prepaid may disqualify your bid.
9. Award.
 - a. The City will have sole discretion as to the methodology used in making the award. Where none is specified, the award will be made to the lowest responsible bidder in compliance with the specifications and requirements of this solicitation.
 - b. The right is reserved to make a separate award of each item, group of items or all items, and to make an award in whole or in part, whichever is deemed in the best interest of the City.
10. Responsiveness and Responsibility. Award will be made to the responsible and responsive bidder whose bid is most advantageous to the City with price and other factors considered. For the purposes of this project, responsiveness is defined as the bidder's conformance to the requirements of the solicitation. Being not responsive includes the failure to furnish information requested.
Responsibility is defined as the bidder's potential ability to perform successfully under the terms of the proposed contract. Briefly, a responsible bidder has adequate financial resources or the ability to obtain said resources; can comply with required delivery taking into

account other business commitments; has a satisfactory performance record; has a satisfactory record of integrity and business ethics; and has the necessary organization, experience and technical skills.

The City reserves the right to refuse to accept any bid from any person, firm or corporation that is in arrears or is in default to the City, or has failed to perform faithfully any previous contract with the City. If requested, the bidder must present within five (5) working days evidence satisfactory to the City of performance ability and possession of necessary facilities, financial resources, adequate insurance, and any other resources required to determine the bidder's ability to comply with the terms of this solicitation document.

11. Cancellation.

- a. The City reserves the right to cancel this bid, in whole or in part, at any time for any reason. The City may, in its sole discretion and without any reason, cancel or terminate any contract or purchase order awarded as a result of this bid, in whole or in part, without penalty, by providing ten (10) days written notice thereof to the contractor.
- a. In the event the Bidder shall default in any of the covenants, agreements, commitments, or conditions and any such default shall continue unremedied for a period of ten (10) days after written notice to the Bidder, the City may, at its option and in addition to all other rights and remedies which it may have, terminate the Agreement and all rights of the Bidder under the Agreement.
- b. Failure to maintain the required certificates of insurance, permits, licenses and bonds will be cause for contract termination. If the Bidder fails to maintain and keep in force the insurance, if required, the City shall have the right to cancel and terminate the contract without notice.

II. CONDITIONS OF PURCHASE: The following section applies to purchases/contracts after the award. See Paragraphs 1 & 2 for applicability and order of precedence.

12. Specifications.

- a. All bidders must be in compliance with all specifications and any drawings provided with this solicitation. Exceptions taken to these specifications must be noted on your bid.
- b. When specific manufacturer and model numbers are used, they are to establish a design, type, construction, quality, functional capability and/or performance level desired. When alternates are bid/proposed, they must be identified by manufacturer, stock number, and the bidder/proposer is responsible for providing sufficient information to establish equivalency. The City shall be the sole judge of equivalency. Bidders are cautioned to avoid bidding alternates which do not meet specifications, which may result in rejection of their bid/proposal.

13. Regulatory Compliance.

- a. Seller represents and warrants that the goods or services furnished hereunder, including all labels, packages, and container for said goods, comply with all applicable standards, rules and regulations in effect under the requirements of all Federal, State and local laws, rules and regulations as applicable, including the Occupational Safety and Health Act (OSHA), as amended, with respect to design, manufacture or use for their intended purpose of said goods or services.
