Pooley's Business Plan

Pooley's is a well-established restaurant, bar and event venue that has been in business for 24 years on Madison's eastside. We plan to continue to provide great food and beverage service to our community members. Along with this, we will continue to host year-round volleyball leagues in our attached field house. Our target market is young professionals, families and sports fans. We cater to many different groups and companies looking to get off site for meetings and celebrations, some of these companies include American Family, QBE, US Cellular, Alliant Energy, Enterprise, AE Business Solutions. With over 20 hotels within 3 miles of Pooley's we see a variety of customers from business people to traveling sports teams. Pooley's is a long-standing tradition for many Badger fans, offering a bus service to Badger football games at Camp Randall.

As the new owners and having managed the business for over 9 years, we want to continue to build on the already great success that Pooley's has had over the years with some added marketing and promotions to continue to get our name out in the community.
