## Independent Auditors' Report

To the Board of Directors of  
Community Development Authority of the City of Madison

### Report on the Audit of the Financial Statements

#### **Opinions**

We have audited the accompanying financial statements of the business-type activities, the aggregate discretely presented component units, each major fund and the aggregate remaining fund information of the Community Development Authority of the City of Madison (the CDA), a component unit of the City of Madison, Wisconsin as of and for the year ended December 31, 2023 and the related notes to the financial statements, which collectively comprise the CDA's basic financial statements as listed in the table of contents.

In our opinion, based on our audit and the reports of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities, the aggregate discretely presented component units, each major fund and the aggregate remaining fund information of the CDA as of December 31, 2023 and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

We did not audit the financial statements of Village on Park, major fund, or CDA 95-1, Monona Shores and MRCDC, non-major funds, which represent 57%, 48% and 14%, respectively, of the assets, net position and revenues of the business-type activities or the aggregate discretely presented component units. Those statements were audited by other auditors, whose reports have been furnished to us and our opinions, insofar as it relates to the amounts included for Monona Shores, Village on Park, MRCDC, CDA 95-1 and the aggregate discretely presented component units are based solely on the reports of the other auditors.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (GAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the CDA and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions. The financial statements of Monona Shores, Village on Park, MRCDC, CDA 95-1 and the aggregate discretely presented component units were not audited in accordance with *Government Auditing Standards*.

#### **Emphasis of Matter**

As discussed in Note 1, the CDA adopted the provisions of GASB Statement No. 96, effective January 1, 2023. Our opinions are not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the CDA's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and GAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and GAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CDA's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the CDA's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the required supplementary information, as listed in the table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the CDA's basic financial statements. The supplementary information as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves and other additional procedures in accordance with auditing standards generally accepted in the United States of America by us and other auditors. In our opinion, based on our audit, the procedures performed as described above and the report of the other auditors, the supplementary information is fairly stated in all material respects, in relation to the basic financial statements as a whole.

### ***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated June 26, 2024 on our consideration of the CDA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the effectiveness of the CDA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the CDA's internal control over financial reporting and compliance.

# COMMUNITY DEVELOPMENT AUTHORITY OF THE CITY OF MADISON

## MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED) For Year Ended December 31, 2023

The Community Development Authority of the City of Madison's (the "CDA") Management's Discussion and Analysis is designed to (a) assist the reader in focusing on significant financial issues, (b) provide an overview of the CDA's financial activity, (c) identify changes in the CDA's financial position (its ability to address the next and subsequent years' challenges), and (d) identify individual fund issues or concerns.

Since the Management's Discussion and Analysis (MD&A) is designed to focus on the current year's activities, resulting changes, and currently known facts, please read it in conjunction with the CDA's financial statements.

---

### OVERVIEW OF THE FINANCIAL STATEMENTS

---

#### *CDA-WIDE FINANCIAL STATEMENTS*

The CDA-wide financial statements are designed to be corporate-like in that all business-type activities are consolidated into columns, which add to a total for the entire CDA.

These Statements include a Statement of Net Position, which is similar to a Balance Sheet. The Statement of Net Position reports all financial and capital resources for the CDA. The statement is presented in the format where assets and deferred outflows of resources, minus liabilities and deferred inflows of resources, equal "Net Position", formerly known as net assets, or equity. Assets and liabilities are presented in order of liquidity, and are classified as "Current" (convertible into cash within one year), and "Non-current".

The focus of the Statement of Net Position (the "Unrestricted Net Position") is designed to represent the net available liquid (non-capital) assets, net of liabilities, for the entire CDA. Net Position (formerly assets or equity) are reported in three broad categories:

Net Investment in Capital Assets: This component of Net Position consists of all Capital Assets, reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

Restricted: This component of Net Position consists of restricted assets, when constraints are placed on the asset by creditors (such as debt covenants), grantors, contributors, laws, regulations, etc.

Unrestricted: Consists of Net Position that does not meet the definition of "Net Investment in Capital Assets" or "Restricted".

## OVERVIEW OF THE FINANCIAL STATEMENTS (cont.)

---

### *CDA-WIDE FINANCIAL STATEMENTS* (cont.)

The CDA-wide financial statements also include a Statement of Activities, which includes a functional breakdown of revenues and expenditures. The CDA's functions for this statement are Housing Projects and Community development.

### *FUND FINANCIAL STATEMENTS*

Traditional users of governmental financial statements will find the Fund Financial Statements presentation more familiar. The focus is now on Major Funds, rather than fund types. The CDA consists exclusively of Proprietary Funds. Proprietary funds utilize the full accrual basis of accounting. The Proprietary method of accounting is similar to accounting utilized in private sector accounting.

Many of the funds maintained by the CDA are required by the U.S. Department of Housing and Urban Development. Others are segregated to enhance accountability and control.

The Fund Financial Statements include a Statement of Net Position, which is similar to a Balance Sheet and reports all financial and capital resources by major fund.

Also included in the Fund Financial Statements is a Statement of Revenues, Expenses, and Changes in Net Position. This statement is similar to a Statement of Net Income or Loss.

The last statement included in the Fund Financial Statements is a Statement of Cash Flows that discloses net cash provided by or used for operating activities, non-capital related financing activities, capital and related financing activities, and investing activities.

### *THE CDA'S FUNDS*

General Operating Fund- This fund accounts for the operation of the CDA's programs and tools to promote neighborhood revitalization and economic development; to redevelop, rehabilitate, and construct housing properties; and to issue tax-exempt housing revenue and redevelopment bonds.

The tax-exempt revenue bonds are used to construct or rehabilitate buildings for rental housing. The tax-exempt bonds are issued through public offering or private placement. Twenty percent of the units are set-aside for lower income households. While the bonds are issued in the CDA's name, the bonds are limited obligations of the CDA, and, except to the extent payable from bond proceeds or from credit enhancements described, the bonds are payable solely from and secured by revenues derived from payments made under a project contract and mortgage note and related security documents delivered by each developer undertaking a project.

***THE CDA's FUNDS*** (cont.)

The CDA issues lease revenue bonds in the context of TIF. The CDA owns the property that is then leased to the City, which the City then leases it to a private developer. The lease revenue bonds are limited obligations of the CDA secured by the City's lease payments. A \$3,000 application fee is charged and a one-half of one percent fee of the aggregate amount of the bond issue is collected at bond closing. If the applicant applies for redevelopment bonds, which require the creation of a redevelopment district to accommodate the bond issue, then the above described \$3,000 fee shall be \$5,000. These fees are deposited in the General Operating Fund and will be used, in part, to defray any expenses, including staff time, incurred by the CDA and the City in consideration and issuance of the bonds.

Housing Voucher Fund- This fund includes the Housing Choice Voucher Program. Under the Housing Choice Voucher Program, the CDA administers contracts with independent landlords that own the property. The CDA subsidizes the family's rent through a Housing Assistance Payment made to the landlord. The program is administered under an Annual Contributions Contract with HUD. HUD provides Annual Contributions Funding to enable the CDA to structure a lease that sets the participants' rent at 30% of household income.

The Village on Park Fund- This fund accounts for the activities of The Village on Park, a retail and commercial center located on Madison's south side that was purchased by the CDA in 2004 and substantially rehabilitated in 2009-2012.

Other Non-Major Funds- In addition to the major funds above, the CDA also maintains the following non-major funds.

Karabis Fund: This fund accounts for activities related to a 20-unit housing development for disabled individuals ("Karabis"). This property is operated pursuant to the HUD Multifamily program. HUD subsidizes the rents through monthly housing assistance payments pursuant to a project-based Section 8 contract with The Wisconsin Housing and Economic Development Authority (WHEDA).

Parkside Fund: This fund accounts for activities related to a 95-unit housing development for elderly and disabled individuals ("Parkside"). This property is operated pursuant to the HUD Multifamily program. HUD subsidizes the rents through monthly housing assistance payments pursuant to a project-based Section 8 contract with WHEDA.

***THE CDA'S FUNDS*** (cont.)

HUD Projects Fund-East: This fund is part of the Low Rent Public Housing Program and accounts for 162 housing units in multiple locations on the City's east side. Under the Low Rent Public Housing Program, the CDA rents units that it owns to low-income households. The Low Rent Public Housing Program is operated under an Annual Contributions Contract with HUD, and HUD provides an Operating Subsidy to enable the CDA to provide the housing at a rent that is based upon 30% of household income. The Low Rent Public Housing Program also includes the Capital Fund Program, which is the primary funding source for physical and management improvements to CDA properties operated as Low Rent Public Housing pursuant to contracts with HUD.

HUD Projects Fund-West: This fund is part of the Low Rent Public Housing Program and accounts for the operation of 265 housing units in multiple locations on the City's west side. Under the Low Rent Public Housing Program, the CDA rents units that it owns to low-income households. The Low Rent Public Housing Program is operated under an Annual Contributions Contract with HUD, and HUD provides an Operating Subsidy to enable the Authority to provide the housing at a rent that is based upon 30% of household income. The Low Rent Public Housing Program also includes the Capital Fund Program, which is the primary funding source for physical and management improvements properties CDA properties operating as Low Rent Public Housing pursuant to contracts with HUD.

HUD Projects Fund-Triangle: This fund is part of the Low Rent Public Housing Program and accounts for the operation of 224 housing units in the City's central area. Under the Low Rent Public Housing Program, the CDA rents units that it owns to low-income households. The Low Rent Public Housing Program is operated under an Annual Contributions Contract with HUD, and HUD provides an Operating Subsidy to enable the CDA to provide the housing at a rent that is based upon 30% of household income. The Low Rent Public Housing Program also includes the Capital Fund Program, which is the primary funding source for physical and management improvements to CDA properties operated as Low Rent Public Housing pursuant to contracts with HUD.

*THE CDA'S FUNDS* (cont.)

<u>Allied Drive Fund:</u>	This fund accounts for the activities in the neighborhood revitalization project in the Allied Drive area.
<u>Monona Shores Fund:</u>	This fund accounts for the activities of Monona Shores apartments. This was a tax credit project that resided on the financial statements as a component unit until the end of 2015. The property was acquired by the CDA per the agreements from when the project was established in 1995.
<u>HUD Subsidy:</u>	This fund is used as a pass-thru fund to move HUD subsidy from the CDA to Truax Park Redevelopment Phase 1, LLC ("Truax Phase 1") and Truax Park Development Phase 2, LLC ("Truax Phase 2). Truax Phase 1 (71 units) and Truax Phase 2 (48 units) were formerly operated as Low Rent Public Housing before they were redeveloped pursuant to mixed finance transactions approved by HUD that utilizing a Section 42 Low Income Housing Tax Credit allocation to fund the redevelopment/replacement of Low Rent Public Housing units in the East Amp. The properties reside on the CDA's financial statements as component units.
<u>CDA 95-1:</u>	The CDA is the owner of thirty (30) apartments and a small amount of office space (CDA 95-1). Twenty-eight (28) apartments and the commercial space are on East Dayton Street and two (2) apartments are in one building on North Blount Street. CDA 95-1 is also known as The Reservoir is financed with one loan to the CDA from the City of Madison. The property is managed by a third party management company. Prior to 2013, the operations of CDA 95-1 were carried in the CDA's General Fund. In 2013, the operations were separated and reported separately in the CDA 95-1 Fund.
<u>MRCDC Fund:</u>	This fund accounts for the activities of the properties sold by the CDA through HUD's disposition process for redevelopment purposes. MRCDC functions as the non-profit arm of the CDA.

Internal Service Fund-In addition to the major and non-major funds above, the CDA also maintains the following internal service fund.

Central Cost Center: This fund was created as part of the 2008 adaptation of HUD's asset management program. The Central Cost Center contains the costs and revenues associated with managing the Low Rent Public Housing Program, the Section 8 Voucher Program, Karabis, and Parkside.

For Year Ended December 31, 2023

## FINANCIAL HIGHLIGHTS AND ANALYSIS (cont.)

---

**General Operating Fund-** There was a decrease in Net Position in the amount of \$499,222. There was limited operational activity in this fund in 2023 consisting of normal operations and debt payments. Most of the decrease was due to a loss on the sale of a land parcel at 2405 Cypress way. The loss totaled \$460,510. MR CDC's modernization began in 2021 and continues into 2023. In 2023 cash transfers at both Monona Shores and the Village on Park to the Redevelopment General Fund became part of a monthly process to achieve predictable budget performance, comprehensive view of liquidity, and consistent funding as part of a strategic financial plan.

**Housing Voucher Fund** – The net position of the Housing Choice Voucher program decreased by \$305,111 to a total of \$1,598,134. Intergovernmental grants from the Department of Housing and Urban Development to support the program remained steady at \$18.9 million in 2023. The Section 8 Voucher program supported an average of 1,812 Households per month at an average housing assistance payment of \$790 per unit in 2023. In 2022, the program supported an average of 1,786 housing units per month at an average housing assistance payment of \$778 per unit.

**The Village on Park-** The Village on Park is a 125,000 square foot retail/commercial property in south Madison. It was purchased by the CDA in 2004 for \$9 million with the objective of providing stability and an opportunity for community and economic development. Three adjacent parcels were added to the property. The property was substantially renovated between 2009 and 2012. The renovations were funded through GO borrowing from the City, which is being repaid from property operations. Repayment of these funds continue to be a significant expense. Annual debt service payments dropped to approximately \$600,000 in 2023 when one of the loans was retired.

Major tenants at the Village on Park ("VOP") during 2023 included City of Madison IT, Madison Dane County Public Health, the University of Wisconsin, Yue Wah Foods, and Lane's Bakery. The owners of Lane's Bakery retired at the end of 2023, and, since they were unable to find a buyer before year-end, Lane's Bakery closed in December 2023, leaving the space vacant.

The CDA demolished the North Building in 2022 and plan to replace it with a surface parking lot as part of the first phase of the redevelopment of the VOP. Redevelopment continues into 2023. As construction costs have accelerated faster than predicted, the final phases, including the parking structure, have been separated into smaller phases.

As part of the redevelopment, a new multi-level parking structure is planned for the south end of the site. This structure will serve the tenants, employees, and visitors of the VOP; the South Madison Condo building; and the planned Urban League retail and office building (a/k/a the "Hub") at the corner of S. Park Street and Hughes Place. Construction of The Hub has concluded, and the CDA sold the land underneath the building to Urban League for \$1 as a continued investment in the future of South Madison.

Redevelopment capital projects at the VOP were originally funded solely by \$18 million in City transfers from TID 42. In 2023, an additional \$3.2 million of potential funding from TID 42, VOP reserves, and GO Borrowing was approved for construction costs. A strategic plan was developed to split the parking structure from the site work and will be re-bid by the end of 2024. The net position of the Village on Park fund increased by \$946,977 to a total of \$14,067,784 mostly due to TID funding.

## FINANCIAL HIGHLIGHTS AND ANALYSIS (cont.)

---

- HUD Projects East AMP- The net position of the East AMP Fund increased by \$510,418, primarily due to a cash transfer from the Central Cost Center and insurance proceeds. The total net position is \$1,409,387. There was approximately \$322,707 in Capital assets created through Capital grant funding. Average occupancy for the year was 96.97%.
- HUD Projects West AMP- The net position of the West AMP Fund increased by \$176,511 to a total of \$2,061,866. There were approximately \$82,112 in capital assets created through Capital grant funding. Average occupancy for the year was 95.53%.
- HUD Projects Triangle AMP- The net position of the Triangle AMP Fund decreased by \$395,331 to a total of \$1,417,548. There were no capital assets created through Capital grant funding. Capital funding at the Triangle remains on hold, except for emergency items, as the first phase of redevelopment is submitted for Tax Credits in 2023. If the application for tax credits is successful, the Capital Grant Fund will be used to fund the reserve accounts as outlined in the HUD Capital Fund Guidebook. Average occupancy for the year was 95.50%.
- Allied Drive Fund- The CDA has developed a 49 unit apartment building on Allied Drive that is owned by Allied Drive Redevelopment, LLC ("Revival Ridge"). The CDA is the managing member of Allied Drive Redevelopment, LLC. As part of the development, the CDA made a loan in the amount of \$1.3 million to Allied Drive Redevelopment, LLC to fund construction. The loan is secured by a first mortgage on the property. The CDA borrowed \$1.3 million from a local bank and used the proceeds to fund its loan to Allied Drive Redevelopment, LLC. The principal and interest payments from Allied Drive Redevelopment, LLC are used to make the contractual payments on the loan from the local bank to the CDA. Allied Drive Redevelopment, LLC is reported as a component unit of the CDA; however, the debt from Allied Drive Redevelopment, LLC to the CDA is reported as an asset in the CDA's financial statements and the loan from the local bank is reported as a liability on the CDA financial statements.

The property was 94% occupied as of December 31, 2023 and has performed in accordance with expectations.

During 2023, the CDA concluded its development of single-family homes at the south end of Allied Drive ("Mosaic Ridge"). There were originally 25 residential lots in the development, with two were combined resulting in 24 lots. As of December 2023, two lots remain undeveloped as the CDA plans to sell or transfer these remaining properties to a nonprofit partner to develop homes for low to moderate-income households. The net position of the Allied Drive Fund increased by \$29,383 to a total of \$4,083,488, primarily due to interest income.

- Monona Shores Apartments- Monona Shores Apartments is a 104-unit apartment development on the City's south side. The CDA is the sole owner of the property and entered into a PILOT agreement with the City of Madison in 2015, under which the CDA agrees to make annual PILOT payment to the City in the approximate amount of \$40,000. The property was 97% occupied as of December 31, 2023 and reported a decrease in net position of \$305,623 to a total of \$1,277,343. See Monona Shores audited financial statements for more detailed financial information.

- HUD Projects Central Cost Center- The net position of the Central Cost Center Fund decreased by \$111,591 to a total of \$1,368,923.
- HUD Projects Fund Capital Fund Grant Program- In 2023, \$2,314,098 was received under this grant program. These funds were used for public housing physical improvements and permitted operating expenses.
- HUD Projects Fund Service Coordinator Grants- \$255,788 was received in 2023 under this grant program. These programs provide service coordination services to CDA residents to help them improve their economic self-sufficiency and move out of Public Housing or help them age safely in place.
- Karabis- The net position of the Karabis Fund increased by \$35,186 in 2023. The net position in this fund is \$1,415,254.
- Parkside- The net position of the Parkside Fund decreased by \$113,974 in 2023. This decreased the total net position to \$1,052,652.
- Reservoir (CDA 95-1)- The Reservoir is comprised of 6 buildings containing 28 affordable housing units, 1 historic commercial spaced zoned for use by a non-profit agency, and 1 two-flat. The CDA is the sole owner of the property as of 1995 previously owned by the Madison Mutual Housing Association and Cooperative. The property was funded by a WHEDA loan, which contains clauses for affordability as well as compliance overview by WHEDA. The Reservoir maintained an average of 96% occupancy of the residential units in 2023, whereas the commercial space remained vacant for all of 2023. The CDA has developed plans to convert the commercial space into two residential units due to lack of demand for the commercial space. With the WHEDA loan payment the property is now 100% owned by the CDA. The net position of the Reservoir increased by \$36,260 to a total of \$1,024,238.
- MRCDC- In 2022 MRCDC acquired 32 units in 10 buildings from Public Housing, comprising of duplexes & four-plexes. Twenty-eight of the units are located on the west side of Madison and four on the east. All units were entered into a Section 8 PBV contract. All units are 3rd party managed and will be modernized. In 2023 five units remained vacant from the time of the sale throughout the year as funding was secured for large-scale modernization. Modernization is being achieved through a multi-phased approach in which current tenants are offered the modernized units until either all units are modernized or tenants no longer have interest in moving. If units are not captured in the current modernization, the units will be modernized when it naturally becomes vacant. At the end of 2023 11 units had been remodeled. The CDA is providing Asset Management services to MRCDC and receiving reimbursement of staff time for that service. The property reported an increase in net position of \$183,659 to a total of \$743,143.

MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)  
For Year Ended December 31, 2023

---

**ECONOMIC FACTORS**

---

Significant economic factors affecting the CDA are as follows:

- Federal funding from the Department of Housing and Urban Development for Conventional Public Housing operating subsidy, Capital Improvements, Section 8 Voucher administrative costs, and Section 8 Voucher Housing Assistance Payments substantially impacts Housing operations is set by the Federal government on an annual basis. Cuts in these programs and delays in Federal budget approval have a significant impact on the CDA and the residents it serves. HUD funding for Low Rent Public Housing operating subsidy, Capital Improvements Funds, Section 8 Voucher Administration, and Section 8 Voucher Housing Assistance Payments allocated funding remained stable in 2023.
-

NOTES TO FINANCIAL STATEMENTS  
As of and for the Year Ended December 31, 2023

---

## NOTE I - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

---

### ***A. Reporting Entity***

The accounting policies of the Community Development Authority ("CDA") of the City of Madison, WI conform to accounting principles generally accepted in the United States of America as applicable to governmental units. The accepted standard setting body for establishing governmental accounting and financial reporting principles is the Governmental Accounting Standards Board (GASB).

This report includes all of the funds of the CDA.

The CDA is a component unit of the City of Madison, Wisconsin. The CDA is comprised of thirteen individual funds which provide community development and housing assistance services to properties within the City of Madison.

The reporting entity consists of the CDA and its component units. Component units are legally separate organizations for which the CDA is financially accountable or other organizations for which the nature and significance of their relationship with the CDA are such that their exclusion would cause the reporting entity's financial statements to be misleading. The CDA is financially accountable if: (1) it appoints a voting majority of the organization's governing body and it is able to impose its will on that organization, (2) it appoints a voting majority of the organization's governing body and there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on, the CDA, (3) the organization is fiscally dependent on and there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on, the CDA. Certain legally separate, tax exempt organizations should also be reported as a component unit if all of the following criteria are met: (1) the economic resources received or held by the separate organization are entirely or almost entirely for the direct benefit of the CDA, its component units, or its constituents; (2) the CDA or its component units, is entitled to, or has the ability to access, a majority of the economic resources received or held by the separate organization; and (3) the economic resources received or held by an individual organization that the CDA, or its component units, is entitled to, or has the ability to otherwise access, are significant to the CDA.

Component units are reported using one of two methods, discrete presentation or blending. Generally, component units should be discretely presented in a separate column in the financial statements. A component unit should be reported as part of the CDA using the blending method if it meets any one of the following criteria: (1) the CDA and the component unit have substantively the same governing body and a financial benefit or burden relationship exists, (2) the CDA and the component unit have substantively the same governing body and management of the CDA has operational responsibility for the component unit, (3) the component unit serves or benefits, exclusively or almost exclusively, the CDA rather than its citizens, or (4) the total debt of the component unit will be paid entirely or almost entirely from resources of the CDA.

### **Discretely Presented Component Units**

The CDA is the managing member in four real estate limited liability companies (LLC) as of December 31, 2023. The investor membership interests are held by third parties unrelated to the CDA. As the managing member, the CDA has certain rights and responsibilities which enable it to impose its will on the investor memberships. Additionally, the CDA is financially accountable for the investor memberships as the CDA is legally obligated to fund operating deficits in accordance with terms of the membership agreements. The investor memberships do not serve the CDA exclusively, or almost exclusively and, therefore, are shown as discretely presented component units.

The buildings were placed in service from July 2015 through October 2015.

Truax Park Development, Phase 2, LLC consists of one managing member, the CDA, and one investor member, with rights, preferences and privileges as described in the operating agreement. Each member's liability for the debts and obligations of the company shall be limited to the maximum extent permitted by the Act and other applicable laws. The CDA has a .01% interest in Truax Park Development, Phase 2, LLC.

Separately issued financial statements of the Truax Park Development, Phase 2, LLC may be obtained from Truax Park Development, Phase 2, LLC's office.

*Financial Statement Presentation*

All four LLCs report under FASB standards. As such, certain revenue recognition and presentation features are different from GASB revenue recognition criteria and presentation features. No modifications have been made to the LLCs' financial information in the CDA's financial reporting entity for these differences.

***B. Basic Financial Statements***

In May 2020, the GASB issued statement No. 96, Subscription-Based Information Technology Arrangements. This statement establishes accounting and financial reporting requirements related to subscription-based information technology arrangements (SBITAs) for government end users. This statement (1) defines a SBITA; (2) establishes that a SBITA results in a right-to-use subscription asset – an intangible asset – and a corresponding subscription liability; (3) provides the capitalization criteria for outlays other than subscription payments, including implementation costs of a SBITA; and (4) requires note disclosures regarding a SBITA. This standard was implemented January 1, 2023.

Financial statements of the reporting entity are organized into funds each of which is considered to be a separate accounting entity. Each fund is accounted for by providing a separate set of self-balancing accounts, which constitute its assets, deferred outflows of resources, liabilities, deferred inflows of resources, net position, revenues, and expenses.

Major individual enterprise funds are reported as separate columns in the basic financial statements.

Funds are organized as major funds or nonmajor funds within the statements. An emphasis is placed on major funds. A fund is considered major if it is the primary operating fund of the CDA or meets the following criteria:

- a. Total assets/deferred outflows of resources, liabilities/deferred inflows of resources, revenues, or expenses of that individual enterprise fund are at least 10% of the corresponding total for all funds of that category or type,
- b. In addition, any other enterprise fund that the CDA believes is particularly important to financial statement users may be reported as a major fund.

Enterprise funds may be used to report any activity for which a fee is charged to external users for goods or services, and must be used for activities which meet certain debt or cost recovery criteria.

The City reports the following major governmental funds:

***Major Enterprise Funds***

- General Operating Fund – used to account for and report the CDA’s primary operating activities.
- Housing Voucher Fund – used to account for and report the operations of the Housing Voucher program.
- Village on Park Fund – used to account for and report the operations of Village Mall project.

The CDA reports the following nonmajor enterprise funds:

- Karabis Fund – used to account for and report the operations of the Karabis project.
- Parkside Project Fund – used to account for and report the operations of the Parkside project.
- East Housing Fund – used to account for and report the operations of HUD projects at East location.
- West Housing Fund – used to account for and report the operations of HUD projects at West location.
- Triangle Housing Fund – used to account for and report the operations of HUD projects at Triangle location.
- Allied Drive Fund – used to account for and report the operations of the Allied Drive project.
- Monona Shores Fund – used to account for and report the operations of the New Monona Shores project.

***B. Basic Financial Statements (cont.)***

HUD Subsidy Fund – used to account for and report the HUD subsidy passed through to Truax Redevelopment, Phase I, LLC.

CDA 95-1 – used to account for and report the operations of the reservoir and two Flats projects.

Madison Revitalization and Community Development Corporation (MRCDC) Fund - used to account for and report the operations of the 32 units previously managed by the East and West locations that were sold to the MRCDC fund in order to comply with HUD's Faircloth Limit.

Internal Service funds are used to account for and report the financing of goods or services provided by one department or agency to other departments or agencies of the CDA on a cost-reimbursement basis. The Central Cost Center fund is reported as an internal service fund and accounts for the central operations of HUD projects.

***C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation***

The government-wide statement of net position and statement of activities are reported using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used. Revenues, expenses, gains, losses, assets, and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place.

Enterprise fund financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as previously described in this note.

The enterprise funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with an enterprise fund's principal ongoing operations. The principal operating revenues of the CDA are charges to customers for sales and services. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, deferred outflows of resources, liabilities, and deferred inflows of resources, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

***D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position or Equity***

**1. Deposits and Investments**

For purposes of the statement of cash flows, the CDA considers all highly liquid investments with an initial maturity of three months or less when acquired to be cash equivalents.

***D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position or Equity (cont.)***

**1. Deposits and Investments (cont.)**

Investment of CDA funds is restricted by state statutes. Available investments are limited to:

- a. Time deposits in any credit union, bank, savings bank or trust company.
- b. Bonds or securities of any county, CDA, drainage district, technical college district, village, town, or school district of the state. Also, bonds issued by a local exposition district, a local professional baseball park district, a local professional football stadium district, a local cultural arts district, the University of Wisconsin Hospitals and Clinics Authority, or the Wisconsin Aerospace Authority.
- c. Bonds or securities issued or guaranteed by the federal government.
- d. The local government investment pool.
- e. Any security maturing in seven years or less and having the highest or second highest rating category of a nationally recognized rating agency.
- f. Securities of an open-end management investment company or investment trust, subject to various conditions and investment options.
- g. Repurchase agreements with public depositories, with certain conditions.

The CDA follows the investment policy of the City of Madison. That policy contains the following guidelines for allowable investments: obligations of the U.S. Government; obligations of U.S. Government agencies; time deposits (defined as savings accounts or certificates of deposits); and repurchase agreements with a public depository, if the agreement is secured by bonds or securities issued or guaranteed as to principal and interest by the U.S. Government.

***Custodial Credit Risk***

The City of Madison's investment policy states that funds in excess of insured or guaranteed limits be secured by some form of collateral. The fair market value of all collateral pledged will not be less than 110% of the amount of public funds to be secured at each institution. The CDA was not in compliance with this policy.

***Credit Risk***

The City of Madison will minimize credit risk, which is the risk of loss due to the failure of the security issuer or backer by:

- > Limiting investments to the types of securities listed elsewhere in the Investment Policy.
- > Pre-qualifying the financial institutions, broker/dealers, intermediaries, and advisors with which the City of Madison will do business in accordance with Section V of the Investment Policy.
- > Diversifying the investment portfolio so that the impact of potential losses from any one type of security or from any one individual issuer will be minimized.

***D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position or Equity (cont.)***

**1. Deposits and Investments (cont.)**

***Interest Rate Risk***

The City will minimize interest rate risk, which is the risk that the market value of securities in the portfolio will fall due to changes in merit interest rates by:

- > Structuring the investment portfolio so that securities mature to meet cash requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity.
- > Investing operating funds primarily in shorter-term securities, money market mutual funds, or similar investment pools and limiting the average maturity of the portfolio in accordance with the Investment Policy.

Investments are stated at fair value, which is the amount at which an investment could be exchanged in a current transaction between willing parties. No investments are reported at amortized cost. Adjustments necessary to record investments at fair value are recorded in the operating statement as increases or decreases in investment income. Investment income on commingled investments of municipal accounting funds is allocated based on average balances. The difference between the bank balance and carrying value is due to outstanding checks and/or deposits in transit.

See Note II.A. for further information.

**2. Receivables**

Accounts receivable have been shown net of an allowance for uncollectible accounts.

During the course of operations transactions occur between individual funds that may result in amounts owed between funds. Short-term interfund loans are reported as “due to and from other funds.” Long-term interfund loans (noncurrent portion) are reported as “advances from and to other funds.”

**3. Prepaid Items**

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in the financial statements.

**4. Restricted Assets**

Mandatory segregations of assets are presented as restricted assets. Such segregations are required by bond agreements and other external parties. Current liabilities payable from these restricted assets are so classified. The excess of restricted assets over current liabilities payable from restricted assets will be used first for retirement of related long-term debt. The remainder, if generated from earnings, is shown as restricted net position.

***D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position or Equity (cont.)***

**5. Leases**

The CDA is a lessor because it leases capital assets to other entities. As a lessor, the CDA reports a lease receivable and corresponding deferred inflow of resources in both the fund financial statements and government-wide financial statements. The CDA continues to report and depreciate the capital assets being leased as capital assets of the primary government. The CDA follows the City policy to recognize leases over \$10,000 as a lease receivable.

**6. Subscription Liabilities**

The CDA reports a subscription liability and an intangible right-to-use capital asset (known as the subscription asset) on the government-wide financial statements and proprietary fund statements. The CDA follows the City's policy to recognize subscriptions over \$10,000 as a subscription liability and intangible capital asset.

**7. Capital Assets**

Capital assets are reported in the financial statements. Capital assets are defined by the CDA as assets with an initial cost of more than \$5,000 and an estimated useful life in excess of one year. All capital assets are valued at historical cost, or estimated historical cost if actual amounts are unavailable. Donated capital assets are recorded at their estimated acquisition value at the date of donation. The CDA has no infrastructure assets.

Additions to and replacements of capital assets are recorded at original cost, which includes material, labor, and overhead. The cost of renewals and betterments relating to retirement units is added to capital assets. The cost of property replaced, retired or otherwise disposed of, is deducted from capital assets and, generally, together with removal costs less salvage, is charged to accumulated depreciation.

Depreciation/amortization of all exhaustible capital assets is recorded as an allocated expense in the statement of revenues, expenses, and changes in net position, with accumulated depreciation/amortization reflected in the statement of net position. Depreciation/amortization is provided over the assets' estimated useful lives using the straight-line and declining-balance methods of depreciation/amortization. The range of estimated useful lives by type of asset is as follows:

	<u>Years</u>
Land Improvements	15
Buildings and Improvements	20 - 40
Machinery and Equipment	5 - 10
Intangibles	2 - 10

**NOTE I - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT.)**

***D. Assets, Deferred Outflows of Resources, Liabilities, Deferred Inflows of Resources, and Net Position or Equity (cont.)***

**7. Capital Assets (cont.)**

Rental property of Allied Drive Redevelopment, LLC, Truax Park Redevelopment, Phase I, LLC, Burr Oaks Senior Housing, LLC, and Truax Park Development, Phase 2, LLC is stated at cost. Depreciation of rental property is computed principally by the straight-line and declining balance methods based upon the following estimated useful lives of the assets:

	<u>Years</u>
Improvements	15 - 20
Buildings	27.5 - 98
Furnishings and Equipment	5 - 12

Maintenance and repairs of rental property is charged to operations and major improvements are capitalized. Upon retirement, sale or other disposition of rental property, the cost and accumulated depreciation are eliminated from the accounts, and any resulting gain or loss is included in operations.

**8. Other Assets**

Long-term receivables include funds advanced to the component unit LLC's, and notes receivable.

Financing fees are deferred and amortized on the straight-line method over the term of the debt issue.

Tax credit fees are deferred and amortized on the straight-line method over the life of the tax credit compliance period of 15 years.

**9. Deferred Outflows of Resources**

A deferred outflow of resources represents a consumption of net assets that applies to a future period and will not be recognized as an outflow of resources (expense/expenditure) until that future time.

**10. Compensated Absences**

City of Madison employees provide the necessary staffing to operate the CDA operations. These employees receive benefits according to the City of Madison's policies.

All vested vacation and sick leave pay is accrued when incurred.

Payments for vacation and sick leave will be made at rates in effect when the benefits are used. Accumulated vacation and sick leave liabilities at December 31, 2023 are determined on the basis of current salary rates, and include salary related payments.

**11. Unearned Revenue**

Funds received under the Tax Credit Exchange Program (TCEP) are amortized on the straight-line method over the estimated useful lives of the underlying assets acquired.

**12. Long-Term Obligations/Conduit Debt**

All long-term obligations are reported as liabilities in the financial statements. The long-term obligations consist primarily of notes and bonds payable, and accrued compensated absences.

Bond premiums and discounts are amortized over the life of the issue using the effective interest method. The balance at year end for premiums/discounts is shown as an increase or decrease in the liability section of the statement of net position.

The CDA has approved the issuance of industrial revenue bonds (IRB) for the benefit of private business enterprises. IRB's are secured by mortgages or revenue agreements on the associated projects, and do not constitute indebtedness of the CDA. Accordingly, the bonds are not reported as liabilities in the accompanying financial statements. The total amount of IRB's outstanding at December 31, 2023 is approximately \$33,430,342 made up of four series.

**13. Deferred Inflows of Resources**

A deferred inflow of resources represents an acquisition of net assets that applies to a future period, and therefore will not be recognized as an inflow of resources (revenue) until that future time.

**14. Equity Classifications**

Equity is classified as net position and displayed in three components:

Net investment in capital assets – Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances (excluding unspent debt proceeds) of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

Restricted net position – Consists of net position with constraints placed on their use either by 1) external groups such as creditors, grantors, contributors, or laws or regulations of other governments or, 2) law through constitutional provisions or enabling legislation.

Unrestricted net position – All other net position that does not meet the definition of “restricted” or “net investment in capital assets.”

When both restricted and unrestricted resources are available for use, it is the CDA's policy to use restricted resources first, then unrestricted resources as they are needed.

**15. Pension**

The fiduciary net position of the Wisconsin Retirement System (WRS) has been determined using the flow of economic resources measurement focus and accrual basis of accounting. This includes for purposes of measuring the following:

- > Net Pension Liability (Asset),
- > Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions,
- > Pension Expense (Revenue)

**15. Pension (cont.)**

Information about the fiduciary net position of the WRS and additions to/deductions from WRS' fiduciary net position have been determined on the same basis as they were reported by the WRS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

**16. Other Post-employment Benefits Other Than Pensions (OPEB)**

For purposes of measuring the total OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expense, the CDA OPEB Plan recognizes benefit payments when due and payable in accordance with the benefit terms.

**NOTE II - DETAILED NOTES ON ALL FUNDS**

**A. DEPOSITS AND INVESTMENTS**

The CDA's cash and investments at year-end were comprised of the following:

	<u>Carrying Value</u>	<u>Statement Balance</u>	<u>Associated Risks</u>
Deposits	<u>\$ 10,485,910</u>	<u>\$ 10,561,517</u>	Custodial credit
Total Cash and Investments	<u>\$ 10,485,910</u>	<u>\$ 10,561,517</u>

Unrestricted cash and investments	\$ 10,138,181		
Restricted cash and investment - noncurrent	<u>347,729</u>		
Total Cash and Investments	<u>\$ 10,485,910</u>		

Deposits in each local and area bank are insured by the FDIC in the amount of \$250,000 for time and savings accounts (including NOW accounts) and \$250,000 for demand deposit amounts (interest-bearing and noninterest bearing). In addition, if deposits are held in an institution outside of the state in which the government is located, insured amounts are further limited to a total of \$250,000 for the combined amount of all deposits.

Bank accounts are also insured by the State Deposit Guarantee Fund in the amount of \$400,000. However, due to the nature of this fund, recovery of material principal losses may not be significant to individual municipalities. This coverage has not been considered in computing custodial credit risk.

***Custodial Credit Risk***

Deposits – Custodial credit risk is the risk that in the event of a financial institution failure, the CDA's deposits may not be returned to the CDA.

***G. LEASE DISCLOSURES (CONT.)***

***Lessor - Lease Receivables (cont.)***

***Lease Disclosures - Component Units***

The component units (Allied Drive Redevelopment, LLC; Truax Park Redevelopment, Phase I, LLC; Burr Oaks Senior Housing, LLC; Truax Park Redevelopment, Phase II, LLC) lease apartments to eligible residents under operating leases which are substantially all on a yearly basis. Residential apartment leases often provide residents with the option to have a pet or use the project's parking, and /or storage facilities, etc. which are fixed fee lease components. To the extent the component units provide such lease components, they are included in other revenue. Rental revenue is recognized, net of vacancies and concessions, on a straight-line basis over the term of the leases.

Other revenue also consists of various tenant charges provided for in the lease contract, such as late fees, cleaning fees, and damages fees which are variable payments that do not provide a transfer of a good or service to the tenants and are not considered components of the lease contract. These fees are recognized as revenue when assessed. Certain services are also provided to tenants outside of the lease contract and are recognized when the service is complete.

Truax Park Redevelopment, Phase I, LLC has operating leases that may also provide that the residents reimburse the company for certain variable costs, such as their share of utilities expenses and internet expenses or provide the transfer of services to the tenants for a fee. These reimbursements and services represent revenue attributable to nonlease components for which the timing and pattern of recognition is the same as revenue for the lease components. Reimbursement and related expenses are presented on a gross basis in the statement of operations, with the reimbursements included in other revenue. The services components are also included in other revenue.

Truax Park Redevelopment, Phase I, LLC and Burr Oaks Senior Housing, LLC utilize the practical expedient to account for the lease and nonlease components as a single operating lease component.

As of December 31, 2023, all of the component units' real estate assets are subject to operating leases.

The residential leases do not provide extension options. A new lease agreement is executed if both parties wish to continue the tenancy upon expiration of the existing lease term. As of December 31, 2023, the average remaining term of the component units' residential leases is less than 12 months.

### **A. EMPLOYEES' RETIREMENT SYSTEM**

**Plan description.** The WRS is a cost-sharing multiple-employer defined benefit pension plan. WRS benefits and other plan provisions are established by Chapter 40 of the Wisconsin Statutes. Benefit terms may only be modified by the legislature. The retirement system is administered by the Wisconsin Department of Employee Trust Funds (ETF). The system provides coverage to all eligible State of Wisconsin, local government and other public employees. All employees, initially employed by a participating WRS employer on or after July 1, 2011, and expected to work at least 1200 hours a year and expected to be employed for at least one year from employee's date of hire are eligible to participate in the WRS.

ETF issues a standalone Annual Comprehensive Financial Report, which can be found at <https://etf.wi.gov/about-etf/reports-and-studies/financial-reports-and-statements>.

Additionally, EFT issued a standalone Wisconsin Retirement System Financial Report, which can also be found using the link above.

**Vesting.** For employees beginning participation on or after January 1, 1990, and no longer actively employed on or after April 24, 1998, creditable service in each of five years is required for eligibility for a retirement annuity. Participants employed prior to 1990 and on or after April 24, 1998, and prior to July 1, 2011, are immediately vested. Participants who initially became WRS eligible on or after July 1, 2011, must have five years of creditable service to be vested.

**Benefits provided.** Employees who retire at or after age 65 (54 for protective occupation employees, 62 for elected officials and executive service retirement participants, if hired on or before 12/31/2016) are entitled to retirement benefit based on a formula factor, their average earnings and creditable service.

Final average earnings is the average of the participant's three highest annual earnings period. Creditable service includes current service and prior service for which a participant received earnings and made contributions as required. Creditable service also includes creditable military service. The retirement benefit will be calculated as a money purchase benefit based on the employee's contributions plus matching employer's contributions, with interest, if that benefit is higher than the formula benefit.

Vested participants may retire at age 55 (50 for protective occupations) and receive an actuarially reduced benefit. Participants terminating covered employment prior to eligibility for an annuity may either receive employee-required contributions plus interest as a separation benefit or leave contributions on deposit and defer application until eligible to receive a retirement benefit.

The WRS also provides death and disability benefits for employees.

**A. EMPLOYEES' RETIREMENT SYSTEM (CONT.)**

**Post-retirement adjustments.** The Employee Trust Funds Board may periodically adjust annuity payments from the retirement system based on annual investment performance in accordance with s. 40.27, Wis. Stat. An increase (or decrease) in annuity payments may result when investment gains (losses), together with other actuarial experience factors, create a surplus (shortfall) in the reserves, as determined by the system's consulting actuary. Annuity increases are not based on cost of living or other similar factors. For Core annuities, decreases may be applied only to previously granted increases. By law, Core annuities cannot be reduced to an amount below the original, guaranteed amount (the "floor") set at retirement. The Core and Variable annuity adjustments granted during recent years are as follows:

Year	Core Fund Adjustment		Variable Fund Adjustment	
2013	(9.6)	%	9.0	%
2014	4.7		25.0	
2015	2.9		2.0	
2016	0.5		(5.0)	
2017	2.0		4.0	
2018	2.4		17.0	
2019	0.0		(10.0)	
2020	1.7		21.0	
2021	5.1		13.0	
2022	7.4		15.0	

**Contributions.** Required contributions are determined by an annual actuarial valuation in accordance with Chapter 40 of the Wisconsin Statutes. The employee required contribution is one-half of the actuarially determined contribution rate for General category employees and Executives and Elected Officials. Starting January 1, 2016, the Executives and Elected Officials category was merged into the General Employee category. Required contributions for protective employees are the same rate as general employees. Employers are required to contribute the remainder of the actuarially determined contribution rate. The employer may not pay the employee required contribution unless provided for by an existing collective bargaining agreement.

During the reporting period, the WRS recognized \$226,161 in contributions from the CDA.

Contribution rates for the plan year reported as of December 31, 2023 are:

Employee Category	Employee		Employer	
General (Executives & Elected Officials)	6.50	%	6.50	%
Protective with Social Security	6.50	%	12.00	%
Protective without Social Security	6.50	%	16.40	%

***Pension Liability (Asset), Pension Expense, Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions***

At December 31, 2023, the CDA reported a liability of \$1,010,497, for its proportionate share of the net pension liability. The net pension liability was measured as of December 31, 2022, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2021 rolled forward to December 31, 2021. No material changes in assumptions or benefit terms occurred between the actuarial valuation date and the measurement date. The CDA's proportion of the net pension liability was based on its share of contributions to the pension plan relative to the contributions of all participating employers. At December 31, 2022, the CDA's proportion was 0.01907425%, which was a decrease of 0.00043361% from its proportion measured as of December 31, 2021.

For the year ended December 31, 2023, the CDA recognized pension expense of \$543,067.

At December 31, 2023, the CDA reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 1,536,046	\$ 2,095,589
Changes in assumptions	214,044	-
Net differences between projected and actual earnings on pension plan investments	1,832,485	-
Changes in proportion and differences between employer contributions and proportionate share of contributions	1,962	6,361
Employer contributions subsequent to the measurement date	245,572	-
Totals	\$ 3,830,109	\$ 2,101,950

**A. EMPLOYEES' RETIREMENT SYSTEM (CONT.)**

\$245,572 reported as deferred outflows related to pension resulting from the WRS Employer's contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability (asset) in the year ended December 31, 2024. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pension will be recognized in pension expense as follows:

Year Ended December 31:	Deferred Outflows of Resources and Deferred Inflows of Resources (net)
2024	\$ 60,982
2025	306,583
2026	313,926
2027	801,096

**Actuarial assumptions.** The total pension liability in the December 31, 2021 actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Actuarial Valuation Date:	December 31, 2021
Measurement Date of Net Pension Liability (Asset):	December 31, 2022
Actuarial Cost Method:	Entry Age Normal
Asset Valuation Method:	Fair Value
Long-Term Expected Rate of Return:	6.8%
Discount Rate:	6.80%
Salary Increases:	
Inflation:	3%
Seniority/Merit	0.1% - 5.6%
Mortality:	Wisconsin 2020 Mortality Table
Post-retirement Adjustments*:	1.7%

\* No post-retirement adjustment is guaranteed. Actual adjustments are based on recognized investment return, actuarial experience and other factors. 1.7% is the assumed annual adjustment based on the investment return assumption and the post-retirement discount rate.

**A. EMPLOYEES' RETIREMENT SYSTEM (CONT.)**

Actuarial assumptions are based upon an experience study conducted in 2021 that covered a three-year period from January 1, 2018 to December 31, 2020. The Total Pension Liability for December 31, 2022 is based upon a roll-forward of the liability calculated from the December 31, 2021 actuarial valuation.

**Long-term expected return on plan assets.** The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

Asset Allocation Targets and Expected Returns As of December 31, 2022 <sup>1</sup>	Asset Allocation %	Long-Term Expected Nominal Rate of Return %	Long-Term Expected Real Rate of Return % <sup>2</sup>
<b>Core Fund Asset Class</b>			
Public Equity	48.0	7.6	5.0
Public Fixed Income	25.0	5.3	2.7
Inflation Sensitive	19.0	3.6	1.1
Real Estate	8.0	5.2	2.6
Private Equity/Debt	15.0	9.6	6.9
Total Core Fund <sup>3</sup>	115.0	7.4	4.8
<b>Variable Fund Asset</b>			
U.S. Equities	70.0	7.2	4.6
International Equities	30.0	8.1	5.5
Total Variable Fund	100.0	7.7	5.1

<sup>1</sup> Asset allocations are managed within established ranges; target percentages may differ from actual monthly allocations

<sup>2</sup> New England Pension Consultants Long Term US CPI (Inflation) Forecast: 2.5%

<sup>3</sup> The investment policy used for the Core Fund involves reducing equity exposure by leveraging lower-volatility assets, such as fixed income securities. This results in an asset allocation beyond 100%. Currently, an asset allocation target of 15% policy leverage is used subject to an allowable range of up to 20%.

**Single discount rate.** A single discount rate of 6.80% was used to measure the total pension liability for the current and the prior year. This single discount rate was based on the expected rate of return on pension plan investments of 6.80 percent and a municipal bond rate of 4.05 percent. (Source: Fixed-income municipal bonds with 20 years to maturity that include only federally tax-exempt municipal bonds as reported in Fidelity Index's "20-year Municipal GO AA Index" as of December 31, 2022. In describing this index, Fidelity notes that the Municipal Curves are constructed using optionadjusted analytics of a diverse population of over 10,000 tax-exempt securities.) Because of the unique structure of WRS, the 6.80% expected rate of return implies that a dividend of approximately 1.7% will always be paid. For purposes of the single discount rate, it was assumed that the dividend would always be paid. The projection of cash flows used to determine this single discount rate assumed that plan member contributions will be made at the current contribution rate and that employer contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on these assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments (including expected dividends) of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension asset.

**Sensitivity of the CDA's proportionate share of the net pension liability (asset) to changes in the discount rate.** The following presents the CDA's proportionate share of the net pension liability (asset) calculated using the discount rate of 6.80 percent, as well as what the CDA's proportionate share of the net pension liability (asset) would be if it were calculated using a discount rate that is 1-percentage-point lower (5.80 percent) or 1-percentage-point higher (7.80 percent) than the current rate:

	1% Decrease to Discount Rate (5.80%)	Current Discount Rate (6.80%)	1% Increase to Discount Rate (7.80%)
CDA's proportionate share of the net pension (asset) liability	\$ 3,353,807	\$ 1,010,497	\$ (601,449)

**Pension plan fiduciary net position.** Detailed information about the pension plan's fiduciary net position is available in separately issued financial statements available at <https://etf.wi.gov/about-etf/reports-and-studies/financial-reportsand-statements>.

At December 31, 2023, the CDA reported a payable to the pension plan which represents contractually required contributions outstanding as of the end of the year.

Claims and judgments are recorded as liabilities if all the conditions of Governmental Accounting Standards Board pronouncements are met. Claims and judgments are recorded in the proprietary funds as expenses when the related liabilities are incurred. There were no significant claims or judgments at year end.

The CDA has entered into a Regulatory Agreement with the Wisconsin Housing and Economic Development Authority (WHEDA) for the Parkside Project Fund. The Regulatory Agreement contains, among other things, restrictions on the conveyance, transfer or encumbrance of any of the project property, assumption of additional indebtedness and assignment of rights to manage or receive the rents and profits of the property.

The CDA was assigned and has assumed a Land Use Restriction Agreement (LURA) with WHEDA as a condition to receiving an allocation of low-income housing tax credits for Monona Shores. Under this agreement, the fund must continuously comply with IRC Section 42 and other applicable sections of the IRC. The agreement places occupancy restrictions on rents and the minimum percent of units which shall be occupied by individuals or families whose income meets the requirements set under the IRC Section 42. The CDA is obligated to certify tenant eligibility.

The CDA provides housing for the Parkside Project Fund pursuant to Section 8 of the United States Housing Act of 1974. Rentals are subsidized by the federal government through a housing assistance payments contract between WHEDA and the CDA. The contract, which renews every September 1, provides for maximum annual assistance payments of \$306,903. Total assistance payments received from WHEDA were \$280,886 during 2023.

The CDA has entered into a payment in lieu of taxes (PILOT) agreement with the City of Madison (the City) under which the CDA agrees to make annual PILOT payments to the City in the amount of \$10,000 beginning in 2019 and ending with 2029. The PILOT agreement shall terminate on the day before the respective January 1st of the year during which the City determines that CDA 95-1 no longer qualifies for property tax exemption or termination of ownership of CDA 95-1 by the CDA. PILOT expense totaled \$10,000 for the year ended December 31, 2023.

The CDA has entered into a PILOT Agreement with the City of Madison, Wisconsin (the City), under which the CDA agrees to make annual PILOT payments to the City in the amount of \$40,000 beginning in 2015 and ending with 2025. The PILOT Agreement shall terminate on the day before the respective January 1st of the year during which the City determines that Monona Shores no longer qualifies for property tax exemption or termination of ownership of Monona Shores by the CDA. PILOT expense totaled \$40,000 for the year ended December 31, 2023.

The CDA has a PILOT arrangement with the City of Madison, Wisconsin (the City), under which the CDA agrees to make annual PILOT payments to the City in the amount of \$70,000. The PILOT arrangement shall terminate on the day before the respective January 1st of the year during which the City determines that Village on Park no longer qualifies for property tax exemption or termination of ownership of Village on Park by the CDA. PILOT expense totaled \$70,000 for the year ended December 31, 2023.

The CDA has received federal and state grants for specific purposes that are subject to review and audit by the grantor agencies. Such audits could lead to requests for reimbursements to the grantor agency for expenditures disallowed under terms of the grants. Management believes such disallowances, if any, would be immaterial.

Truax Park Redevelopment, Phase I, LLC entered into a Project Based Housing Assistance Payments Contract (the Agreement) with the CDA. The CDA has entered into a Consolidated Annual Contributions Contract with HUD allowing its participation in HUD's Section 8 Project Based Housing Assistance Payments Program (the Program). The Agreement, approved by HUD, authorizes the CDA to set aside on a long-term basis 24 certificates for future residents of the project. Under terms of the Program, each household that holds a certificate pays 30% of its annual income for rents and utilities, provided that the rent and utilities do not exceed the applicable fair market rents (FMR). The agreement may be terminated upon at least 30 days notice if it is determined that the contract units were not meeting HUD requirements. The length of the initial term of the contract is 15 years.

*Burr Oaks Senior Housing, LLC*

Burr Oaks Senior Housing, LLC entered into a property management agreement with a third party. A management fee in the amount of 8% of the effective gross income (rental and other incidental income received on a cash basis) is payable on a monthly basis. A portion of the monthly management fee equal to 2% of effective gross income shall be deferred without interest and payable only out of available cash flow as defined in the operating agreement. The deferred management fee shall not exceed an annual amount of \$7,500. Management fees incurred under this agreement totaled \$36,473 for the period ended December 31, 2023. Of this amount, \$7,500 has been deferred as of December 31, 2023.

Burr Oaks Senior Housing, LLC has entered into a LURA with WHEDA as a condition to receiving an allocation of low-income housing tax credits. Under this agreement, Burr Oaks Senior Housing, LLC must continuously comply with IRC Section 42 and other applicable sections of the IRC. The agreement places occupancy restrictions on rents and the minimum percent of units which shall be occupied by individuals or families whose income meets the requirements set under IRC Section 42. If Burr Oaks Senior Housing, LLC fails to comply with this agreement or with the IRC, it may be ineligible for low-income housing tax credits, and the members may be required to recapture a portion of the tax credits previously claimed on their income tax returns. In addition, noncompliance may require an adjustment to the contributed capital of the investor member. Burr Oaks Senior Housing, LLC is obligated to certify tenant eligibility.

The managing member received \$385,000 from the City of Madison through the HOME program. This amount was subsequently loaned to Burr Oaks Senior Housing, LLC by the managing member. Burr Oaks Senior Housing, LLC is subject to a HOME loan agreement and LURA which specifies that there shall be 11 HOME-assisted units in the project. Occupancy of these units is restricted to tenants whose income does not exceed a certain percentage of the published County Median Income (CMI), adjusted for family size. Certain rent limits also apply to these units. The agreement is in force until 20 years after the date of project completion.

Burr Oaks Senior Housing, LLC entered into a Project Based Housing Assistance Payments Contract (the Agreement) with the managing member. The managing member has entered into a Consolidated Annual Contributions Contract with HUD allowing its participation of HUD's Section 8 Project Based Housing Assistance Payments Program (the Program). The Agreement, approved by HUD, authorizes the CDA to set aside certificates for future residents of the project. Under terms of the Program, each household that holds a certificate pays 30% of its annual income for rents and utilities, provided that the rent and utilities do not exceed the CDA's payment standards.

In addition, noncompliance may require an adjustment to the contributed capital of the investor members. Truax Park Development, Phase 2, LLC is obligated to certify tenant eligibility.

In connection with the mortgage note payable to the City of Madison, Truax Park Development, Phase 2, LLC is subject to a HOME loan development agreement and LURA which specifies that there shall be eight (8) HOME-assisted units in the project. Occupancy of these units is restricted to tenants whose income does not exceed a certain percentage of the published County Median Income (CMI) for Dane County, Wisconsin, adjusted for family size. Certain rent limits also apply to these units. The HOME loan development agreement and LURA are in force until 20 years after the date of project completion.

In connection with the AHP loan with the CDA, Truax Park Development, Phase 2, LLC is subject to an AHP Retention/Recapture Agreement that requires the project to maintain certain affordability requirements for 48 units for a period of 15 years. Certain rent limits also apply to these units. Of these 48 units, 29 are restricted to tenants whose annual income is equal to or less than 50% of area median income and remaining 19 units are restricted to tenants whose annual income is equal to or less than 60% of area median income.

Truax Park Development, Phase 2, LLC and the CDA entered into a sub-management agreement with Porchlight, Inc. Pursuant to the terms of the property management agreement between the company and the CDA, the CDA delegated certain management responsibilities with respect to the 8 units in a separate building to Porchlight, Inc. Truax Park Development, Phase 2, LLC is obligated to pay a monthly fee equal to the lesser of \$500 or the net cash flow received from the operation of the project. The agreement shall be in effect from October 1, 2015 until the 15th anniversary of the last day of the month in which first occupancy of the project shall occur. After the initial term and each successive renewal term, the agreement shall be deemed renewed automatically for a one-year period. Sub-management fees incurred totaled \$6,000 for the period ended December 31, 2023.

Truax Park Development, Phase 2, LLC entered into a Project Based Housing Assistance Payments Contract (the Agreement) with the CDA. The CDA has entered into a Consolidated Annual Contributions Contract with HUD allowing its participation in HUD's Section 8 Project Based Housing Assistance Payments Program (the Program). ***D. OTHER POST-EMPLOYMENT BENEFITS (OPEB)***

***General Information About the OPEB Plan***

***Plan description.*** The City of Madison (City) sponsors a single-employer defined benefit healthcare plan, (the Retiree Health Plan). The Plan provides healthcare coverage to eligible retired City employees and their spouses, which covers both active and retired members. The Plan is affiliated with the Wisconsin Public Employer's Group Health Insurance – Dane County service area plan, a purchasing plan administered by the State of Wisconsin. Benefit provisions are established through collective bargaining agreements. The Retiree Health Plan does not issue a publicly available financial report. No assets are accumulated in a trust that meets the criteria in paragraph 4 of Statement 75.

***Benefits provided.*** Contribution requirements are established through collective bargaining agreements and may be amended only through negotiations between the City and the union. The Plan provides eligible retirees with the opportunity to stay on the City's health insurance plan. ***Total OPEB Liability***

The CDA's total OPEB liability of \$776,159 was measured as of December 31, 2023, and was determined by an actuarial valuation as of January 1, 2023, rolled forward as of December 31, 2023..

***Actuarial assumptions and other inputs.*** The total OPEB liability in the actuarial valuation was determined using the following actuarial assumptions and other inputs, applied to all periods included in the measurement, unless otherwise specified:

Inflation	2.50%	
Salary increases	3.40-7.80%	
Healthcare cost trend rates	8.0%	Initially reduced by decrements to an ultimate of 4.5% after 7 years
Retirees' share of benefit-related costs	100%	
Discount Rate	4.00	

The discount rate was based on the yield for 20-year, tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher as of the measurement date.

Mortality rates are from SOA RPH-2022 Total Dataset Mortality Table fully generational using Scale MP-2022.

Other assumptions are based on a City-determined analysis of past trends and future expectations.

*Changes in assumptions.* Based on a three-year experience study conducted in 2021 covering January 1, 2018 through December 31, 2020, the ETF Board adopted assumption changes that were used to measure the total pension liability beginning with the year-end December 31, 2021, including the following:

- Lowering the long-term expected rate of return from 7.0% to 6.8%
- Lowering the discount rate from 7.0% to 6.8%
- Lowering the price inflation rate from 2.5% to 2.4%
- Lowering the post-retirement adjustments from 1.9% to 1.7%
- Mortality assumptions were changed to reflect updated trends by transitioning from the Wisconsin 2018 Mortality Table to the 2020 WRS Experience Mortality Table

Based on a three-year experience study conducted in 2018 covering January 1, 2015 through December 31, 2017, the ETF Board adopted assumption changes that were used to measure the total pension liability beginning with the year-ended December 31, 2018, including the following:
