RE: LNDCSM-2021-00043; ID 68888 – Certified Survey Map – 4805-4813 Tokay Blvd. (Eric Sandgren)

Dear Chris;

The two-lot Certified Survey Map re-dividing 4805-4813 Tokay Boulevard, Section 29, Township 7N, Range 9E, City of Madison, Dane County, Wisconsin, is hereby **conditionally approved**. The property is zoned SR-C1 (Suburban Residential–Consistent 1 District). The conditions of approval from the reviewing agencies to be satisfied prior to final approval and recording of the CSM are:

Please contact Tim Troester of the City Engineering Division at (608) 267-1995 if you have questions regarding the following item:

1. A minimum of two (2) working days prior to requesting City Engineering Division sign-off on the CSM contact either Tim Troester (West) at 261-1995 (ttroester@cityofmadison.com) or Brenda Stanley (East) at 261-9127 (bstanley@cityofmadison.com) to obtain the final stormwater utility charges that are due and payable prior to sub-division of the properties. The stormwater utility charges (as all utility charges) are due for the previous months of service and must be cleared prior to the land division (and subsequent obsolesces of the existing parcel).

Please contact Jeff Quamme of the City Engineering Division–Mapping Section at (608) 266-4097 if you have questions regarding the following eight (8) items:

2. Add text to the 5-foot utility easement that the easement was as granted by Certified Survey Map 131, Document No. 1087538.
3. Add a note that this CSM is subject to Reservations, Restrictions and Covenants contained in Document No. 788211, partially released by Document No. 1087634.
4. Wisconsin Administrative Code A-E 7.08 identifies when Public Land System (PLS) tie sheets must be filed with the Dane County Surveyor's office. The Developer's Surveyor and/or Applicant must submit copies of required tie sheets or monument condition reports (with current tie sheet attached) for all monuments, including center of sections of record, used in this survey, to Jeff Quamme, City Engineering (jrquamme@cityofmadison.com).

5. Prior to City Engineering Division final sign-off by main office for Certified Survey Maps (CSM), the CSM shall be submitted in PDF format by email transmittal to Engineering Land Records Coordinator Jeff Quamme ([jrquamme@cityofmadison.com](mailto:jrqamme@cityofmadison.com)) for final technical review and approval. This submittal must occur a minimum of two working days prior to final Engineering Division sign-off.
6. Provide a recorded-as distance on the tie from the West Quarter Corner of 996.35 feet. Also correct the square footage under the legal description to 26,416 square feet.
7. Change the hatching for the rock wall to a line type hatch. The solid hatch will blend with the line work upon being scanned at the Register of Deeds and the detail will be illegible.
8. Remove note 1 or revise to acknowledge the title report that has been provided.
9. The applicant shall submit to Jeff Quamme, prior to final Engineering sign-off of the subject CSM, one (1) digital CADD drawing in a format compatible with AutoCAD. The digital CADD file(s) shall be referenced to the Dane County Coordinate System and shall contain, at minimum, the list of items stated below, each on a separate layer/level name. The line work shall be void of gaps and overlaps and match the final recorded CSM: right of way lines (public and private); lot lines; lot numbers; lot/plat dimensions; street names, and; easement lines (including wetland and floodplain boundaries).

*This transmittal is a separate requirement than the required submittals to Engineering Streets Section for design purposes. The Developer/Surveyor shall submit new updated final plat, electronic data and a written notification to Engineering Mapping for any changes to the plat which occur subsequent to any submittal.

Please note that the City's Office of Real Estate Services is reviewing the report of title provided with this survey and may have comments. That office will send any comments separately. If you have any questions, please contact Heidi Radlinger at (608) 266-6558 for more information.

Prior to approval sign-off by the Office of Real Estate Services, the Owner's Certificate on the CSM shall be executed by all parties of interest having the legal authority to do so, pursuant to Wis. Stats. 236.21(2)(a).

Per 236.21(3) Wis. Stats. and MGO Section 16.23(5)(g)(1), the property owner shall pay all real estate taxes that may become due prior to CSM recording. Receipts from the City of Madison Treasurer are to be provided before or at the time of sign-off. Any special assessments shall also be paid in full pursuant to MGO Section 16.23(5)(g)1.

Pursuant to MGO Section 16.23(5)(g)(4), the owner shall furnish an updated title report to Heidi Radlinger (hradlinger@cityofmadison.com), as well as the survey firm preparing the proposed CSM. The report shall search the period subsequent to the date of the initial title report submitted with the CSM application and include all associated documents that have been recorded since the initial title report. A title commitment may be provided, but will be considered only as supplementary information to the title report update. The surveyor shall update the CSM with the most recent information reported in the title

update. ORES reserves the right to impose additional conditions of approval in the event the title update contains changes that warrant revisions to the CSM.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

A resolution approving the CSM and authorizing the City to sign it and any other documents related to the proposed land division will be reviewed by the Common Council at its February 22, 2022 meeting.

In order to commence the process for obtaining the necessary City signatures on the Certified Survey Map, the applicant shall e-mail the revised CSM, updated title report, and any other materials required by reviewing agencies to the reviewing planner. The reviewing planner will share the updated materials with the relevant commenting City agencies for them to verify that their conditions have been satisfied and that the secretary or designee may sign the Plan Commission approval certificate. Once the Plan Commission certificate is executed, the Planning Division will make the City Clerk's Office aware that the Common Council certificate may be executed.

Once all of the necessary City signatures have been affixed to the Certified Survey Map, the instrument may be recording at the Dane County Register of Deeds Office. For information on recording procedures and fees, please contact the Register of Deeds at (608) 266-4141.

Any appeal from this action, including the conditions of approval, must be filed with the Circuit Court within 30 days from the date of this letter. **The approval of this CSM shall be null and void if not recorded in twelve (12) months from the date of the approving resolution or this letter, whichever is later.**

If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at (608) 261-9632.

Sincerely,

Timothy M. Parks
Planner
