hosting provided by Implicit Technologies, Inc.

Safety and Security

We contracted with the Madison Police Department for two Special Duty Police Officers to be at the parade site. We have the help of one or more Police Explorer Scouts to help man the barricades and with crowd control. We also have multiple other volunteers to help with crowd control. We have applied for a State Facility Use permit application with the Wisconsin Capitol Police.

Notification of Event for Alder, Businesses, and Residents

We will have radio and TV announcements of the event, we post flyers at many public bulletin boards (and hope to have them placed in the city kiosks around the square), We have a permit for a banner over Campus Dr. Most of these items will come into play in the two weeks prior to the event.

I will be contacting the appropriate city alder within the next couple of days, probably by email.

I have attached a copy of last years poster as this years is not yet printed, but it will be substantially similar.

Recycling Plan

The parade committee does not sell nor distribute any materials destined for either recycling or landfill.
