ALRC Members,

I'm requesting to have the Lakeside Coffee House entertainment license referred to your Sept 17th meeting. I misunderstood the scope of the license: there is a newish wine-bar area at the business I was unfamiliar with (and wasn't mentioned in the application), not just the original back cafe area that I frequent.

Initially, through speaking with the owner, reading the application, and my own (apparently only partial) experience with the business I thought this would be an easy yes and thoroughly without controversy. Now that I have better information I believe this warrants a meeting with the neighborhood association, which meets next on Sept 7th.

Thanks for doing this, and thank you for your service on the committee.
