

*BPW Meeting December 15, 2010:*

*Review of Projects by Engineering Environmental Staff for Impacts to Water Resources*

**5. Sherman Ave and Brearly Street Reconstruction**

This project will disturb over an acre, which will require a WRAPP permit from the DNR as well as a City of Madison Engineering Stormwater and Erosion Control permit. (Sally Swenson, City Engineering)

**7. North Webster/E Dayton/North Pinckney Street Reconstruction**

**8. North Carroll/W Dayton Street Reconstruction**

The two projects above will be bid as one project. Together, these projects will have over an acre of land disturbance, which will require a WRAPP permit from the DNR as well as a City of Madison Engineering Stormwater and Erosion Control permit. (Greg Fries, City Engineering)
