To whom it may concern

I am writing this letter on behalf of myself and our business that is located at 803 East Washington ave. (Vintage Brewing Company). I would like to convey our support and excitement for the new hotel project (Moxie) proposed in our neighborhood.

If anyone has questions of us please let us know.

Thank you

Trent,

That's awesome! For now, you can send it to me. If I receive different instructions from the Commission, I will let you know. If your partner is willing to write one also, that would be great! I'm saving your number in my phone. Thanks again!

Ryan

Luckily the generic email goes directly to wife Brittany. I would love to write a letter in support for you. Email me back who I should direct it to and I will type one up. My #is 6085772693 if you need it. If it helps I could have my partner write one as well.

Thanks Trent
