Caution: This email was sent from an external source. Avoid unknown links and attachments.

Hello,

I'm registering to support the revision to Luna's liquor license to allow the sale of one can of beer. File # [93863](#)

I live in the Allied Dunn's Marsh neighborhood and often shop at Luna's. The current licensing requirement has the perverse effect of making me buy MORE beer than I want when I go to Luna's. My husband likes to get the flavored Modelo Micheladas that Luna's sells, and he likes to get a couple different flavors. But because of their restrictions, I have to buy two of each--I can't just buy one michelada de piña and one michelada de fresa. I have to get a total of two of each, or a total of FOUR. That, or I would need to get a bigger variety pack!

Plus, it is important to me that Luna's succeeds because they are my neighborhood grocery store. They are a convenient place where I can quickly run and buy milk, eggs, tortillas, or avocados. The current restriction is a headache for Luna's staff to enforce. If this change will make things easier for them, I support it!

Finally, Luna's is a positive influence in our neighborhood. They run a friendly and welcoming store where most clients are buying a variety of groceries and prepared foods, unlike some of the nearby liquor stores and gas stations that also sell liquor. I have never seen anyone loitering or drinking outside the store. Some of the other nearby liquor stores and gas stations do not feel as friendly and welcoming.

Thanks.

Subject: Against Proposed Liquor License Extension for Fya Syde Kitchen

Dear members of the Alcohol License Review Committee,

I am writing to express my opposition to the license application which Fya Syde Kitchen, 1925 Monroe Street, has submitted to be allowed to serve alcohol beyond 11 pm (LICPCH-2026-00392). According to the "Change of Conditions" form which its owners Nicolette Beckford and Xavier Fuller submitted on June 1, 2026, they want to extend the closing time "to 2 am for at least one day of the week, or 12 am for 2 days of the week, preferably Sunday and Friday, or holidays."

Fya Syde Kitchen is located in the middle of a residential neighborhood that is generally quiet after 9 pm. This restaurant has already disrupted that quiet in recent months by hosting karaoke nights on Sunday evenings and events on other nights that run until 11 pm (the end time of their current license; their regular closing time, as stated on their website, is 8 pm Tues-Sat. and 11 pm on Sunday). Because Fya Syde Kitchen has no parking lot, its patrons who do not live in the neighborhood park on Monroe Street or on residential streets adjoining it. There have been several Sunday evenings over the past two months when customers leaving Fya Syde at 11:15 pm made so much noise that I and other residents living on S. Prospect Avenue went outside in alarm.

I have not, personally, filed an official noise complaint with the Madison Police about these incidents. However, I have contacted my Alder, Tag Evers, along with the presidents of the Dudgeon Monroe Neighborhood Association and the Vilas Neighborhood Association. My husband, Steve Jacobs, and I attended a meeting of the VNA last Wednesday (August 12) which was organized to allow neighbors to ask questions and express their concerns to the owners of Fya Syde, Beckford and Fuller. Beckford and Fuller failed to show up at that meeting.

The neighborhood around Monroe Street is home to many families, school-aged children, and early-morning workers who depend on late-night quiet hours to sleep. Granting Fya Syde Kitchen the right to serve alcohol after 11 pm would create noise and late-night disruption during those hours. It would also create a public safety hazard: if Fya Syde patrons drank up to midnight or 2 am and then took to the road, we would have intoxicated drivers operating their vehicles on our local streets.

While I appreciate having Fya Syde Kitchen as a local restaurant, I believe the current 11:00 pm closing time is appropriate for a restaurant/bar on Monroe Street. I respectfully ask that your committee maintain this restaurant's existing closing time and decline the request to extend it. Monroe Street is not Regent Street or State Street, and it should not be turned into either.

.

Thank you for taking note of these concerns while you deliberate about this application.

Sincerely,

Anne Vila, 702 S. Prospect Ave, Madison WI 53711

Subject: VNA Request for Referral for ALRC 8/19/26 Agenda #13 - Fya Syde

ALRC-

Regarding 8/19/26 agenda item #13 (93870), the Vilas Neighborhood Association (VNA) requests a referral of the the liquor license application for Fya Syde Kitchen at 1925 Monroe Street until the owners can meet with the neighborhood to address concerns and answer questions.

The owners of Fya Syde were scheduled to attend the 8/12/26 VNA meeting but could not attend at the scheduled time due to their duties at the restaurant. When they joined about 75 minutes late, the attendees with an interest in this topic had already left. Several nearby neighbors in the Vilas and Dudgeon-Monroe neighborhoods had been in attendance and expressed concerns with noise disturbances at the current closing time and were opposed to the proposed changes. We are in discussions with the owners to schedule a special meeting of the VNA/DMNA to discuss this application in advance to the September 16 ALRC meeting.

Thanks for your consideration,
-Doug Carlson, VNA President

For The Gallery, this heritage menu pays homage to Wisconsin classics but with bold new flavors and unique presentations. The breakfast and lunch menus take inspiration from the core dinner menu - limited in selections to focus on "best of" items for morning and mid-day. The Quorum menu is as much about cuisine as it is performance, with several items that will deliver a bit of theater to private dining events.

Madison Public Market Bar Corporation - Business Plan

Business Overview

Madison Public Market Bar Corporation ("MPM Bar Corporation") is a Wisconsin corporation established to own and operate the beverage service at the Madison Public Market, located at **202 N. First Street, Madison, Wisconsin**.

The corporation has been formed specifically to obtain and maintain all required alcohol beverage licenses and to operate a professionally managed bar that enhances the Madison Public Market experience by providing responsible beverage service in a welcoming, community-oriented environment. The bar is intended to complement the Market's mission of supporting local entrepreneurs, creating community gathering spaces, and encouraging visitors to spend more time enjoying the diverse food, retail, and cultural offerings available throughout the Market.

Business Concept

The Madison Public Market Bar will operate as a full-service walk-up bar occupying approximately **525 square feet** within a **1,051-square-foot** leased space (Space 810). The bar is designed to provide guests with a convenient place to enjoy beverages while dining on food purchased from Madison Public Market merchants.

The beverage program will feature a curated selection of:

- Wisconsin craft beers on draft and in package
- Wines by the glass and bottle
- Premium distilled spirits and handcrafted cocktails
- Non-alcoholic beer and wine
- Soft drinks and other non-alcoholic beverages

The bar will include approximately twelve seats at the bar along with high-top tables to encourage guests to gather, socialize, and enjoy food from throughout the Market. The design emphasizes an open, welcoming atmosphere that complements the Market's communal dining environment.

Operations and Management

MPM Bar Corporation will employ its own management and staff and will be responsible for all beverage operations, including purchasing, inventory management, customer service,

financial controls, and compliance with all applicable federal, state, and local alcohol beverage laws.

All employees serving alcohol will complete Wisconsin Responsible Beverage Server Training and any additional training required by law or corporate policy. The corporation will maintain all required liability insurance and implement policies governing age verification, responsible alcohol service, inventory management, and operational safety.

The corporation's directors and officers will provide governance and oversight, while day-to-day operations will be managed by experienced leadership responsible for staffing, training, scheduling, purchasing, and regulatory compliance.

Role Within the Madison Public Market

The Madison Public Market is envisioned as one of Madison's premier year-round public gathering places, attracting residents, downtown employees, students, families, and visitors. Successful public markets throughout the United States commonly include beverage service as an amenity that enhances the overall visitor experience, encourages longer visits, and supports the success of food merchants.

The Madison Public Market Bar is intended to complement—not compete with—Market merchants by providing beverage options that pair with the diverse cuisines offered throughout the Market. Guests will be encouraged to purchase food from Market merchants and enjoy it alongside beverages served by the bar in shared seating areas.

In addition to daily beverage service, the bar may provide beverage service for private rentals, community events, educational programming, and special events hosted within the Madison Public Market.

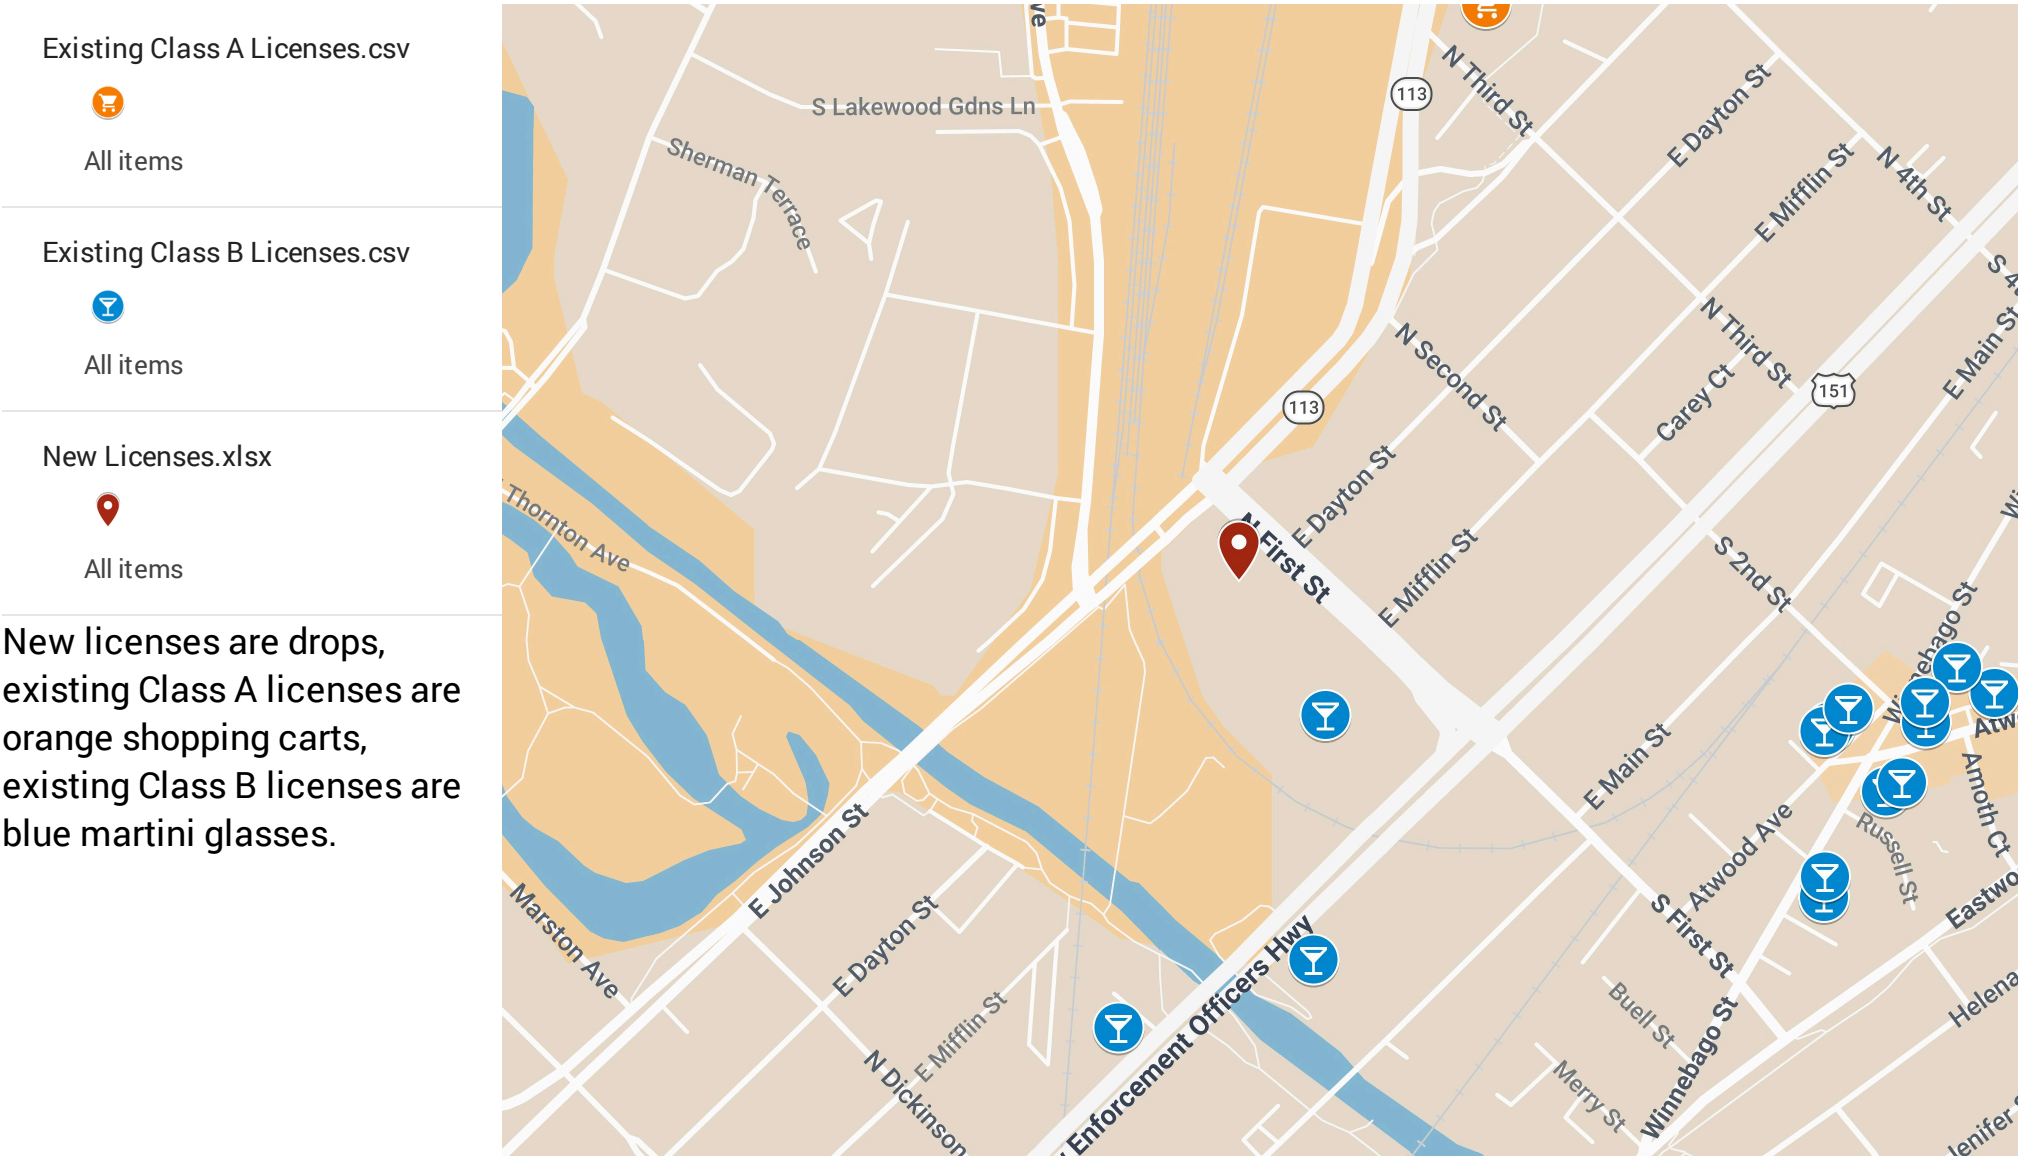

Financial Outlook

The corporation's primary revenue sources will include:

- Alcohol beverage sales
- Non-alcoholic beverage sales
- Beverage service for private events
- Beverage service for Market-sponsored programming and facility rentals

The corporation anticipates beverage cost of goods sold in the range of **25%–27% of sales**, consistent with industry benchmarks for professionally managed beverage operations. Operating expenses will include staffing, inventory, insurance, licensing, equipment maintenance, utilities, and administrative costs.

Madison, Wisconsin. 53716 Yes, by email. lhillier@charter.net All Alders Liquor license for public market I oppose a liquor license for the new public market. This was never discussed in the review of funding to build the market and turning the market into an entertainment and drinking venue wasn't what the community sought.

If the operators already see an operating budget shortfall it should be closed until they can get their finances in order.

- Strong neighborhood traffic and destination dining appeal
- Close proximity to University of Wisconsin and residential areas

Brand Story

begonia. is a restaurant shaped by movement, memory, and the belief that food should feel as alive as the people gathered around it.

At its core is Chef Christopher Lund, whose path began in the Bay Area, where a deep respect for ingredients and seasonality took root early. At twenty, he moved to the Southwest, where he refined his craft in the kitchens of Scottsdale, working under Chef Matt Carter at The Mission. There, he was immersed in bold flavors, live-fire cooking, and the layered traditions of Latin cuisine—eventually rising to Chef de Cuisine.

But begonia. is not a replication of those places. It is what happens after them.

After years in high-intensity kitchens, Christopher and his family made the decision to move to Madison—not to chase accolades, but to build something lasting. Something rooted in community, in family, and in the kind of restaurant people return to again and again.

begonia. is the evolution of that idea.

The menu draws from the heat and brightness of the Southwest, the precision of West Coast cooking, and the seasonal rhythms of the Midwest. It is not traditional, but it is deeply respectful—of ingredients, of technique, and of the cultures that inspire it. Dishes are bold but balanced, refined without being precious, and designed to be shared, remembered, and craved.

The room reflects that same philosophy. With just 36 seats, begonia. is intentionally intimate. Every guest matters. Every plate is personal. The energy is lively but unforced—a place where a casual drink can turn into a full evening, where a date becomes a celebration, and where the experience feels both elevated and completely at ease.

Hospitality is at the center of everything. This is a family-run restaurant, and that spirit is felt in the way guests are welcomed, the way the team works together, and the way the space is cared for night after night.

The name begonia. reflects both resilience and beauty—something that thrives with attention and care. It is a reminder that what is being built here is meant to grow, to evolve, and to endure.

begonia. is not trying to be the loudest restaurant in the room. It is focused on being the one people think about the next day—and the one they come back to the next week.

Conclusion

begonia. is positioned to become a standout restaurant in Madison by combining a unique culinary identity with strong execution and hospitality. With a focused concept, experienced leadership, and disciplined operations, the restaurant is designed for both critical success and financial sustainability.

ALRC-

Regarding 8/19/26 agenda item #20 (94209), the Vilas Neighborhood Association (VNA) supports the liquor license application for Begonia at 1835 Monroe Street.

The owners of Begonia held an open house on July 28 at their location to discuss their application and answer questions. I attended and asked about hours, service, bar location, and corking. All aspects are consistent with the previous restaurant (Kettle Black) and we are not aware of any problems arising from this establishment.

This application was briefly discussed at the 8/12/26 VNA meeting and nobody in attendance expressed any concerns or opposition, and all verbally agreed that I should register our support on behalf of the VNA.

Thanks for your consideration,
-Doug Carlson, VNA President

Hi Jim,

Thank you for confirming that an email can serve as our formal request. Also, good news on the availability of the grandfathered licenses. I really hope we can secure one and avoid the fee.

Please see below:

On behalf of Amigo Moderno LLC, I am formally requesting an extension of the September 24, 2026 deadline for issuance of our alcohol license for **313 W. Johnson Street, Madison, WI**.

Our restaurant is currently under active construction, and unfortunately, we are experiencing delays with several components of the project, including millwork, furniture, and fixture deliveries. These delays are affecting our ability to confidently complete all required inspections and licensing requirements by September 24.

Construction is progressing, and we are doing everything possible to complete the project as quickly as we can. Our current goal is to open in October, but because some of the remaining construction items are dependent on vendor and delivery schedules outside of our control, we would like to request an extension **through November 30, 2026** to provide sufficient time to complete construction, pass all required inspections, and have the license issued. We fully anticipate opening no later than November 2026.

Please consider this email our formal request to have the extension presented to the Alcohol License Review Committee and Common Council.

Please let me know if you need any additional information or documentation from me to process the request.

Thank you very much for your assistance throughout this process.

Warm Regards,

Tanya Zhykharevich

President
