Dear Shiva,

I unfortunately will not be able to attend the committee meeting this evening when the fate of the chronic nuisance will be discussed. I would like to register my feeling that this ordinance should become permaninet and not allowed to "sunset". The city has been very judicious in its use of the ordinance and I don't feel that there is any necessity for the changes proposed by the EOC. Attorney Jennifer Zilavy has addressed this issue previously and has noted that these changes could become an impediment to application of the ordinance. I would like to see the ordinance become permanent is its current form.

Thank you for passing this along to members of the committee.

Karen
