Re: Certificate of Appropriateness for 2112 Regent Street

At its meeting on November 19, 2018, the Landmarks Commission reviewed, in accordance with the provisions of the Historic Preservation Ordinance, your plans to construct a new garage structure located at 2112 Regent Street in the University Heights Historic District. The Commission approved a Certificate of Appropriateness to construct a detached garage structure with the condition that you will finalize door and window details with staff.

This letter will serve as the "Certificate of Appropriateness" for the project described above. When you apply for a building permit, take this letter with you to the Building Inspection Counter, Department of Planning and Development, 215 Martin Luther King Jr Blvd, Suite 017.

Please note that any scope of work or design changes from the alterations approved herein must receive approval by the Landmarks Commission, or staff designee, prior to commencing with the work. This Certificate is valid for 24 months from the date of issuance.

Please also note that failure to comply with the conditions of your approval is subject to a forfeiture of up to \$500 for each day during which a violation of the Landmarks Commission ordinance continues (see Madison General Ordinances Chapter 41, Historic Preservation Ordinance).
