RE: Approval of a conditional use for a brewery with a tasting room in an existing building in the Industrial Limited (IL) District.

Dear Mr. Easton:

At its June 22, 2015 meeting, the Plan Commission found the standards met and **approved** your request for a conditional use at 1806-1808 Wright Street, subject to the conditions below. In order to receive final approval of the conditional use, and for any necessary permits to be issued for your project, the following conditions shall be met:

Please contact Matt Tucker, Zoning Administrator at 266-4569 if you have questions regarding the following 2 items:

1. Provide the minimum required number of bicycle parking spaces (minimum of 2 bicycle parking stalls) per Table 28I-3 and section 28.141(11) to be shown on the final plans. The bicycle parking spaces shall be located in a convenient and visible location on a paved or impervious surface. A bicycle stall is a minimum of 2 feet by 6 feet with a 5-foot wide access aisle. Submit a detail showing the model of bike rack to be installed.
2. Signage approvals are not granted by the Plan Commission. Signage must be reviewed for compliance with Chapter 31 Sign Codes of the Madison General Ordinances. Signage permits are issued by the Zoning Section of the Department of Planning and Community and Economic Development.

Please contact Eric Halvorson, Traffic Engineering, at 266-6527 if you have questions regarding the following 4 items:

3. The applicant shall submit one contiguous plan showing proposed conditions and one contiguous plan showing existing conditions for approval. The plan drawings shall be scaled to 1" = 20' and include the following, when applicable: existing and proposed property lines; parcel addresses; all easements; pavement markings; signing; building placement; items in the terrace such as signs, street light poles, hydrants; surface types such as asphalt, concrete, grass, sidewalk; driveway approaches, including those adjacent to and across street from the project lot location; parking stall dimensions, including two (2) feet of vehicle overhang; drive aisle dimensions; semitrailer movement and vehicle routes; dimensions of radii; and percent of slope
4. The Developer shall post a security deposit prior to the start of development. In the event that modifications need to be made to any City owned and/or maintained traffic signals, street lighting,

signing, pavement marking and conduit/handholes, the Developer shall reimburse the City for all associated costs including engineering, labor and materials for both temporary and permanent installations.

5. The City Traffic Engineer may require public signing and marking related to the development; the Developer shall be financially responsible for such signing and marking.
6. All parking facility design shall conform to MGO standards, as set in section 10.08(6))

Please contact Janet Schmidt, City Engineering Division at 261-9688 if you have questions regarding the following 2 items:

7. The applicant shall submit, prior to plan sign-off, digital PDF files to the Engineering Division (Jeff Benedict or Tim Troester). The digital copies shall be to scale, and shall have a scale bar on the plan set. (POLICY and MGO 37.09(2)).

PDF submittals shall contain the following information:

- a) Building footprints
 - b) Internal walkway areas
 - c) Internal site parking areas
 - d) Lot lines and right-of-way lines
 - e) Street names
 - f) Stormwater Management Facilities
 - g) Detail drawings associated with Stormwater Mgmt Facilities (including if applicable planting plans)
8. This project appears to have proposed uses which could require sanitary sewer demand charges or monitoring of the discharge of sanitary sewerage. The applicant shall install a monitoring manhole on the exterior of the building in compliance with City of Madison Engineering criteria. Please contact Tim Troester, 608-267-1195 with question regarding this requirement.

Please contact Dennis Cawley of the Water Utility at 266-4651 if you have any questions about the following 2 items:

9. This property is not in a wellhead protection district.
10. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility.

Please contact Bill Sullivan of the Fire Department at 261-9658 if you have any questions regarding the following item:

11. The Madison Fire Department does not object to this proposal provided the project complies with all applicable fire codes and ordinances.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency. No building permits shall be issued until the applicant has met all of the conditions of approval stated in this letter.

Please now follow the procedures listed below for obtaining your permits:

1. Please revise the plans per the above conditions and file **eight (8)** sets of complete, fully dimensioned, and to-scale plans, along with the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code. Also provide any other documentation requested herein with the Zoning Administrator, Room LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard.
2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting building permit approval.
3. No alteration of this proposal shall be permitted unless approved by the Plan Commission, provided, however, the Zoning Administrator may issue permits for minor alterations. This approval shall become null and void one year after the date of the Plan Commission unless the use is commenced, construction is under way, or a valid building permit is issued and construction commenced within six months of the issuance of said building permit.

If you have any questions regarding obtaining the conditional use approval, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 266-5974.

Sincerely,

Heather Stouder, AICP
Planner

cc: Janet Schmidt, City Engineering Division
Jeff Quamme, City Engineering Division
Matt Tucker, Zoning Administrator
Bill Sullivan, Fire Department
Eric Halvorson, Traffic Engineering

I hereby acknowledge that I understand and will comply with the above conditions of approval for this demolition permit and conditional use.
