Kevin,

I don't know if I sent in the appeal or not. If not can I do so online and still get on the Agenda for April 11?

Thank you, Ken

The issue of Planting the Trees in the ROW is what the Parks Commission will review and act upon.

All other issues can be discussed w/ Mr. Hank. KB

Kevin,

Help me understand who the contacts are and their role.

You are for the Parks Commission and the issue of the plantings on the public right of way

Is there someone at Traffic Control?

George Hank and Scott Kerr are the contacts for building inspection?

I'm asking this so I and others could be in contact with the correct people.

Thank you,  
Ken

Mr. Backus-

Pursuant to our conversation and your official notice (CB2012-017-00234) to remove the trees planted in the public right-of-way, please have the trees removed by April 1 or submit your appeal of the official notice to the Madison Parks Commission by the same date, April 1, to be placed on the agenda of the Board of Park Commissioners for the April 11 Meeting. Your appeal can be directed to me at the address indicated below.

Thanks, KB
