

Dear TPC,

My name is Aaron Hoffmaster and I am

A Junior at Lofollette High School. I live

in the Owl Creek area and I would

like the bus times to be extended. Having

the times extended would allow me to get

a job outside of the McFarland area and

stay after school for later events. It will also

allow me to visit friends in Madison and

have a safe way home later in the evening.

Please ~~consider~~ consider extending the times

for the Owl Creek bus route.

Sincerely,

Aaron Hoffmaster

hey my name is Alontae I recently moving from
the great gray area but I would still
like to come back and visit my friends
that I have over there but I can't
~~at~~ because the bus system and how
it's set up, but I think you guys
should extend the bus route schedule
to an later time so at least after
work or school I could come
over and see friends for a hour or two.
