Maribeth, Steve –

Captain McLay and I met with this applicant and are willing to support the application if and only if we can attach the following conditions:

- 1) Business hours will remain Sunday – Thursday until 9pm and Friday-Saturday until 10pm
- 2) A full menu will be available at all times
- 3) The applicant will develop a security plan in conjunction with the North Police District
- 4) If the business wishes to host private parties, staff shall be on site at all times
- 5) The entertainment license will be suspended immediately if there is an incident of violence
- 6) after 6 months the applicant will meet again with Captain McLay and myself to evaluate the situation

Steve, can you please help us put this into the appropriate language?

Mike and/or Shiva, would you be willing to make this motion?

Thanks  
Satya
