Hello,

We had a traffic study on Moorland Road, and I don't see it in the agenda for tonight's meeting. Please direct me to it, if it is there.

We live on a residential street with a bus route (Moorland Road). People are recklessly driving down our street all the time. We've had multiple crashes, car roll overs (cars flipped right where children line up for the school buses), fatalities, and pedestrians hit (our son was one of them).

We need something to be done, and are getting nowhere.

When they did the traffic study, my husband spoke to the officers and there were people clocked upwards of 55 mph. The limit is 25.

I'd like to know what will be done to keep our streets safer.

Thank you,

Sayhra Schiro

¡ciao!
