Fiscal Note

The proposed resolution authorizes the agreement between Metro Transit and Dane County for pass-through funding in the total amount of \$752,450 in 2018 for costs associated with the MA Community Integration Program for paratransit service costs as required by the Americans with Disabilities Act (ADA). Metro will receive this funding in 2018 to directly offset costs associated with the paratransit service during the program transition from Dane County to the State's Family Care program in 2018. This resolution authorizes receipt of funding from Dane County in the amount of \$752,450, which was not anticipated in Metro's 2018 executive operating budget. It is anticipated that the budgeted revenue and expense for the MA Waiver program will be updated to reflect the full \$752,450 prior to Metro Transit's 2018 budget adoption. The revenue proposed in this resolution is directly offset by costs associated with providing paratransit transportation during the phased implementation of the State Family Care which will occur from February to May of 2018. The Metro Transit Utility will provide \$10,750 as reimburseable payment to Dane County as part of this agreement.

Title

Authorizing the Mayor and City Clerk to enter into an agreement with Dane County for the following purposes in the calendar year 2018: (1) providing the Transit Utility with MA Waiver Community Integration Program (CIP) funding; (2) providing Dane County with State 85.20 funding by the Transit Utility for the County's provision of accessible transportation for persons unable to use the Transit Utility's paratransit services with its service area

WHEREAS, the State Department of Health Services (DHS) contracts with Dane County to operate the CIP1 and other MA waiver programs for residents of Dane County and receives reimbursement from the DHS for the Federal share (approximately 60%) of the costs of accessible transportation for waiver participants; and

WHEREAS, the Metro Transit General Manager, on behalf of the City of Madison, has executed the State of Wisconsin MA program provider agreement for MA waiver service provider entities and registered with the DHS; and

WHEREAS, Dane County is able to reimburse the Transit Utility for the Federal share of these costs from funds they receive from the DHS because the Transit Utility is a qualified provider under the MA Waiver program; and

Whereas, the Exceptional Rides Program of Dane County is a component of a cooperative reimbursement program by the Transit Utility to make provision for the accessible transportation services for persons with disabilities unable to use the Transit Utility's paratransit service area; and
