There was general discussion about the proposed work. Staff explained this project was requesting a façade improvement grant and that the report of the Landmarks Commission would be provided to the Urban Design Commission.

ACTION:

A motion was made by Arnesen and seconded by Andrzejewski to recommend to the Plan Commission and Urban Design Commission that the Landmarks Commission finds that the proposed alteration is not so large or visually intrusive as to adversely affect the historic character and integrity of the adjacent landmark. The motion passed on a voice vote.
