I am pretty sure my opinion isn't going to matter much, however, I cannot stay silent with regard to the incredibly ugly design of this new development. Monroe Street is known for its quaint bungalows and small shops - why ruin it with an eyesore? I would like to meet anyone who says this building is beautiful... Yikes!

Please tell the developer to go back to the drawing board and come up with a design that fits the neighborhood.

Sincerely,

Sue Statz
