### Peoples Bratfest schedule

This event is being run in conjunction with the Farmers Market who is the official supplier. We've been working in coordination with the Farmers Market Manager, Larry Johnson, on this. Ideally, we'd like to be located on the 100 block of West Washington if at all possible. If this is not possible we would be willing to take the 200 block of MLK.

9:00am-10:00am Setup of event - grills, washing stations, beverage station (root beer, small selection of beer) 10am Festival opens with remarks from guest of honor to attendees 10:15am-3:00pm food is prepared, cooked and distributed 12:00-2:00pm The Truly Remarkable Loon will be in attendance to entertain audience 3:30pm-5:00pm Cleanup and removal of trash, breaking down of equipment/event etc. (To be concluded no later than 5:00pm)

### Safety and Security Plan

There will be 40-50 marshals on hand for an event that only expects a couple of hundred. Each will be distributed in teams of 4 monitoring lines, congestion points and entrances/exits

### Notification Schedule

Since we will be taking part as an extension of the Farmers Market on this day their notification should count as ours although we will immediately notify residents and businesses in the area

### Public Amplification Permit

one small speaker, do not anticipate need for amplification permit as there will be no amplified music just speaker used intermittently for announcements.

### Beer/Alcohol Selling Permit (Class B)

applied for 5/18/11

### Street Use Vending License

applied for 5/18/11

### Temp Restaurant Permit

Hi Kelli,

Bill Fetty contacted our office yesterday (May 18) and informed me that he has an event scheduled for Saturday, May 28 on the 100 block of MLK Blvd. The Madison Marathon will be setting up our medical tent during that morning on the west side of the street next to M&I Bank. Ryan Richards of Lakeshore Athletics will be supervising this set up and he has agreed to share the space during this time with Bill's event. We asked that Bill keep as much to the east/Starbucks side of the street as possible to provide enough room for Lakeshore's trucks and equipment.
