

Actual Size Artworks
Gail Simpson & Aristotle Georgiades

- The positive spirit of the neighborhood
 - A welcoming quality

- The identity of the community
 - Past, present, future

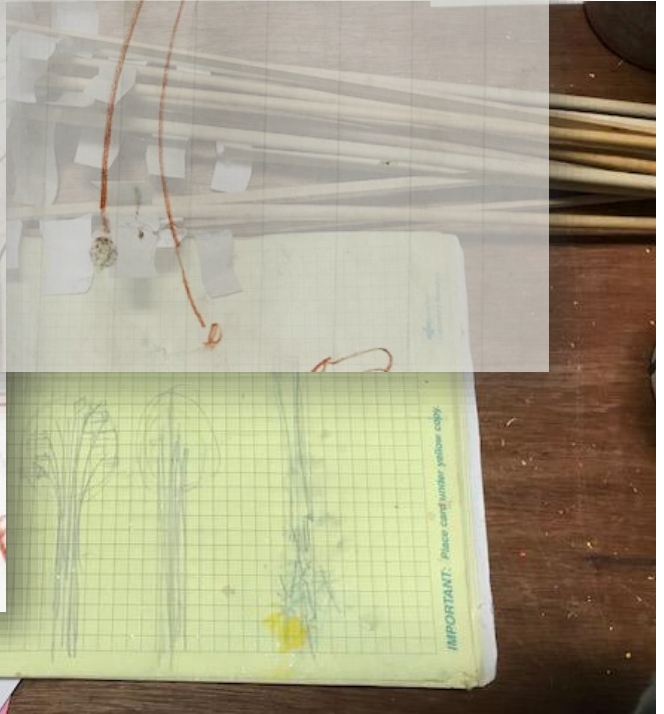

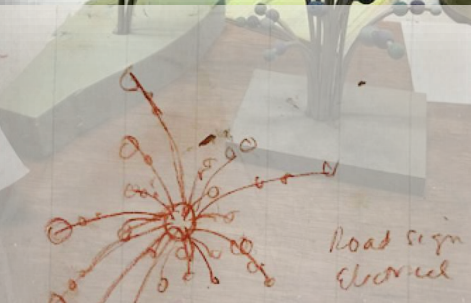

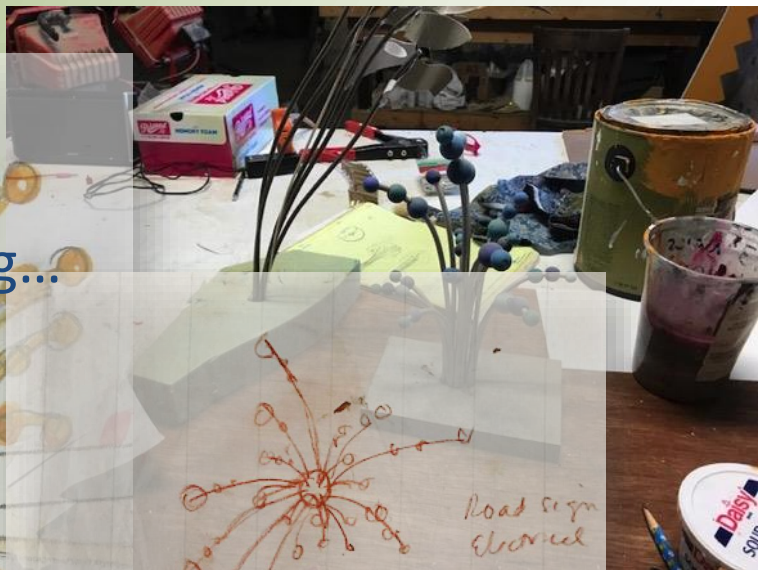

- The “vintage” elements in the built environment – design inspiration

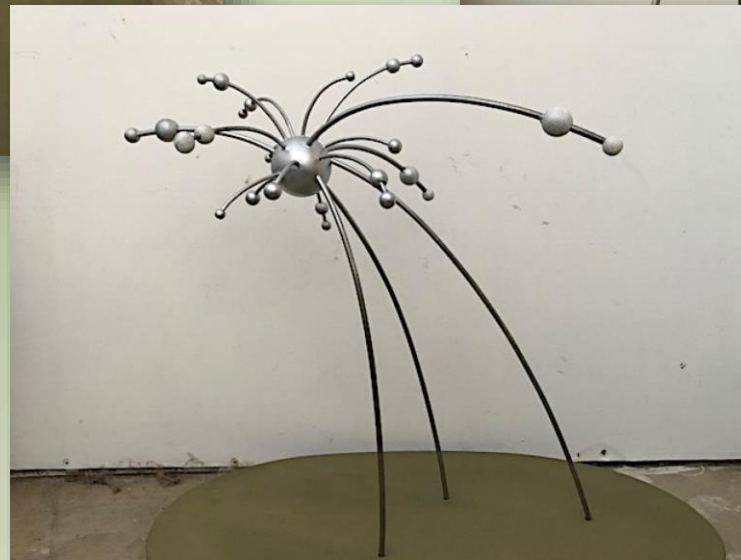

A reminder of the vibrant, life-affirming aspects of our communities

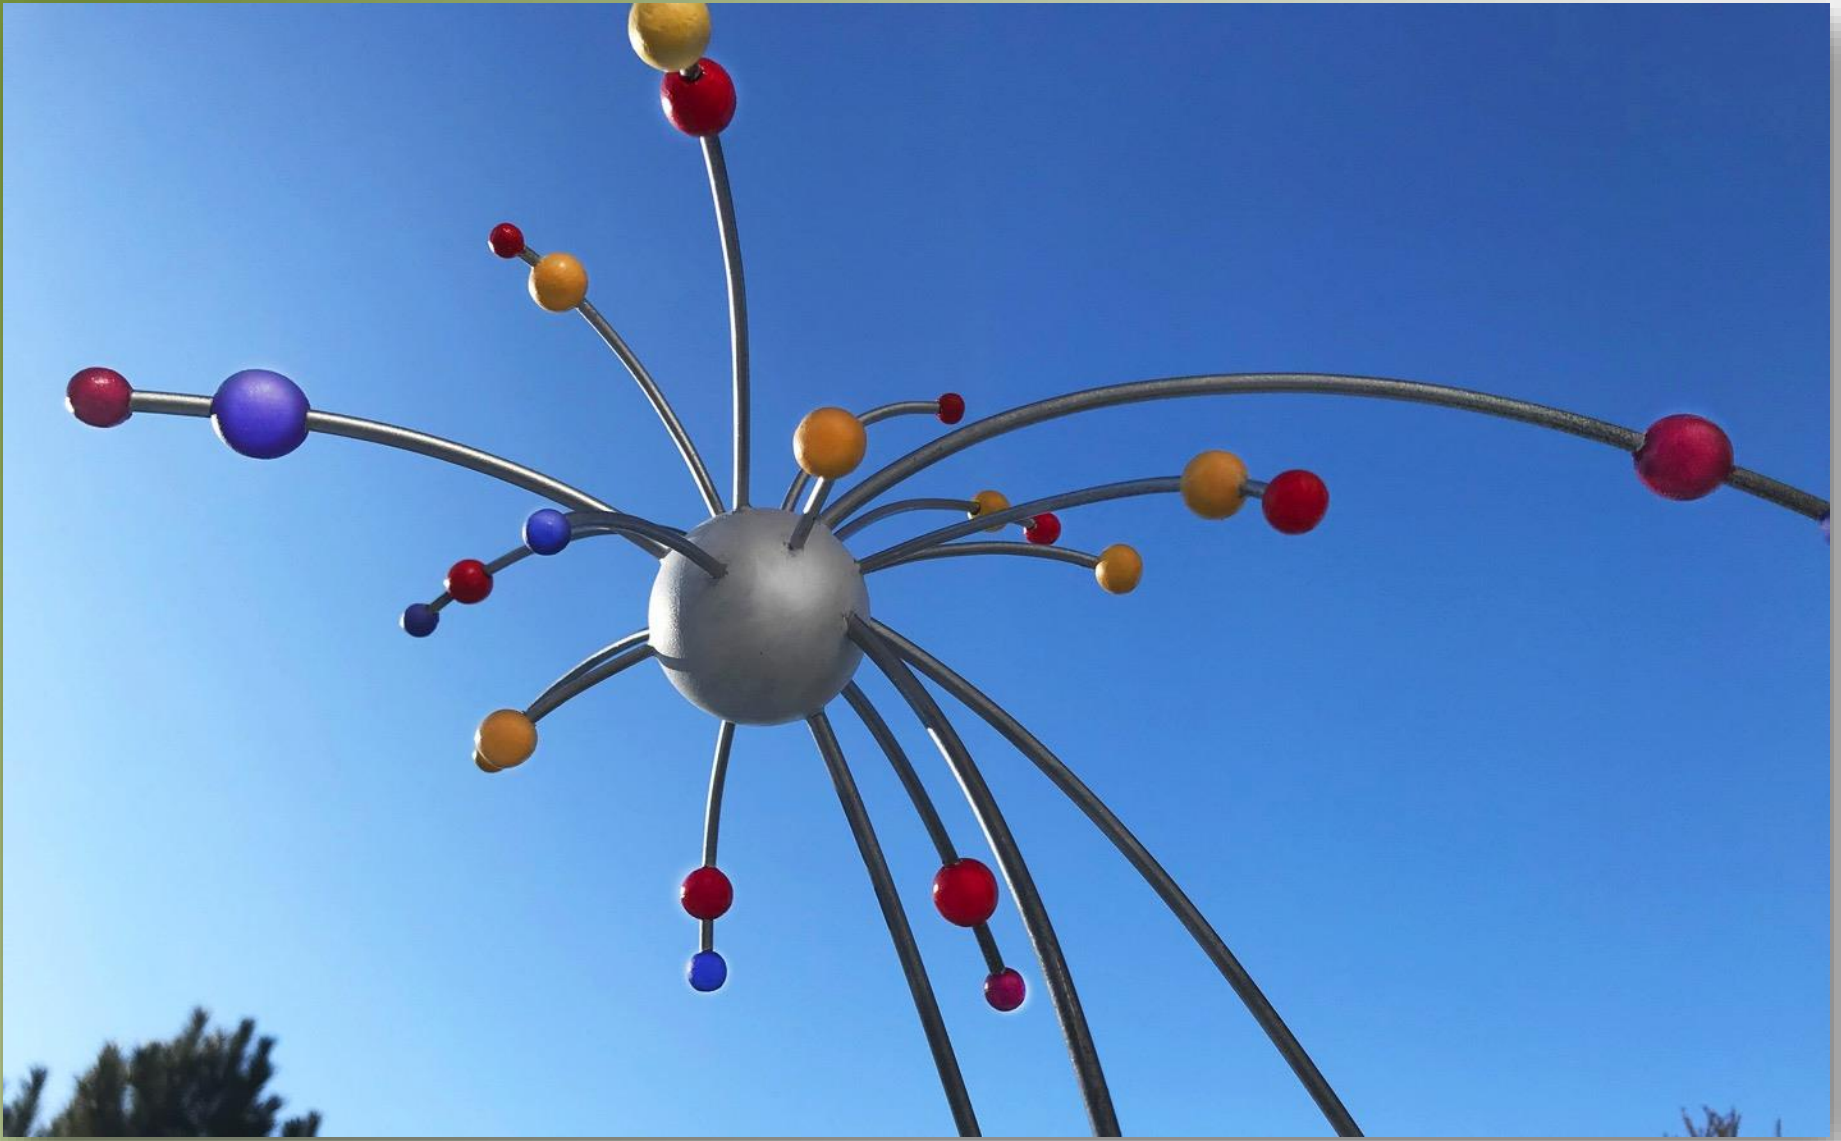

Brainstorming...

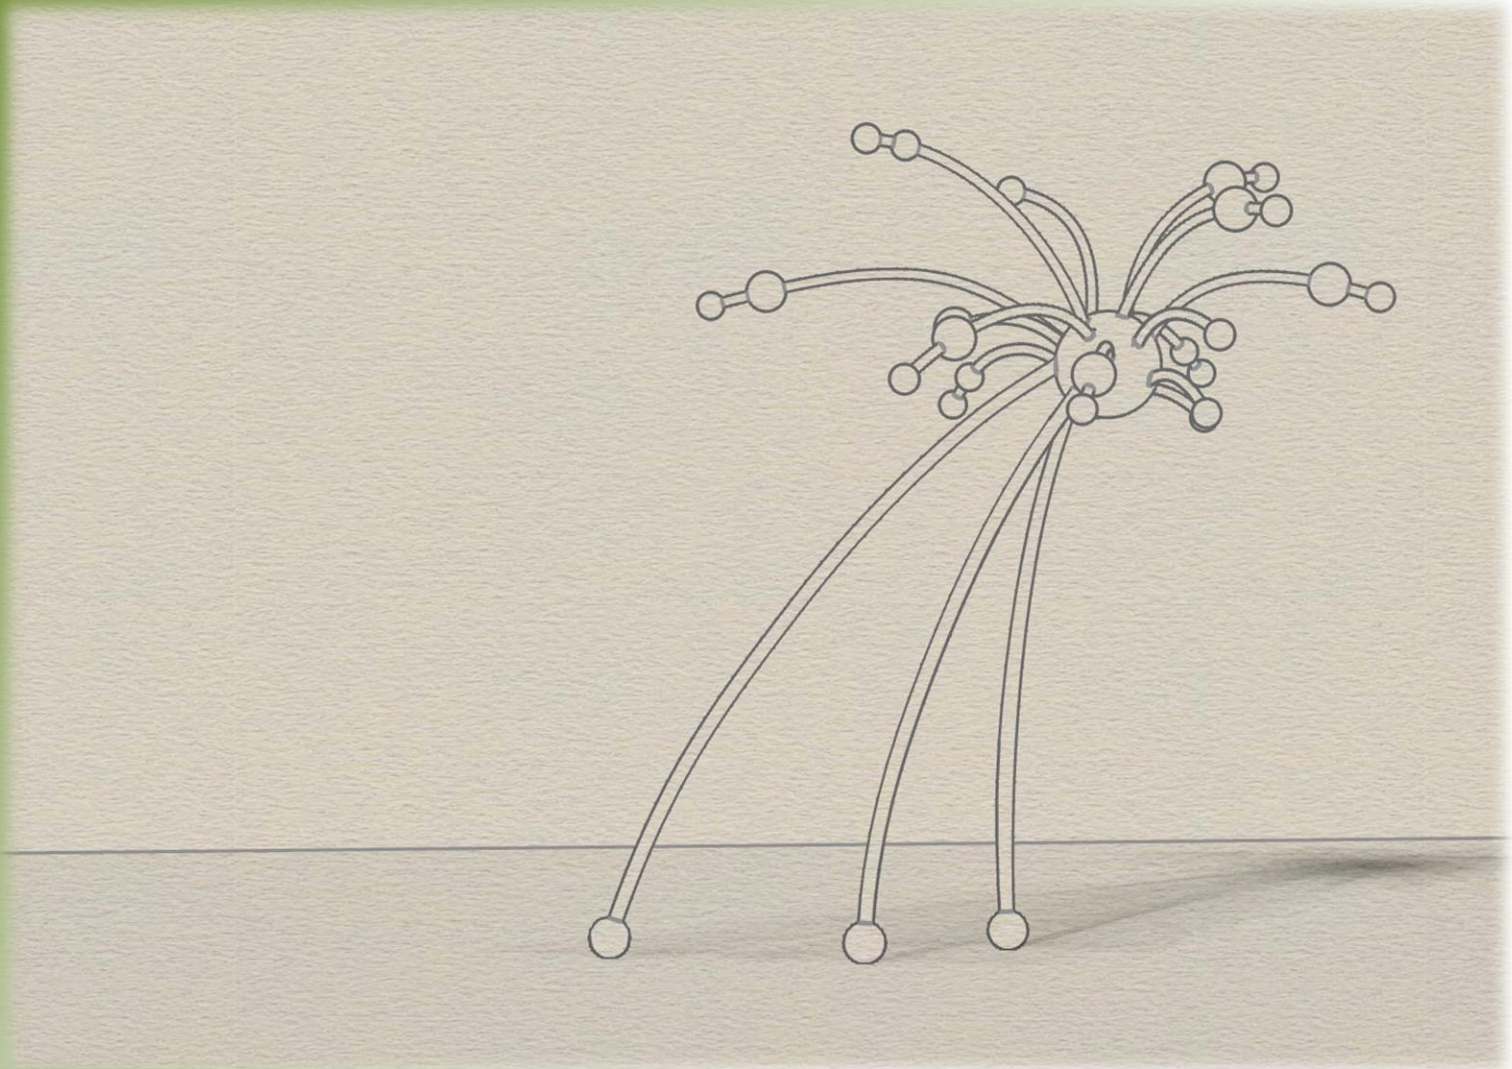

Visible/Radiant/Interesting from all points of view

The physical sensation of looking up

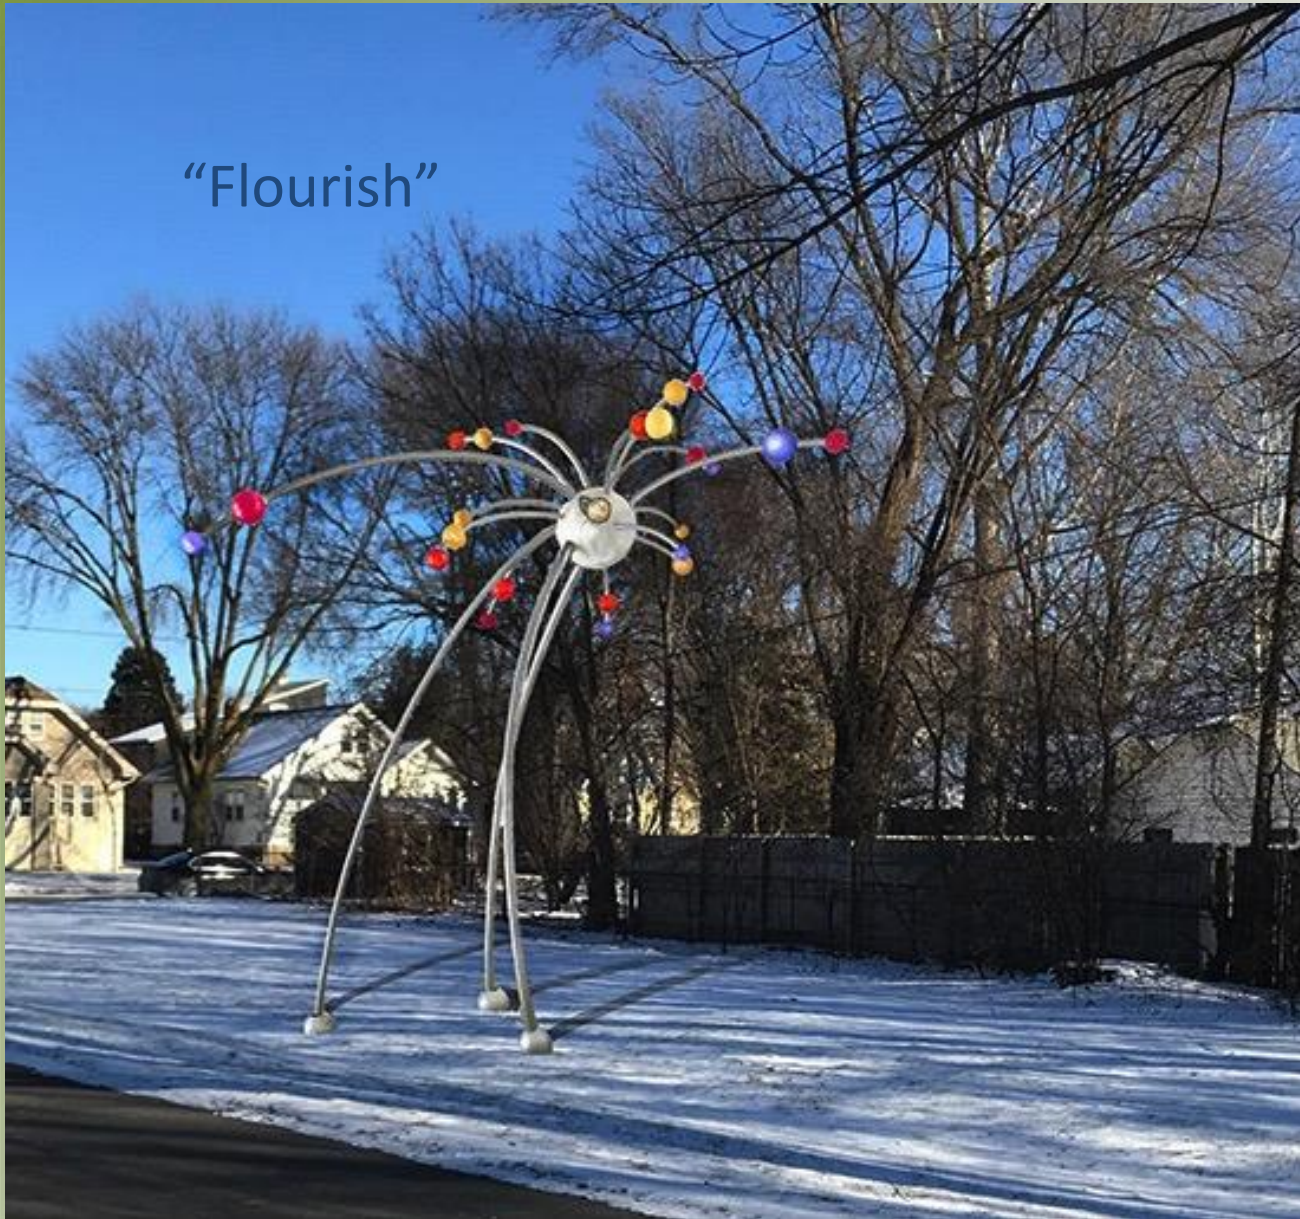

Visual presence at different speeds & distances

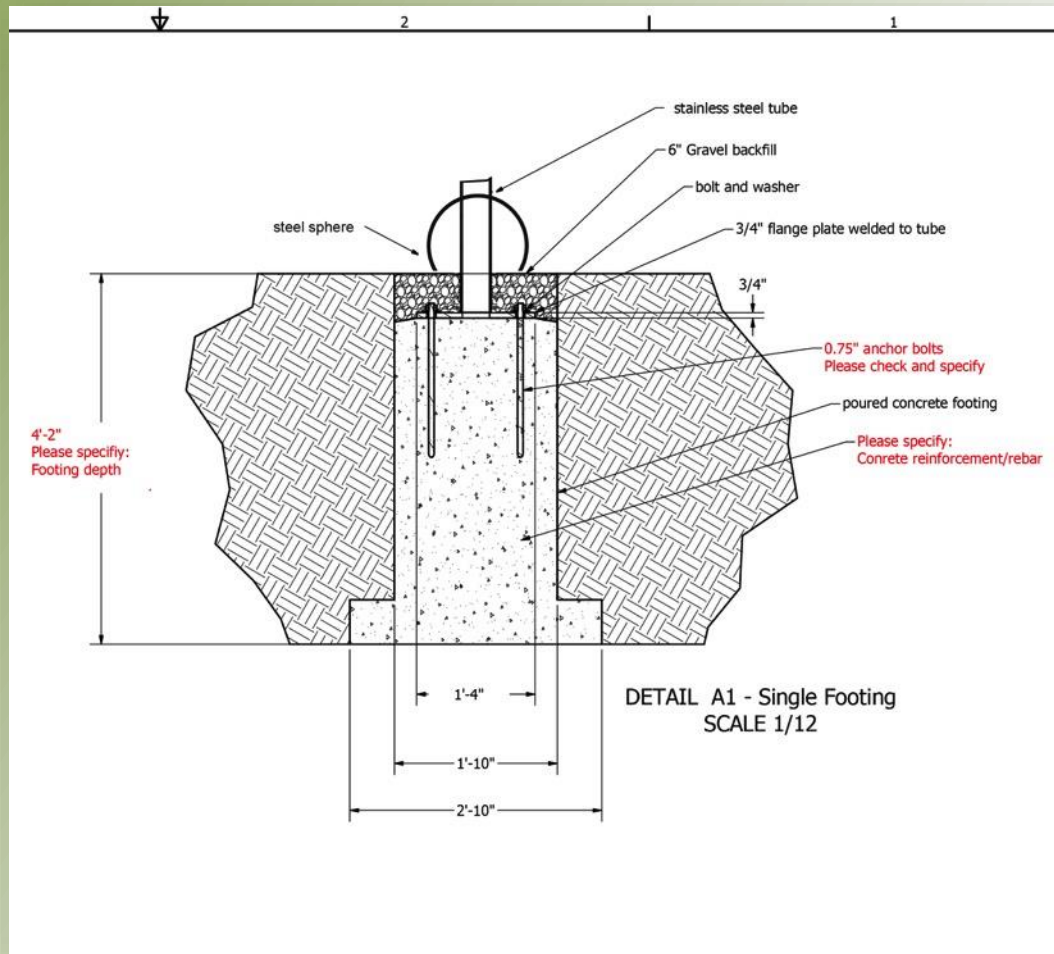

A bright palette for
all seasons and
light conditions

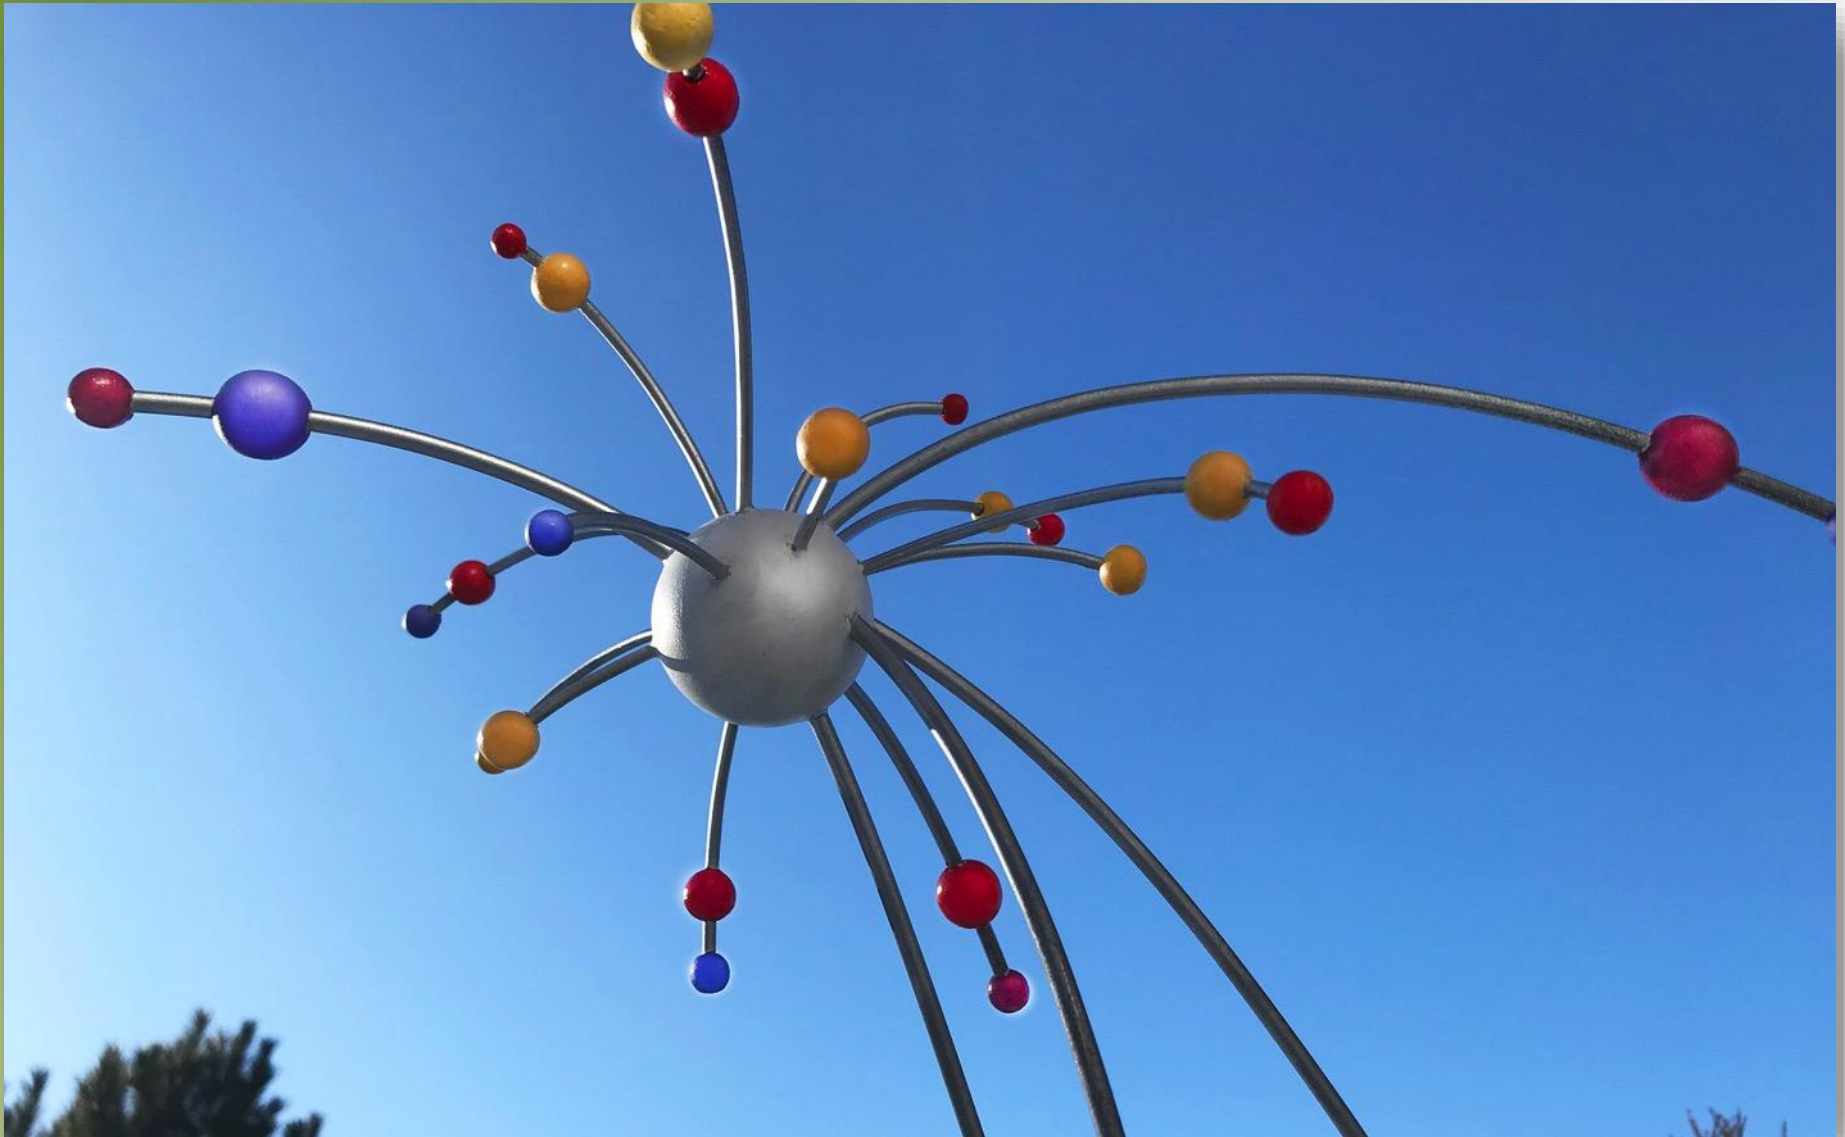

“Flourish”

Durable materials, low maintenance, excellent workmanship

“Flourish”
