To Whom It May Concern:

I am opposed to the proposed speed limit reduction on Whitney Way to 25mph. This is an unrealistically slow speed along a major city thoroughfare. Besides hampering the flow of traffic, the reduced speed will give cause to increase subjective police stops, which may be used to target at risk communities.

The proposed speed reduction is part of item #6 on the agenda – 2021 Vision Zero Projects review and approval.

As a resident of the Faircrest neighborhood, I ask you to reject the proposed speed reduction along Whitney Way.

Respectfully,

Peter Kraemer
