

BPW Meeting January 22, 2014

Review of Projects by Engineering Environmental Staff for Impacts to Water Resources

4. **Utility Replacement w/ Resurfacing 2014**
This project will disturb over an acre at each location, which will require three separate Notice of Intent permits from the WDNR and a City Engineering Erosion Control Permit. **(Eric Dundee, City Engineering)**

6. **Oakridge/Ohio/Miller Ave Resurfacing**
This project is under an acre, but will require a City Engineering Erosion Control Permit, as well as other DNR, DSPS, and DHS permits. **(LeAnne Hamman, City Engineering)**

25. **MPD Training Center Parking Lot Expansion – Landscaping**
This project disturbs under an acre of land. It does not require a DNR permit, but does require a City Erosion Control Permit. **(Randy Wiesner, City Engineering)**

27. **Cannonball Path Phase 5**
This project requires a Notice of Intent, Chapter 30 permit and wetland disturbance permit from the DNR. Wetland impacts also require approval from Army Corps of Engineers. **(Tony Fernandez, City Engineering)**
