

6/25/2012

Dear Members of the Historic Review Board,

I cannot stay for your deliberations of the new Block 100 proposal.

I would like to encourage you, as I suspect you will, to encourage and require the preservation and restoration of the Vallender building for its own merit and as a contributing structure to the Castle and Doyle Building.

Thank you,

A handwritten signature in black ink, appearing to read 'Tom Link', written over the typed name.
