Re: University of Wisconsin Arboretum National Historic Landmark nomination  
1207 Seminole Highway

To The National Park System Advisory Board National Historic Landmarks Committee:

The City of Madison Landmarks Commission is pleased to review, and enthusiastically support, the nomination to designate the University of Wisconsin Arboretum as a National Historic Landmark.

The nomination shows that the University of Wisconsin Arboretum is eligible for listing as a National Historic Landmark by making a strong case under the relevant criteria with supporting evidence. We are proud to have such a significant cultural resource in our city.

Thank you for the opportunity to provide comments.

Sincerely,

Heather L. Bailey, Ph.D.  
Landmarks Commission Secretary
