Hello Jim,

I called the city clerks office and they told me to email you.

We are requesting an extension for Veil and Vault's Liquor License due to construction delays.

Our original General Contractor pulled out of the project, so we had to find a new general contractor to pick it back up.

Please let me know what documentation we need to provide.

Good evening,

Congratulations! The Alcohol License Review Committee recommended to the Common Council to grant your liquor/beer license application. The application will be at the 1/13/26 meeting for final approval. You can begin to reach out to the agencies that need to sign-off on your license. The following items must be completed and/or submitted to the City Clerk's Office before we can issue your license:

- **Building Inspection**—It is your responsibility to schedule this inspection by calling Building Inspection at (608) 266-4551 or [binspection@cityofmadison.com](mailto:binspection@cityofmadison.com).

- **Health Inspection** —It is your responsibility to schedule this inspection by calling the Health Department at (608) 242-6515 or [leadadmin@publichealthmdc.com](mailto:leadadmin@publichealthmdc.com).
- **Fire Inspection** —It is your responsibility to schedule this inspection by calling the Fire Department at (608) 266-4420 or [fireprevention@cityofmadison.com](mailto:fireprevention@cityofmadison.com).
- You will need to call **Zoning** at (608) 266-4551 or [zoning@cityofmadison.com](mailto:zoning@cityofmadison.com) to discuss the zoning regulations that would affect your establishment.
- Lastly, **Licensing Fees** must be submitted to the City Clerk's Office. This should be done when you are ready to pick-up your license. The liquor license fees will be prorated for the remainder of the licensing year, and "Class B" Combination Liquor and Beer licenses issued may incur a **\$10,000 reserve fee**. *Checks should be made payable to City Treasurer.*

If you complete all inspections prior to the Common Council meeting, it is possible to get a provisional license to operate prior to issuance of your full license. You will need to pay all license fees, plus a \$15 provisional fee. This provisional license is valid for two months.

On your application, you affirmed on question 33 to agree with the Statement of Intent (as part of Madison General Ordinance 38.05(3)(a)12) to complete all the above steps and be issued your license within 180 days of the Common Council granting your license. If you do not complete these steps and have your license issued within 180 days of granting, the license shall be considered surrendered. Per the ordinance, if construction activities will delay your inspections, you may petition the Common Council for an extension of this deadline. You should submit your request and proof of these delays to the clerk's office at least a month in advance of the deadline. Your request will go before the ALRC, followed by the Common Council's final action.

Dear City Clerk,

4-9-26

I have received the Public Hearing Notice for the Zuzu Cafe Entertainment license at 1336 Drake Street.

I do not want it.

It is two buildings away from my home at 409 S. Randall Ave., which I have owned since 1979. Back then this was a quiet residential street and neighborhood. Now it has a bus route and a bus shelter with buses running all the time.

In 1979 Zuzu's Cafe was not there on the corner. Instead there was a convenience store that sold food and soda.

Today Zuzu's Cafe has outdoor music on Thursdays until dark. It has been very loud at times. It interferes with early sleeping. I do not want that near my home. Please disallow it.

Truly yours,

# 421 S PARK PROPOSED RETAIL

## FLOOR PLAN

**Corporation** - Becco, Inc.

**Date:** 03/12/2026

**Prepared for:** City of Madison

- **Business Plan for 421 S. Park Street:**

- Business Type: Retail Liquor Store (Class A Liquor, Beer and Cider)
- Address: 421 S. Park Street, Madison, WI
- Business Model: Off-premise alcohol sales (no on-site consumption)
- Target Customers:
  - Local residents
  - 40k to 60k daily drivers passing by
  - Professionals working nearby (nurses, doctors, bankers, etc.)
  - UW Madison students, specifically graduate students
  - Special event and game attendees entering downtown
- Goal:
  - Our goal is to establish an independent neighborhood liquor store that is a clean and organized to provide a welcoming and aesthetic shopping experience. The store will have a boutique-style mom and shop feel, with carefully curated displays and an emphasis on maintaining a well-organized and easy-to-navigate retail environment. The concept is intended to serve the diverse community surrounding South Park Street, including neighborhood residents, young professionals, and the growing population in the area as new apartment developments continue to be built. In addition, the store will serve many professionals working nearby, including those in the medical and healthcare sector.

While there are other liquor stores located closer to the UW–Madison campus, many of those businesses primarily cater to the student population. Our store will focus on providing a different type of retail experience by offering a curated and diverse product selection, with a focus on high-quality bourbons, craft beer, and unique beverage offerings. The goal is to create a cleaner, more refined shopping experience that appeals to a broad range of adult consumers. The location at 421 South Park Street also provides a convenient stop for individuals entering downtown Madison for events, games, or other activities. With accessible parking and easy access along a major corridor, customers will be able to stop briefly to shop without needing to drive deeper into the campus area, where parking is limited and causing more traffic congestion. We

believe this type of retail operation will provide a safe, responsible, and positive addition to the neighborhood while offering a convenient and well-maintained option for customers in the surrounding community.

- We aren't hoping to be just a liquor store on park street. Our goal is to become a positive part of the neighborhood and community, much like George's Flowers was at this location for many years. We want to contribute to the community and garner the respect as they were able to do so.

Our family has been part of the Stoughton business community for over 20 years. During that time, we have built a reputation not simply as a retail liquor store, but as a family that cares about the city we serve. Many people in the community have watched us grow up over the years and know our family.

We believe in operating our liquor store business in a caring and responsible way, with the feel of a neighborhood "mom and pop" shop where customers feel welcomed and respected. We want customers to feel that they are not only shopping at a store, but supporting a local business that values its neighbors.

In Stoughton, we have always made an effort to give back to the community by supporting local fundraisers, contributing to hospitals, fire and police departments, and organizing raffles to help families facing difficult circumstances. We hope to bring that same community-focused approach to our business at 421 South Park Street.

- **Location & Neighborhood Fit:**
  - Located on South Park Street just before entering downtown/campus
  - High visibility to:
    - Neighborhood residents (current and future)
    - Commuters
    - Campus visitors
    - Downtown visitors
  - Nearby demand from:
    - Professionals in the area (staff at UW Madison, medical professionals, government professionals, corporate professionals, etc.)
    - Residents in the area
    - Student population (specifically graduate students)
    - Event traffic

- 40k to 60k daily commuters on the road
  - The store will provide safe, regulated alcohol retail and improved access to specialty beverages.
  
- **Products Offered:**
  - Craft Beer – rotating selection
  - Imported Beer
  - Wisconsin Craft Beer
  - Domestic Beer (kegs will be none or very limited, they are a pain)
  - Wine
  - Midwest/Wisconsin Wine

  - Cider
  - Mead
  - Non-Alcohol Beer

Dear Alder Tag Evers, Captain Shannon Blackamore, and our Neighbors,

For more than 41 years, our family proudly operated George's Flowers on South Park Street, becoming part of the fabric of this neighborhood. With our recent retirement, we have reached a natural transition point, but our commitment to this community remains as strong as ever.

Our father, born in 1924, grew up in the Greenbush neighborhood, and his deep roots instilled in us a lasting connection and responsibility to this area. This is not just where we worked - it is home.

As we look to the future, we want only the very best for the neighborhood that has given so much to our family. We have witnessed the many positive changes and growth over the years, and we are fully invested in seeing that progress continue.

In that spirit, we have taken the time to get to know Sukh, his family, and his current wine & spirits business in Stoughton, and we have found many shared values that closely align with our own. Based on this, we are confident that this will be a thoughtful and positive transition, and a meaningful addition to the neighborhood.

Sukh has demonstrated a strong commitment to being a responsible business owner and community partner. He has expressed a clear willingness to work closely with the City to implement any measures necessary to ensure his business does not contribute to alcohol-related concerns, particularly those associated with Brittingham Park. These proactive steps include the following potential measures, to be considered and refined in partnership with the City of Madison, based on what is deemed appropriate:

- Not selling single cans or bottles of beer under \$4
- Not selling high ABV low cost brands
- Not selling 24oz, 32oz or 40oz bottles of beer
- Not selling single bottles of liquor 100ml and under (mini "airplane" bottles)
- Implementing a modest minimum purchase requirement

Additionally, Sukh has taken the initiative to better understand the concerns surrounding the park and has identified that other nearby establishments, such as the closest gas station, are more likely sources of such products. This awareness reflects his thoughtful and responsible approach to operating within the community.

Sukh's vision is to establish an upscale, boutique-style wine and spirits store, focused on quality, service, and education. His business will offer a curated selection of products and employ knowledgeable staff dedicated to providing a high level of customer service, creating an environment that enhances the neighborhood and aligns with its continued growth and character.

We respectfully support this application and hope you will give it your favorable consideration.

Sincerely,  
Constantine Choles & Denise George Schultz

To the Alcohol License Review Committee,

I am writing to express my opposition to granting a Class A Liquor/Beer/Cider license to Becco Incorporated at 421 South Park Street, which is located on the block nearest to Brittingham Park.

In my view, Brittingham Park is one of the finest parks in the city. It serves a remarkably diverse community, bringing together people of different ages, backgrounds, and income levels. This did not happen by chance. It reflects years of dedicated effort by the City, nonprofit organizations, and neighborhood residents to create a welcoming and positive environment.

There are already multiple nearby locations where alcohol is available for purchase. I am concerned that adding another point of sale so close to the park may lead to increased alcohol consumption within the park and a return of the problematic behaviors that earlier efforts worked hard to address.

I do want to note that it has been encouraging to see the recent opening of family-owned, family-oriented businesses near the park, and I sincerely hope that trend continues.

Thank you for your consideration.

Sincerely,  
Susan Hoffenberg

Friends,

We are writing to express our strong concerns regarding the liquor store proposed for 421. S. Park Street.

We reside in the 500 block of West Shore Drive, about 50 yards from the proposed store.

Our main concern relates to the sale of alcohol in such a close proximity to Brittingham Park. As you know, for many years Brittingham Park was plagued with problems arising from the consumption of alcohol in the park. There were fights, some with weapons. People were afraid to walk along the bike path. It took many years of effort by the neighbors and the City to get those problems under control. Even though alcohol is officially banned from the Park, there has been some increase in public consumption of alcohol in the park in the past few years since the 2020 summer of covid.

Having a store which would sell beer and liquor adjacent to the park could well bring back the problems of the past and undo the positive gains to the park that have been made. Access to the proposed store would not require crossing any major streets and would be just a few yards from Brittingham Park.

A secondary concern relates to traffic. It is reasonable to expect increased car traffic on Drake St. between Park St. and West Shore, where the driveway to the proposed liquor store is located, and possibly increased traffic along the length of West Shore Drive. We see this location as probably the most convenient liquor store for people driving from the Beltline into downtown, and can easily envision a glut of cars stopping there on their way back into

town in the evening to pick up their alcohol. So, potential traffic back-ups in and out of the Park and Drake intersection, as well as potentially more car traffic coming up West Shore Drive from the south, approaching the liquor store from that direction.

In 2021 there was a proposal for a liquor store at 405 S. Park St (where Cool Sweet Treats now is). The same concerns raised then regarding that proposal are all still relevant today to the current proposal.

**Subject:** Opposition to Application for Class A Liquor License at 421 South Park Street. ALRC meeting - April 15, 2026 Item # 17. 92370 Public Hearing - New License, Becco Inc.

We have been following the neighbor comments and concerns regarding a liquor store at 421 South Park Street. We agree that it is concerning, and urge the ALRC to oppose this request for a liquor license.

**Negative Activity:** The neighborhood has had a lot of negative activity associated with this Park Street area, mostly from La Hacienda late at night but also due to the proximity to Brittingham Park. These negative activities were happening while this location housed a flower shop, which was closed at night. The closest gas station/mini-mart, M S Mart LLC, 318 S Park St., does not sell alcohol due to the problems in the area and in Brittingham Park. A carry out liquor store, that would be open during the night, cannot make the situation better.

**Lack of Communication:** There are three NAs associated with this area, Monona Bay NA, Bay Creek NA and Greenbush NA, they should all be aware and involved. In the application for a class A liquor license Mr. Sukhraj Bhary indicated that a meeting with the neighborhood association would happen prior to an ALRC meeting on this request. What follows *in highlight* is from that application document: **"Item 32. I agree to contact the neighborhood association representative prior to the ALRC meeting.  No  Yes"** We are not aware of a meeting with the Monona Bay NA of which we are members of or either the Bay Creek NA or Greenbush NA.

**End Use Confusion:** The end use of this 421 South Park Street building is not clear to us, other than the desire to sell alcohol. The public notice sign on the building refers to Becco, Inc. However a web search of this location refers to Bovada Amusement center. See below for images associated with this web search. Either a Casino or Liquor Store is concerning, a Casino serving liquor combines these concerns.

Please consider our request to oppose the granting of a liquor license to this location for the multiple reasons that we have listed.

Thank you very much,

**Subj:** Comments on Application for Class A Liquor License at 421 S. Park St. for ALRC mtg on Apr 15

We write this letter in opposition to Becco Inc's proposed location for a new liquor store at 421 S. Park St. due to its proximity to Brittingham Park. Our home at 402 W. Shore Drive is the closest to the park playground, parking lot, shelter and volleyball courts. We are also around the corner from the proposed liquor store.

Mr. Sukhraj Singh Bharya, the proposed agent, knows how to sell alcohol. He has experience running a liquor store in Stoughton since 2005. If he operates out of 421 S. Park St., alcohol will be more prevalent in Brittingham Park.

Here are just three of the ways that increased alcohol use will affect park usage:

1. Madison police will be responding to more disturbances.
2. Madison crews will be picking up more trash
3. Residents will think twice about spending their afternoon in the park if it again becomes a convenient place for drinking alcohol.

**Disturbances:** Brittingham Park's shelter, parking lot and playground are popular gathering spots, especially on summer days and evenings. Despite alcohol being prohibited in the park, consumption of alcohol is common in the parking and shelter.

Although the park closes at 10:00 PM, and most people are respectful, the people pushing the boundaries and creating disturbances have been drinking alcohol. Ask police officers who have had to respond to disturbances in the park. Alcohol does not mix well with Brittingham Park. The City of Madison police should expect an uptick in calls regarding disturbances in Brittingham Park.

**Trash:** We volunteer with the monthly Friends of Monona Bay trash pickup. It is common for us to pick up beer cans and liquor bottles in Brittingham Park, in the parking lot near the playground, along the bay shore, and along W. Washington. As Mr Bharya sells more liquor there will be more trash in the park to be picked up. Will the City of Madison spend more money to have more trash bins installed in the park and emptied on a more-than-weekly basis?

**Park Usage:** There is a reason the Parks Department prohibits alcohol in Brittingham Park. You don't need a crystal ball to see into the future. You just need an old issue of the Isthmus, April 2016 to be exact: <https://isthmus.com/news/cover-story/the-brittingham-renaissance>. The banning of alcohol in Brittingham Park marked the turning point for the recovery of one of Madison's most used parks. In 2017, the City of Madison made a \$315,000 investment in Brittingham Park to install Madison's [first playground accessible to children with disabilities](#). Kids have a lot of fun using it.

A lot of people: police, neighbors, and park and city staff have invested time and money over the past ten years to make Brittingham Park safe and enjoyable.

We believe that a liquor store at 421 S. Park Street, around the corner from Brittingham Park, will equate to more disturbance for our police, more trash for the neighbors and parks staff to pick up, and a park that is less safe. Neighbors remember when Brittingham Park was not family-friendly. It would be sad to see the City of Madison take a step backwards.

**We urge the ALRC to oppose granting a Class A liquor/beer/cider license to Becco Inc at this location, because of its proximity to and negative impact on Brittingham Park.**

Dear Alder Evers and Members of the Alcohol License Review Committee,

I am writing to express my opposition to the current proposed liquor store and any potential gambling establishment at 421 S. Park Street. I own Brittingham Boats, which operates in Brittingham Park. I live on West Shore Drive and am a community member deeply invested in the well-being and safety of the Brittingham Park neighborhood. I am concerned that this proposal would exacerbate existing challenges rather than contribute positively to the area.

Brittingham Park and the surrounding neighborhood have long experienced issues related to alcohol misuse. Despite regulations prohibiting alcohol consumption in the park, there are frequent gatherings and parties where drinking occurs. Introducing a nearby off-premises liquor outlet would likely intensify these ongoing concerns by increasing the accessibility of alcohol and further fueling problematic behavior.

Additionally, the area has faced significant public safety challenges in the past, particularly related to the former La Hacienda establishment. Late-night disturbances, disorderly conduct, and police interventions were persistent issues that negatively impacted neighborhood safety and quality of life. As these issues became more frequent and serious, La Hacienda took appropriate steps to assume responsibility and manage them. The prospect of a new liquor store—or, more concerning, a gambling or casino-style operation serving alcohol—raises serious questions about repeating these past problems with lack of oversight or accountability once the purchase leaves their premises.

Recent community correspondence has also suggested that the proposed location may be associated with a gambling or casino-style business. Although I do not see it listed on the application, a website (<https://bovadacasino.live/madison-wi.html>) states that Bovada is coming to this location. Bovada is widely recognized as an online, offshore gambling platform that is not licensed or regulated within the United States. The possibility of combining gambling activities with alcohol sales introduces an additional layer of risk, including increased potential for addiction, financial hardship, and public safety concerns. Given these implications, it is essential that the City ensure full transparency and provide opportunities for robust community engagement before any approvals are considered.

While I am currently opposed to the issuance of a Class A liquor license for off-premises sales at this location. I want to clarify that I am not opposed to alcohol sales in this area. However, I believe it is critical that the alcohol should be purchased and consumed onsite, where there are trained staff, and clear accountability by the provider. Many of these businesses – Including La Hacienda have proven to contribute to a positive and vibrant neighborhood without exacerbating public safety concerns.

Given the proximity of this site to Brittingham Park, nearby residential neighborhoods, and ambiguity around what will be provided at this location, I respectfully urge the City to:

1. **Deny the Class A Liquor/Beer/Cider license** for 421 S. Park Street until we can
  - a) **Investigate and clarify** whether gambling or casino-style activities are being proposed in conjunction with this application.
  - b) **Facilitate a public informational meeting** to ensure that neighborhood associations—including the Monona Bay, Bay Creek, and Greenbush Neighborhood Associations—are fully informed and able to provide input.
  - c) **Consider the cumulative impact** of alcohol-related establishments in this area and prioritize land uses that enhance community safety and well-being.

The decisions made regarding this proposal will have lasting impacts on the character and safety of our neighborhood. I respectfully request that you give significant weight to residents' concerns and act in the community's best interests.

Thank you for your time, consideration, and continued service to our city. I would appreciate being kept informed of any developments related to this application.

Sincerely,

Tyler Leeper

Hello,

I'm writing to strongly object to approval for a new liquor store on the corner of South Park Street and West Washington. I live 1.5 blocks away on Monona Bay.

There are issues with trash year round on the Bay, despite our monthly clean-up efforts. Despite requests from multiple residents for more trash cans and service, the parks department has refused, saying they don't have the budget. If that's the case, we shouldn't be adding a further burden on them without a specific plan to address it.

During the warmer months, there are near-constant issues with noise and delinquent behavior at Brittingham Park and the areas surrounding it. People frequently bring alcohol to the park, despite it being against the rules, and those people are the ones most often breaking the other park rules. Again, if we already have problems, the city should not be approving vendors that will compound the problems.

Please reject this application and any future applications for liquor stores in this area.

Dear Committee Members

My wife, Debi, and I live at 418 West Shore Dr. Our property abuts the George's Flowers property, directly to the east. I have read the application and business plan submitted by Becco. I have also read many excellent comments submitted by other neighbors opposing the application. There is a strong feeling in the neighborhood that a liquor store at this location would be very harmful to the neighborhood.

The most obvious problem is the proximity to Brittingham Park where alcohol is not permitted, but is often found. Opening a liquor store on the edge of the park seems like an unnecessary invitation to more trouble for the park rangers and police who work to keep the park safe and the comfort and safety of everyone using the park.

The applicant has apparently operated a liquor store in Stoughton for many years. I assume they understand the business and would be responsible. That is not the issue. The issue is the location. There are plenty of places to purchase alcohol in Madison. It is not necessary to open another liquor store walking distance from a park. Selling alcohol is not like selling apples or shoes and that is why we have an Alcohol License Review Committee. Alcohol has effects on the neighborhood unlike any other store. I hope you will listen to the neighbors and deny the Becco application a new license at the George's Flowers location.

Sincerely,

Dave Leeper

Hello,

I am writing to express my opposition to the proposed liquor license at 421 S. Park. My reasons for doing so are threefold: most importantly, because of the fragility of lives nearby, particularly as Park St. has a high concentration of addiction clients, marginalized persons, and at risk youth near Brittingham Park; second, because the Park corridor nearby is a family-oriented neighborhood, which is increasingly at risk for becoming comprised by urban blight—see increased of air/water pollution due to high density and traffic congestion; third, because Madison (as well Wisconsin) already has the reputation for some of the highest levels of alcohol consumption in the country. Furthermore, let me remind ALRC members that Park Street does not represent Madison's commitment to a healthy ecological environment with enough trees/shrubs/plants to mitigate the air/water pollution produced by the high levels of carbon dioxide from vehicles on Park/Olin. It is alarming to think that air and water rights as living beings are less valuable than the consumer rights for alcohol.

Sonja Darlington

Bay Creek Neighbor

Hello,

I'm a resident of West Shore Drive and want to express my strong opposition for a liquor store at this location. Being as close to that intersection and the park as I am, I have had to call the police and non-emergency line multiple times for things like noise complaints, being harassed in my yard by men, and reckless driving. I can't imagine any way more access to alcohol would have a positive impact on the neighborhood and park.

I take part in the Friends of Monona Bay clean up each month and I have picked up so many beer cans, liquor bottles, cigarettes and vapes - it's honestly quite saddening how little respect people have for the natural resources our city is built around. During winter months, the amount of trash fishermen leave is mind blowing and again, I don't see how adding ore alcohol to this would help anything.

Lastly and most importantly, we do not need more intoxicated drivers doing stupid and harmful things. All of the people who will buy alcohol here and drink in the park then drive away will add even more danger to Park street and West Wash which are dangerous enough for bikers and pedestrians.

I urge you to deny the plans for a liquor store at this location and to add something that o the neighborhood that will actually improve quality of life for the folks that live here.

Karla

I am hereby voicing my opposition to the liquor license application by Becca company at 421 S Park St. Too close to Brittingham Park , young kids and the Bay . The company could try South Park St closer to the Black Business area where there's a thriving commercial area instead of kids and a park.

Thanks for considering this.

Hello,

I'm concerned about the Class A Liquor/Beer/Cider license application by Becco Inc. I live nearby and bike through Brittingham Park almost daily. I often see intoxicated folks along the lakeshore or in the shelter there, and I'm concerned that having a liquor store so close will encourage more drinking in the park.

Thanks for listening.

Hello Members of the Alcohol License Review Committee, I am a neighbor, living only two houses from George's Flowers, and I am very against having a liquor store in this location. I have 7 very young grandchildren and we love going to the park and enjoying the diversity in our end of the block. However, as you know there are many homeless and people in need that also use the park and having alcohol within this close proximity of the park is only going to cause problems and change the park climate.

Brittingham is an alcohol free park, and although many people do not abide by these rules to have a off-premise liquor outlet close by will only increase the use of consumption and problems, and even 411 calls.

I want to record my opposition for a Class A Liquor/Beer/Cider License for 421 S. Park Street. The decisions made regarding this proposal will have lasting impacts on the character and safety of our neighborhood.

Thank you,

Debi Mozdren Leeper

To Whom It May Concern,

I am writing to express my opposition to the proposed liquor store for 421 S. Park St. Among the reasons for my objection are:

1. Proximity to Brittingham Park. Longtime residents and police should remember conditions at the park in the 1990s when the park was plagued by problems related to alcohol, prostitution, etc. This led to closing off Shore Dr. at West Washington and closing the fireplaces and bathrooms at the shelter. Siting a liquor store at 421 S. Park St. would likely contribute to a recurrence of those problems.

2. Proximity to West Shore Dr. West Shore Dr. is a bike boulevard connecting segments of the Capitol City Trail. It is frequently at all hours by cyclists, runners, and walkers of all ages, including children. Siting a liquor store at 421 S. Park St. would likely lead to more traffic on West Shore Dr. and likely more impaired drivers.

3. The city already denied an application for a store selling alcoholic beverages at 405 S. Park for similar reasons. The close location and much larger size of this proposal should only give reason for doubling down on this license request.

Thank you for your consideration.
