It will be the responsibility of your security and staff to actively manage behaviors in the lot. This includes, but is not limited to the following examples: loitering in the lot or in vehicles, consuming alcohol, using or selling illegal drugs, making unreasonable noise or any other behavior that is disruptive to the area or creates an atmosphere of disorder.

2. You are required to have staff actively checking patron identification at the door. It is required that the employee checking the identification is visually confirming that the person presenting the identification looks like the photograph on that ID, and is confirming the person matches the physical descriptors offered on that ID.

3. You are required to continue to maintain and utilize your video surveillance system to record activities both inside the bar and in the lot. You are also required to maintain the records generated and to turn them over to police upon request.

4. You are required to purchase ID Scanners for checking patron identification at the doors, and to share data collected at police request.

5. You are required to maintain a log of all incidents/disturbances, and to share this log with the North Police District on a weekly basis. This log will minimally include: date, time, summary of incident; the names, dates of birth and address of those involved; and whether police were notified and by whom.

6. You or your designee will meet with a representative of the North Police District on a weekly basis to review the incident log, discuss issues of concern and to assure full compliance with this Security Plan.

Any violator is subject to a penalty of not less than \$50 nor more than \$300 plus costs.

Madison Police Officers are authorized to arrest any person violating this provision without any further additional warning to you.

If you are not a patron or not here on official business with the owner or the owner's agent or you are a patron but you are loitering in the parking lot area, leave the parking area immediately. (see below)

During our meeting on November 30, 2010, you indicated your intention to close your tavern prior to 11 p.m. nightly as a short-term effort to address the problems. This is a voluntary change that you are making, and we support that decision. As long as you continue to close at 11 p.m., and as long as there continue to be no problems of public safety at your business at earlier times,

you will be exempted from Requirement #1 (hiring of licensed, uniformed security) until such time as you resume normal hours of operation, or until problems manifest at earlier times. The remaining requirements remain in effect, regardless. However, should you resume normal hours of operation, you must have such security hired and in place for the periods specified above.

Sec. 38.07(13), Madison General Ordinances, provides an appeal process for the imposition of a Chief of Police Security Plan.

On 9/6/2011, the MPD notified the establishment and the City Clerk that they would not enforce items 1. and 7. from the Chief's Security plan for a trial period of unspecified duration.

Outdoor venue/amplification use will be permitted on Friday and Saturday evenings, as well as Sundays from 12 pm to 8 pm if this day falls prior to a Monday holiday; permission for any other day may be granted with prior approval from MPD East District command staff, said request shall be made a minimum of 48 hours prior to the event.
