

Police and Fire Commission Meeting Report from the Fire Department

February 12, 2024

Promotions, Probationary Status, and Reclassifications:

2024 Assistant Fire Chief Promotional Process:

Five Chief Officers participated in the Assistant Fire Chief Promotional Process which consisted of a written exercise, a panel interview, and a final interview with the Fire Chief. Chief Carbon would like to request a personnel file review and meeting between one finalist and the Police and Fire Commission prior to a recommendation for promotion at the March 11, 2024 PFC meeting.

2024 Division Fire Chief Promotional Process:

Four Fire Lieutenants participated in the Division Fire Chief Promotional Process. Following a panel interview, two candidates were referred to the Fire Chief for a written assignment and a final interview. Chief Carbon would like to request a personnel file review and meeting between one finalist and the Police and Fire Commission prior to a recommendation for promotion at the March 11, 2024 PFC meeting.
