Subject: DEWEY ANNEXATION

Section 66.0217 (6), Wis Stats., provides that the annexation of lands to cities and villages within a county having a population of 50,000 or more shall be reviewed by the Department of Administration in order to determine if the proposed annexation is in the public interest or against the public interest. The proposed annexation from the Town of VERONA to the City of MADISON (see attached description) must be reviewed pursuant to the statute

To assist us in making this determination, we urge that you promptly supply the data requested on the enclosed questionnaire (where possible) and return the questionnaire to the department

The purpose of this questionnaire is to assist the department in determining "Whether the governmental services, including zoning, to be supplied to the territory could clearly be better supplied by the town... " The statute further stipulates that the department shall study the "shape of the proposed annexation and the homogeneity of the territory with the annexing municipality " In addition, we would appreciate receiving from you any comments or information bearing on governmental services or shape and homogeneity that would indicate whether the annexation is in or against the public interest.

Our reply must be prepared within a very limited statutory deadline. Please return the questionnaire no later than April 13, 2007 so that the information can be reviewed prior to the department's statutory deadline of April 17, 2007. Direct any questions and comments to Erich Schmidtke at (608) 264-6102 or George Hall at (608) 266-0683. Thank you for your cooperation.

For additional information on annexation or other land use issues, visit our web site at www.doa.wi.gov and type 'annexation' in the search box.

Sincerely,

Erich Schmidtke
