Eric -

The Marquette Neighborhood Association (MNA) board met with Visilis Kallias at our September board meeting to discuss his planned changes for Take Five restaurant at 901 Williamson Street.

The MNA board voted unanimously to support his request for an extension of hours from 11:00 p.m. to 12:00 a.m. If outside seating is approved, all outdoor service should end at 10:00 p.m. Recommendations resulting from Alder Rummel's meeting of October 4th should be taken into consideration by the ALRC. (I do not believe that the October 4th meeting was held, but the language was included in our motion.)

Sincerely,

Scott B. Thornton, President
Marquette Neighborhood Association
